

Lord of the Flies – Chapter 5

In chapter five of Lord of the Flies, some key differences emerge between Ralph's priorities and Jack's priorities. Explore how Ralph would like the group to function and how Jack would like the group to function.

Explain Ralph's vision of what the group's goals should be and how they should work based on the text and your interpretation of Ralph's leadership.

Explain Jack's vision of what the group's goals should be and how they should work based on the text and your interpretation of Jack's leadership.

Explain how their leadership goals are different and/or similar: _____

Now, based on their differences and any **foreshadowing** you may have noticed, **predict** how their conflict will grow and what the consequences may be:

Literature in the Language Classroom Joanne Collie, Stephen Slater, 1987-12-17 A variety of imaginative techniques for integrating literature work with language learning **Lord of the Flies**, 2011-03 **Literacy and Learning in the Content Areas** Sharon Kane, 2017-07-05 The 3rd Edition of *Literacy Learning in the Content Areas* helps readers build the knowledge motivation tools and confidence they need as they integrate literacy into their middle and high school content area classrooms Its unique approach to teaching content area literacy actively engages preservice and practicing teachers in reading and writing and the very activities that they will use to teach literacy to their own students in middle and high school classrooms Rather than passively learning about strategies for incorporating content area literacy activities readers get hands on experience in such techniques as mapping webbing anticipation guides booktalks class websites and journal writing and reflection Readers also learn how to integrate children s and young adult literature primary sources biographies essays poetry and online content communities and websites into their classrooms Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students content area learning Author Sharon Kane demonstrates how relevant reading writing speaking listening and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks *Advanced Pre-Med Studies Parent Lesson Plan*, 2013-08-01 *Advanced Pre Med Studies Course Description Semester 1* From surgery to vaccines man has made great strides in the field of medicine Quality of life has improved dramatically in the last few decades alone and the future is bright But students must not forget that God provided humans with minds and resources to bring about these advances A biblical perspective of healing and the use of medicine provides the best foundation for treating diseases and injury In *Exploring the History of Medicine* author John Hudson Tiner reveals the spectacular discoveries that started with men and women who used their abilities to better mankind and give glory to God The fascinating history of medicine comes alive in this book providing students with a healthy dose of facts mini biographies and vintage illustrations It seems that a new and more terrible disease is touted on the news almost daily The spread of these scary diseases from bird flu to SARS to AIDS is a cause for concern and leads to questions such as Where did all these germs come from and how do they fit into a biblical world view What kind of function did these microbes have before the Fall Does antibiotic resistance in bacteria prove evolution How can something so small have such a huge deadly impact on the world around us Professor Alan Gillen sheds light on these and many other questions in *The Genesis of Germs* He shows how these constantly mutating diseases are proof for devolution rather than evolution and how all of these germs fit into a biblical world view Dr Gillen shows how germs are symptomatic of the literal Fall and Curse of creation as a result of man s sin and the hope we have in the coming of Jesus Christ Semester 2 *Body by Design* defines the basic anatomy and physiology in each of 11 body systems from a creationist viewpoint Every chapter explores the wonder beauty and creation of the human body giving evidence for creation while

exposing faulty evolutionist reasoning Special explorations into each body system look closely at disease aspects current events and discoveries while profiling the classic and contemporary scientists and physicians who have made remarkable breakthroughs in studies of the different areas of the human body Within Building Blocks in Life Science you will discover exceptional insights and clarity to patterns of order in living things including the promise of healing and new birth in Christ Study numerous ways to refute the evolutionary worldview that life simply evolved by chance over millions of years The evolutionary worldview can be found filtered through every topic at every age level in our society It has become the overwhelmingly accepted paradigm for the origins of life as taught in all secular institutions This dynamic education resource helps young people not only learn science from a biblical perspective but also helps them know how to defend their faith in the process
