Journalism For B A In Urdu:

Media, War and Terrorism Shoma Munshi, Peter van der Veer, 2004-07-31 This collection of essays covers the media and public debate dimension of the events of 9 11 and beyond from the point of view of Middle Eastern and Asian countries The first part of the book deals with the use of the media as an instrument of warfare the growing significance of religion the emergence of transnational media and a transnational public sphere and the relationship between the West and the rest of the world The second part of the book contains nine case studies relating to different parts of the Middle East and Asian world all with a strong empirical focus while at the same time elaborating the book's theoretical concerns

Mass Media in India 1992 Publications Division, 2017-09-15 This book gives a fair picture of the Mass Media as it operates at national level down to the grassroots level where DFP's network operates shoulder to shoulder with rural masses in the area of interpersonal communication The whole volume has been divided into five chapters comprising articles by veteran practitioners of mass media of various shades

Possibility of Politics in India Akshat Jain, 2025-09-01 This book is an attempt to find new ways of interdisciplinary theorisation about this moment when both the unitary idea of the Indian nation and the bureaucratic dream of a centralised Indian state are falling apart At this juncture the Indian state has two choices Either it can recognise the political nature of the struggles confronting it and radically re-imagine itself or it can wage a losing war against the democratic aspirations of people It is essential that political movements in the subcontinent let go of their differences and organise together to agitate for modernisation By bringing these disparate struggles together this book explores the possibility of an alliance between them such that they are able to inform each other against a colonial state Taken together this book is thus an experiment in politics rather than being about specific events The chapters in this book were originally published in various Taylor Francis journals
