v. [1]. 1835-1863 Sampson Low, James Douglas Stewart, 1914 **An Irish Passion for Justice** Robert Polner, Michael Tubridy, 2024-05-15 *An Irish Passion for Justice* reveals the life and work of Paul O Dwyer the Irish born and quintessentially New York activist politician and lawyer who fought in the courts and at the barricades for the rights of the downtrodden and the marginalized throughout the 20th century Robert Polner and Michael Tubridy recount O Dwyer's legal crusades political

campaigns and civic interactions deftly describing how he cut a principled and progressive path through New York City's political machinery and America's reactionary Cold War landscape Polner and Tubridy's dynamic penetrating depiction showcases O'Dwyer's consistent left wing politics and defense of accused Communists in the labor movement which exposed him to sharp criticism within and beyond the Irish American community Even so his fierce beliefs loyalty to his brother William who was the city's mayor after World War II and influence in Irish American circles also inspired respect and support Recognized by his gentle brogue and white pompadour he fought for the creation of Israel organized Black voters during the Civil Rights movement and denounced the Vietnam War as an insurgent Democratic candidate for US Senate Finally he enlisted future president Bill Clinton to bring an end to the Troubles in Northern Ireland As the authors demonstrate O'Dwyer was both a man of his time and a politician beyond his years *An Irish Passion for Justice* tells an enthralling and inspiring New York immigrant story that uncovers how one person shaped by history and community can make a difference in the world by holding true to their ideals

the United States is besieged by firearms violence Each year some 30 000 people die by gunfire Over the course of its history the nation has witnessed the murders of beloved public figures massacres in workplaces and schools and epidemics of gun violence that terrorize neighborhoods and claim tens of thousands of lives Commanding majorities of Americans voice support for stricter controls on firearms Yet they have never mounted a true national movement for gun control Why Disarmed unravels this paradox Based on historical archives interviews and original survey evidence Kristin Goss suggests that the gun control campaign has been stymied by a combination of factors including the inability to secure patronage resources the difficulties in articulating a message that would resonate with supporters and strategic decisions made in the name of effective policy The power of the so called gun lobby has played an important role in hobbling the gun control campaign but that is not the entire story Instead of pursuing a strategy of incremental change on the local and state levels gun control advocates have sought national policies Some 40% of state gun control laws predate the 1970s and the gun lobby has systematically weakened even these longstanding restrictions A compelling and engagingly written look at one of America s most divisive political issues Disarmed illuminates the organizational historical and policy related factors that constrain mass mobilization and brings into sharp relief the agonizing dilemmas faced by advocates of gun control and other issues in the United States
