Meaning Keith Ward,2017-07-20 Jesus teaching has changed the world Yet his sayings can often seem cryptic and hard to understand In *Love Is His Meaning* Keith Ward explores the various figures of speech and images that Jesus used and finds they are all ways of expressing and evoking the self giving love of God manifested supremely in Jesus life They communicate spiritual truths often not in a literal but in a poetic way They encourage us to take our own moral decisions with sensitivity and care for others They show that God s love will never abandon anyone and that it extends to everyone in the world without exception And they promise a fulfilment of our hopes for a just and peaceable world that surpasses anything we might describe or imagine Putting aside literalist authoritarian legalistic judgemental and divisive presentations of Jesus teachings the author shows that what remains is the gospel of a divine love a love stronger than death and the only power that can and will redeem our disordered world SCLC ,1998 **Jesus and the Gospel** James Denney,1909 *The School Librarian*

Dickerson, 2021-02-02 If you asked a millennial or younger person in your church What do I need to believe to be a Christian what would they say At a time when truth is up for grabs a journalist turned pastor wants to help believers understand what they believe How By using the simple lyrics Jesus loves me this I know for the Bible tells me so In this winsome book bestselling author John S Dickerson clearly and faithfully explains essential Christian beliefs using simple stories that have resonated with his congregation of thousands He guides readers into these basic beliefs and most importantly he illustrates why these beliefs matter The result is an easy to read primer designed for a time when Christianity is questioned and challenged It is a great study for young adults new believers and long time believers who want to reclaim the essentials For anyone who wants their small group church or loved ones to embrace the authority of Scripture and the nonnegotiable doctrines of Christianity What does it mean to be a genuine Jesus follower in an age when most people including many self described Christians believe that God is well pleased with a life lived in alignment with a designer faith of their own making In Jesus Loves Me John Dickerson answers that question with a

deep dive into the simple but profound gospel that Jesus taught as the only kind of faith the Heavenly Father would be well pleased with As Dickerson points out we can't be true Jesus followers if we don't know who He is or what He said and never bother to actually live like He told us to live Whether you are a brand new Jesus follower or a longtime veteran this book will help you nail down the basics of what it means to genuinely know and follow Jesus Larry Osborne author and pastor North Coast Church Most Christians would tell you they believe the Bible to be God's Word And yet many of those same Christians could not even articulate what the core beliefs are to the Christian faith In Jesus Loves Me John Dickerson does a great job of helping believers understand the basic teachings of Scripture This is a great resource for any Christian who needs to build a stronger foundation to their faith Steve Poe lead pastor of Northview Church Carmel Indiana
