Strategic Newspaper Management Conrad C. Fink,1988 The time is right for bright aggressive newspaper managers to influence and prosper but bleak indeed for those newspapers whose managers lack the requisite knowledge Using case studies and examples from the business Fink shows why some newspapers change with the times and surge ahead and why some continue to publish to an eroding market base and fail The difference between success and failure he concludes is in long range planning and in daily operating methodology in simply the professionalism of management at all levels
