The web of war Rasmus Birch Iversen, 2026-01-15 This publication presents a unique study investigating the complex weapon culture of the Iron Age in Northern and Central Europe The study is based on a comprehensive corpus of 2 000 weapon graves covering the period from 200 BCE to 400 CE and sheds light on the development of weaponry the dynamics of warfare and the exchange of technology across the region The book contributes a new understanding of the intricate interplay of factors that influenced the development and spread of weapons during a bloody era which is otherwise only one sidedly and unreliably illuminated by contemporary Roman sources It is the first coherent study of Iron Age weapon culture since Martin Jahn s *Die Bewaffnung der Germanen* 1916 and the first ever analysis of the period s weapon chronology using correspondence analysis for all the regions collectively referred to by the Romans as Germania The book also presents a new typology and chronology for Roman swords as well as a new chronology for the Roman imports of bronze objects and glass deposited in graves north of the Roman frontier Published in cooperation with Museum West

Memory, Conflict and New Media Ellen Rutten, Julie Fedor, Vera Zvereva, 2013-04-12 This book examines the online memory wars in post Soviet states where political conflicts take the shape of heated debates about the recent past and especially World War II and Soviet socialism To this day former socialist states face the challenge of constructing national identities producing national memories and relating to the Soviet legacy Their pasts are principally intertwined changing readings of history in one country generate fierce reactions in others In this transnational memory war digital media form a pivotal discursive space one that provides speakers with radically new commemorative tools Uniting contributions by leading scholars in the field *Memory Conflict and New Media* is the first book length publication to analyse how new media serve as a site of political and national identity building in post socialist states The book also examines how the construction of online identity is irreversibly affected by thinking about the past in this geopolitical domain By highlighting post socialist memory s digital mediations and digital memory s transcultural scope the volume succeeds in a twofold aim to deepen and refine both post socialist memory theory and digital memory studies This book will be of much interest to students of media studies post Soviet studies Eastern European Politics memory studies and International Relations in general

CALL Dimensions Mike Levy, Glenn Stockwell, 2013-04-15 This volume gives language teachers software designers and researchers who wish to use technology in second or foreign language education the information they need to absorb what has been achieved so far and to make sense of it It is designed to enable the kind of critical reading of a substantial literature that leads to a balanced and detailed knowledge of the field Chapter by chapter the book builds through description analysis examples and discussion a detailed picture of modern CALL In this book the label CALL is interpreted broadly to include technology enhanced language learning Web enhanced language learning and information and communication technologies for language learning The work is distinguished by its attention to a range of languages rather

than just English The authors first set the scene and introduce major areas of interest and growth in CALL and then look in depth at seven important dimensions design evaluation computer mediated communication theory research practice and technology Chapters on each of these topics include a description that reviews the recent literature identifies themes and presents representative projects that illustrate the dimension followed by a discussion that provides in depth analysis and a conclusion offering suggestions for further work Detailed references and links connect the description and discussion with original works and primary sources so the reader can follow up easily on areas of personal interest Two concluding chapters discuss how the various dimensions might be brought together the first from a practical point of view the second with a view to the development of CALL as a whole

Difficult Heritage Sharon Macdonald, 2010-10-04 How does a city and a nation deal with a legacy of perpetrating atrocity How are contemporary identities negotiated and shaped in the face of concrete reminders of a past that most wish they did not have Focusing on the case of Nuremberg this text explores these questions and their implications

Language Contact. Volume 2 Jeroen Darquennes, Joseph C. Salmons, Wim Vandebussche, 2025-04-21 Targeting a full range of students and scholars this volume provides a total of 50 chapters illustrating the linguistic dynamics and the dynamics of inter individual and societal language contact as well as the dynamics of multidisciplinary language contact studies Fueled by a wealth of data from a rich variety of contact situations its geographically balanced case studies are governed by the triangulation between a focus on language structure and change a sincere drive of sociopolitical and academic agency and the confrontation with an everyday reality that can be unkind to and ignorant of those two factors The volume clearly demonstrates the social relevance of our trade in a time burdened with ecolinguistic challenges

Adopting the Beat of Appearance: An Mental Symphony within **Kontakte 7th Edition Website**

In some sort of consumed by screens and the ceaseless chatter of quick conversation, the melodic splendor and mental symphony developed by the written term frequently diminish in to the background, eclipsed by the persistent sound and distractions that permeate our lives. Nevertheless, located within the pages of **Kontakte 7th Edition Website** a marvelous literary treasure filled with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that interesting masterpiece conducts visitors on a psychological journey, skillfully unraveling the hidden melodies and profound affect resonating within each carefully crafted phrase. Within the depths of the touching evaluation, we shall examine the book is main harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
