Kaizen For Small Business How To Gain And Maintain A Competitive Edge By Applying The Japanese Philosophy Of Kaizen To Your Small Business:

Kaizen for Small Business Kato Nelson, 2015-06-19 Starting a small business is a dream for most people but if you don't know what you're doing then you can end up with a nightmare on your hands instead. A business is like a machine and in order for it to function properly and deliver the results you want it needs to be programmed correctly. Kaizen is a philosophy in Japanese business culture that has brought financial success to many companies in Japan. This Kaizen method of running a business relies on the core value of improvement above all else not as individuals but as a company. If you have a small business or are in the process of starting one then it's smart to consider introducing the philosophy of Kaizen into your company's culture and work ethic. This book is designed to explain the fundamental principles behind Kaizen and also provide you with step by step methods for implementation. Be prepared though that Kaizen will be completely different from other business philosophies you may be familiar with and drastic though positive changes will occur within the company. If you're ready to explore the idea of changing your business and gaining an edge over your competition for the long term then let's get started.
