Managing Business and Professional Communication Carley H. Dodd, 2008 Business and Professional Communication provides the reader with the strategies they need to effectively manage communication challenges in the workplace Tailoring relevant communication concepts to the unique demands of the workplace environment Business and Professional Communications surpasses the coverage of traditional communication books to address the most recent surveys of expected workplace competencies exhibiting leadership managing organizational culture communication style differences and conflict dealing with difficult people improving diversity and intercultural communication and interviewing selling and negotiating successfully Business and Professional Communication not only prepares the reader for relevant informative and persuasive public presentations in the workplace but also prepares them for managing cultural diversity sales customer service audits briefings reports team building and other communication proficiencies vital for success in the modern workplace

Managing Business and Professional Communication Carley H. Dodd, 2004 Backcover Copy Baldwin Dodd 0205348068 0205335268 4806L3526L Business and Professional Communication provides students with the strategies they need to effectively manage communication challenges in the workplace Tailoring communication theory to the unique demands of the business environment this book goes beyond the traditional business communication text's coverage to also include coverage of conflict styles negotiation managing organizational culture helping with cultural diversity dealing with difficult people and managing communication style differences The book prepares students for presentations in the workplace as well as for sales communication customer service communication communication audits briefing report communication and other previously overlooked areas that are vital for success in the modern workplace Communication Theories for Everyday Life introduces readers to the complexities of theories in communication studies mass communication and public relations emphasizing their connection to everyday life Instead of utilizing a theory a day approach this text cuts across content areas and clusters related theories making them easier for readers to process and apply to real life situations Communication Theories for Everyday Life also addresses theories in emerging areas and growing fields such as media research organizational communication and computer mediated communication while still featuring the traditional theories that always have defined the field Features Puts theory into action with real world cases and critical incidents providing opportunities for application problem solving and insight into the everyday workplace Contextualizes theory with an introductory chapter in each of the main content areas that introduces the theories and research in the field showing students how the theories developed Prepares students for most entry level and mid management positions with sections on customer relations communication and sales and marketing presentations Features new theories and subject areas not present in most traditional communication theory textbooks including new interactive technologies feminist scholarship British cultural studies semiotics postmodernism and critical race theory Examines the importance of cultural diversity

awareness in business providing a framework to better understand one's co-workers increasing satisfaction and productivity in the workplace Emphasizes the application of some theories across many subject areas through headings in the form of questions that encourage students to process material and explore for themselves how theories and content apply to their lives Includes strong coverage of conflict in the workplace and conflict management opportunities offering insight and skills to help students heighten performance and problem solving on the job Uses case study chapters that demonstrate to students how each subject area would use theory to solve or understand issues in everyday life Updates the traditional coverage of resume writing by showing students how to create professional looking electronic and scannable resumes Reviews theories for the three main genres of communication communication studies mass communication and public relations with balanced coverage examining the unique contributions each area has made to the field of communication as a whole Page 1 of 1

Business and Corporate Integrity Robert C. Chandler, 2014-03-10 There is a crisis of trustworthiness in business and corporate integrity This book identifies the specific actions to create and sustain integrity in businesses and corporations steps that can restore the public's trust and confidence as well as improve company performance Business and Corporate Integrity Sustaining Organizational Compliance Ethics and Trust addresses a critical contemporary topic of wide public concern from a pragmatic solution oriented perspective Offering insights from world class scholars and a range of subject matter experts this accessible two volume work defines the nature of corporate integrity and business ethics in the current climate of scandals and an increasingly skeptical public allowing readers to fully understand the importance of the subject In addition it uniquely provides practical methods tactics and tools to effectively address issues of integrity in the organizational environment The first volume of the series contains contributed chapters that address the foundational approaches for ethics and integrity in the business world The second volume presents practical ways to assess and enhance integrity and encourage ethical behavior in corporations businesses and other organizations All companies regardless of size or financial clout need to avoid the significant consequences of ethical misconduct and illegal behavior by their employees and managers which can result in erosion of public trust customer loyalty investor confidence and employee morale not to mention debilitating fines and criminal indictments This book identifies the key mindset and values that should guide decision making for businesspeople every day

Arguments and Arguing Thomas A. Hollihan, Kevin T. Baaske, 2015-11-17 The latest edition of Arguments and Arguing contains the same balance of theory and practice breadth of coverage current and relevant examples and accessible writing style that made previous editions so popular in hundreds of classrooms The authors draw from classic and recent argumentation theory and research contextualized with well chosen examples to showcase a narrative style of argumentation and the values and attitudes of audiences Readers learn how to employ both formal and informal argumentative strategies in an array of communication forums from interpersonal interactions to academic debate to politics to business A newly added chapter on visual argumentation and a striking color photo insert demonstrate the value

and power of visual elements in the construction of arguments The ability to argue is necessary if people are to solve problems resolve conflicts and evaluate alternative courses of action While many are taught that arguing is counterproductive and arguments should be avoided Hollihan and Baaske illustrate that arguing is an essential and fundamental human activity Learning the art of effective argumentation entails a grasp of not only the strategies and principles of analysis and logical reasoning but also the importance of arguing in a positive and socially constructive fashion

Managing Business & Professional Communication Carley H. Dodd, 2012 This is the eBook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book Business and Professional Communication engages the reader with the most current strategies needed to effectively manage workplace communication challenges Noted as a complete text matching the unique demands of the workplace environment to student competencies Business and Professional Communication surpasses the coverage of traditional communication books by addressing the recent surveys of expected workplace competencies exhib

Managing the Communication-public Relations Function for National Business and Professional Associations Robert Joseph Truscello, 1973
