Joyce Meyer Ministries Store Managing Your Emotions:

Managing Your Emotions Joyce Meyer, 2023-10-10 Learn to rule your emotions before they rule you with 1 New York Times bestselling author and renowned Bible teacher Joyce Meyer The highs and lows of life bring many challenges and our feelings want to swing accordingly like an emotional roller coaster taking us from one extreme to another throughout the day if we let them Our emotions serve a purpose but if we allow them to dictate how we choose to act we lose our peace and stability which only leads to confusion anxiety anger and a host of other unhealthy attitudes It s a dangerous way to live and can cause us to make bad decisions that impact ourselves and others But it doesn t have to be this way The Bible contains wisdom to help you learn to manage your emotions each day no matter what challenges life brings your way And with this 90 day devotional you ll discover how to take charge of those fickle feelings before they take charge of you *Living Beyond Your Feelings* Joyce Meyer, 2011-09-06 The average person has 70 000 thoughts every day and many of those thoughts trigger a corresponding emotion No wonder so many of us often feel like we re controlled by our emotions Our lives would be much improved if we controlled them In *LIVING BEYOND YOUR FEELINGS* Joyce Meyer examines the gamut of feelings that human beings experience She discusses the way that the brain processes and stores memories and thoughts and then emotion by emotion she explains how we can manage our reactions to those emotions By doing that she gives the reader a toolbox for managing the way we react to the onslaught of feelings that can wreak havoc on our lives In this book Meyer blends the wisdom of the Bible with the latest psychological research and discusses the 4 personality types and their influence on one s outlook the impact of stress on physical and emotional health the power of memories the influence of words on emotions anger resentment sadness loss grief fear guilt regret the power of replacing reactions with pro actions and the benefits of happiness Christian Churches and Nigeria's Political Economy of Oil and Conflict Nkem Emerald Osuigwe, 2014-09-18 The received account on African evangelical Christianity regarding social witness in a section of Western scholarship is that it is anti development and a political Such an account heavily draws from an instrumentalist and functionalist assessment of such Christianity without recourse to its emic perspective Using the case study method this book presents an ethnographic examination of this functionalist reading by investigating describing and analysing evangelical Christian theological and socio political consciousness within the context of oil and conflict in Nigeria s Niger Delta region Adopting approaches from practical theology congregational studies and anthropology of religion the author challenges such a reading using data gathered from three congregations in the region His discourse revolves around answers to the following four critical questions What are the underlying theological issues and beliefs of Nigerian evangelical Christians within the context of oil and conflict What is their prevalent praxis within the context of Nigeria s political economy of oil and conflict How accurate is the received account that African evangelical and fundamentalist Christianity lacks social responsibility and is a political and anti development What would a contextual political theology for Nigeria s political economy of oil look like

The theological issues are varied and the prevalent praxis nuanced which then serves as a veritable critique of the claim that African evangelical Christianity lacks social responsibility due to its preoccupation with soul winning Whereas such Christianity places much emphasis on the winning of souls as an expression of its spirituality it is neither oblivious nor indifferent to its socio political milieu Rather it sees such spirituality as a form of political praxis Some of the trajectories of the spirituality include a theology of conversion a theology of prayer and an ethics of crude oil with Total Freedom as the nomenclature for the specific theological perspective offered for Nigeria s political economy of oil While locating this theological perspective within the taxonomy of Liberation Theology the affinity and dissonance between the two are identified
