Asian Perceptions of Gulf Security Li-Chen Sim, Jonathan Fulton, 2022-11-28 Gulf stability is coming to play a larger role in the foreign policy calculus of many states but the evolving role of Asian powers is largely under represented in the International Relations literature This volume addresses this gap with a set of empirically rich theory driven case studies written by academics from or based in the countries in question The underlying assumption is not that Asian powers have already become important security actors in the Gulf but rather that they perceive the Gulf as a region of increasing strategic relevance How will leaders in these countries adjust to an evolving regional framework Will there be coordinated efforts to

establish an Asian centered approach to Gulf stability or will Asian rivalries make the region a theater of competition Will US China tensions force alignment choices among Asian powers Will Asian states balance bandwagon hedge or adopt some other approach to their Gulf relationships These questions become even more important as the western boundaries of Asia increasingly come to incorporate the Middle East The book will appeal to scholars and students in the fields of International Relations Security Studies and International Political Economy as well as area specialists on the Gulf and those working on foreign policy issues on each of the Asian countries included Professionals in government and non government agencies will also find it very useful The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Adolescent Psychology in Today's World Michael J. Nakkula, Andrew J. Schneider-Muñoz, 2018-11-02 This groundbreaking three volume set spotlights how conditions around the world are affecting the healthy development of adolescents in their respective environments on all six continents Continually unstable or perpetually poor economic conditions globalization and rapid technological change are just three of the forces affecting a group of 1.2 billion strong today a demographic poised to become our world leaders and catalysts in the not too distant future the world's adolescents Led by two editors who have been dedicated to studying adolescent development worldwide for decades this novel collection of works from contributors in more than 40 countries emphasizes how possibilities for healthy mental and physical development are affected by the difficulties youths face in their countries and how these challenges have shaped and are shaping contemporary teenage life today The set comprehensively addresses issues for adolescents across the globe such as the day to day challenges of poverty inadequate education violence or war

disease reproductive matters globalization and technological challenges and more while also providing a strengths based focus in the volumes showing how and why some teenagers in each country have surmounted the challenges and forged stronger characters to better their worlds These stories document more than personal victories and their experiences matter to far more than the adolescents themselves In its State of the World s Children 2011 report UNICEF noted that the world community needs to turn its attention to adolescents in need explaining that focusing on this large and potentially powerful group makes economic sense as well as being a necessary step in working towards achieving human justice By addressing the risks challenges and strengths of teenagers as a group in countries worldwide this work serves to break the cycle of poverty violence discrimination and death for adolescents

Congress and Indian Nationalism Richard Sisson, Stanley Wolpert, 2018-04-20 Seventeen distinguished historians and political scientists discuss the phenomenon of Indian Nationalism one hundred years after the founding of the Congress party They offer important new interpretations of Nationalism s evolution during more than six decades of crucial change and rapid growth As India s foremost political institution the National Congress with its changing fortunes mirrored Indian aspirations ideals dreams and failures during the country s struggle for nationhood Many difficulties face by the pre independence Indian National Congress are critically examined for the first time in this volume Major times of crisis and transition are considered as well as the tension between mass action and political control and the problem of creating and maintaining unity in the face of divisive social and economic interests and between deeply hostile religious communities A composite portrait of the Congress Party emerges We see a coalition of often conflicting communities and interests much like India itself struggling to stay together tenuously united by little more at times than a common enemy the imperial British Raj But linked together in precarious seemingly haphazard fashion shifting networks of elite political entrepreneurs manage to keep India s National Congress alive long enough to convince the British that it would be easier to Quit India than to try to hang on to it by force With the abrupt transfer of power from the British to the independent Dominions of India and Pakistan in 1947 Congress provided institutional sinews for the administration of what had been British India and over five hundred Princely States By contributing to a deeper understanding of India s nationalist experience this volume may illuminate the experience of other Third World states Essays by S Bhattacharya Judith M Brown Mushirul Hansan Zoya Hasan D A Low Claude Markovits John R McLane W H Morris Jones Gyanendra Pandey Bimal Prasad Rajat Kanta Ray Barbara N Ramusack Peter D Reeves Hitesranjan Sanyal Richard Sisson Stanley Wolpert Eleanor Zelliot This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1988

The Wrong Enemy Carlotta Gall, 2014-04-08 A journalist with deep knowledge of the region provides an enthralling and largely firsthand account of the war in

Afghanistan Financial Times Few reporters know as much about Afghanistan as Carlotta Gall She was there in the 1990s after the Russians were driven out She witnessed the early flourishing of radical Islam imported from abroad which caused so much local suffering She was there right after 9 11 when US special forces helped the Northern Alliance drive the Taliban out of the north and then the south fighting pitched battles and causing their enemies to flee underground and into Pakistan Gall knows just how much this war has cost the Afghan people and just how much damage can be traced to Pakistan and its duplicitous government and intelligence forces Combining searing personal accounts of battles and betrayals with moving portraits of the ordinary Afghans who were caught up in the conflict for more than a decade *The Wrong Enemy* is a sweeping account of a war brought by American leaders against an enemy they barely understood and could not truly engage *The Fierce Country* Stephen Orr, 2018-06-28 *The Fierce Country* holds no malice but neither pity It just sits and bakes and waits We do the rest We provoke it when we mine above its aquifers Weaken it and ourselves when we leave mountains of asbestos to blow away in the wind Misunderstand it when we see it as nothing more than a resource Resent it when it takes our children The open spaces and isolated places outside Australia's cities have unsettled us from first European settlement to today often with very good reason In this nail biting book combining the notorious and little known acclaimed author Stephen Orr has collected true stories that have shaped and continue to haunt the Australian psyche mysteries disappearances mistreatment and murder Fatal conflicts between an Aboriginal tracker and the police employers hunting his community An itinerant conman picking up tips for the perfect murder from a famous novelist around a campfire on the Rabbit Proof Fence And that fateful day when Peter Falconio pulled over beside a desert highway Together these tales chart an undercurrent of shifting cultural tensions as Australians find lose and question who we are
