Kenneth Hagin Learning To Forget:

Learning to Forget Kenneth E. Hagin, 1985-06 A basic ingredient necessary for success in Christian life and ministry is learning to forgive and to forget *Two Paradigms for Divine Healing* Pavel Hejzlar, 2009-11-23 The doctrine and practice of healing through faith has been a hallmark of Pentecostalism since its inception and helps to account for the widespread appeal of the movement While divine healing as it is called by insiders has brought hope to the sick it has also been a source of disenchantment and controversy The present study offers a close look at the teaching of four major ministers of healing in the twentieth century United States The author distinguishes between the healing evangelists and pastoral ministers of healing who react to them This book discusses in detail the merits of both schools and the author proposes a solution to the problems inherent in the two paradigms under scrutiny *Milestones* Cynthia Almaraz, 2010-04 MILESTONES THE BUILDING BLOCKS OF OUR LIVES They make us who we are and who we become A Milestone is a great achievement in life that cannot be forgotten One way that will be accomplished is by saying goodbye to the past and hello to the future No one ever successfully drives forward looking in the rear view mirror This in itself is a major accomplishment Letting go of what is behind of the old life and pressing forward and walking into what lies ahead in Christ Jesus Some typical examples of milestones are when one learns how to drive graduates from school leaves home for the first time marriage a first child a first job getting saved and for some it could even mean the first day sober There are three components that make up Milestones the spoken Word of God the empowerment of the Holy Spirit and substituting thinking changing the way we think This workbook will not just help you to take the right steps towards lasting recovery from addictions but it will create crucial landmarks in your life's journey So that you will become full of God's faith and power to venture on into your destiny Milestones can be used for individual or group growth Some may just want to work it alone as a personal reflection tool to solidify their faith But most will benefit from working it together in a support setting where the Milestones can be discussed in depth People who are in codependent relationships will benefit from Milestones too This book also contains information how to set up a faith based recovery program So if you have been searching for a Faith Based Spirit Empowered program that emphasizes the Rhema Word of God then look no further Milestones is here *Seven Steps for Judging Prophecy* Kenneth E.
