Female Amerindians in Early Modern Spanish Theater Gladys Robalino, 2014-08-20 *Female Amerindians in Early Modern Spanish Theater* is a collection of essays that focuses on the female Amerindian characters in comedias based on the discovery exploration and conquest of America This book emerges as a response to the limited number of studies that focus on these characters and more importantly on the function of these characters as theatrical artifacts within conquest plays Conquest plays are about a handful their heroes are the European male conquerors yet the Amerindian has attracted attention from critics for the value as constructs of cultural discourse We see this character the theatrical Indian as a construct an instrument in many ways a spectacular artifact of the baroque *tramoya* which emerges from the conversion point of the Counterreformation ideology It has been our purpose here to advance the study of these characters by adding a gender perspective Therefore while sociological and cultural studies are still a fundamental part of the theoretical framework of this project we use feminism as a critical matrix in our inquiries Amerindian female characters stand apart from male Amerindians and Spanish women in dramas which we believe make them worthy of individual attention The articles in this collection delineate different representations of Amerindian women and as a whole this book contributes to a better understanding of the dramatic use of these characters

Writing for the Eyes in the Spanish Golden Age Frederick A. De Armas, 2004 Although the very notion of writing for the eyes was not new to the Spanish Golden Age its ubiquitous presence during this period calls for rethinking of the traditional separation between the visual and the verbal in studies of Iberian culture This collection of essays seeks to open up this complex interdisciplinary field of study by including essays on many aspects of visual writing in sixteenth and seventeenth century Spain Jacket

Long, 2014-06-13 The Psyche as Interaction begins as a journey to explain one person's paranormal experiences Manya Long looks closely at the fields of mathematics physics psychology music religion neurophysiology and parapsychology Along the way she finds many things connecting each of these fields together Her intention when she began was merely to answer questions about her own unique experiences However she quickly realized what she was looking at had the potential to change the way we all view the world This book explains her journey findings and the conclusions she came to **Mirror, Mirror on the Page** W. Michael Mudrovic, 2008 This text offers detailed studies of eight works of poetry written by Spanish women in the years following the death of Francisco Franco and the evolution of a democratic government Each chapter shows how each author defines herself both as a woman and a poet by portraying a female figure in the text of the poem

Cervantes and Modernity Eric Clifford Graf, 2007 Graf argues that the doubts expressed by both historicists and postmodernists regarding the progressive nature of Don Quijote are exaggerated Neither do interpretations that abstain from this debate by emphasizing authorial ambivalence or positioning the novel at a crossroads seem as responsible as they once did Beyond these skeptical and neutral alternatives there are key steps forward in Cervantes's worldview These four essays detail Don Quijote's anticipations of many of the same ideas and values that drive today's multiculturalism feminism secularism and materialism An important thesis here is that the Enlightenment remains the best vantage point from which to appreciate the novel's relation to the discourses of such movements Thus Voltaire's *Candide* 1759 Feijoo's *Defensa de las mujeres* 1726 and Hobbes *Leviathan* 1651 are each shown to be logical extensions of some of Cervantes's most fundamental propositions Finally this book will still be of interest to specialists immune to the ideological anxieties arising from debates over notions of modernity Graf also explores the interrelated meaning of a number of Don Quijote's symbols characters and
