## **Killing The Black Body Chapter Summary:**

**Summary of Dorothy E. Roberts's Killing the Black Body** Everest Media,2022-05-04T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The control of Black women s reproductive lives began with the experiences of slave women like Rose Williams Their childbearing replenished the enslaved labor force and their procreation was largely a result of oppression rather than self definition 2 The control of slave women s reproduction is a great example of the importance of reproductive liberty to women s equality The harms of treating women s wombs as procreative vessels policies that pit a mother s welfare against that of her unborn child and government manipulation of women s childbearing decisions all come from the denial of reproductive liberty 3 The essence of Black women s experience during slavery was the denial of autonomy over reproduction Female slaves were commercially valuable to their masters not only for their labor but also for their ability to produce more slaves 4 Slaveholders used many methods to increase the fertility of their female slaves from giving them presents to manipulating their marital choices Women who did not produce children were often sold off or worse The Elsewhere Is Black Marisa Solomon,2025-08-22 Tracing the flow of trash and waste from Brooklyn s poor Black neighborhood of Bedford Stuyvesant to the post plantation towns of Virginia s Tidewater Marisa Solomon examines how waste is a mundane part of poor Black survival and a condition of racial capitalism

**Punishing the Black Body** Dawn P. Harris,2017 Punishing the Black Body examines the punitive and disciplinary technologies and ideologies embraced by ruling white elites in nineteenth century Barbados and Jamaica Among studies of the Caribbean on similar topics this is the first to look at the meanings inscribed on the raced gendered and classed bodies on the receiving end of punishment Dawn P Harris uses theories of the body to detail the ways colonial states and their agents appropriated physicality to debase the black body assert the inviolability of the white body and demarcate the social boundaries between them Noting marked demographic and geographic differences between Jamaica and Barbados as well as any number of changes within the separate economic political and social trajectories of each island Harris still finds that societal infractions by the subaltern populations of both islands brought on draconian forms of punishments aimed at maintaining the socio racial hierarchy Her investigation ranges across such topics as hair cropping the 1836 Emigration Act of Barbados and other punitive legislation the state reprisals following the 1865 Morant Bay Rebellion in Jamaica the use of the whip and the treadmill in jails and houses of correction and methods of surveillance policing and limiting free movement By focusing on meanings ascribed to the disciplined and punished body Harris reminds us that the transitions between slavery apprenticeship and post emancipation were not just a series of abstract phenomena signaling shifts in the prevailing order of things For a large part of these islands populations these times of dramatic change were physically felt *The Unfit Heiress* Audrey Clare Farley,2021-04-20 NAMED A BEST BOOK OF 2021 BY THE NEW YORK POST AND BOOK RIOT NAMED A BEST TRUE CRIME BOOK OF 2021 BY CRIMEREADS For readers of The Immortal Life of Henrietta Lacks and

The Phantom of Fifth Avenue a sensational story told with nuance and humanity Susannah Cahalan 1 New York Times bestselling author about the sordid court battle between Ann Cooper Hewitt and her socialite mother At the turn of the twentieth century emboldened American women began to seek passion and livelihood outside the home This alarmed authorities who feared over sexed women could destroy civilization either by crossing the color line or passing their evident defects on to their children Set against this backdrop The Unfit Heiress chronicles the fight for inheritance between Ann Cooper Hewitt and her socialite mother Maryon who had her daughter sterilized without her knowledge A sensational court case ensued and powerful eugenicists saw an opportunity to restrict reproductive rights in America for decades to come This riveting story unfolds through the brilliant research of Audrey Clare Farley who captures the interior lives of these women on the pages and poses questions that remain relevant today What does it mean to be unfit for motherhood How do racial anxieties continue to influence who does and does not reproduce In the battle for reproductive rights can we forgive those who side against us And can we forgive our mothers if they are the ones who inflict the deepest wounds War on the Family Renny Golden,2013-10-18 In this timely book renowned criminologist and activist Renny Golden sheds light on the women behind bars and the 350 000 children they leave behind In exposing the fastest growing prison population a direct result of Reagan s War on Drugs Golden sets up new framework for thinking about how to address the situation of mothers in prison the risks and needs of their children and the implications of current judicial policies **Marital Privilege** Serena Mayeri,2025-07-08 How the privileged legal status of marriage survived decades of constitutional struggle and social change The United States is unusual among wealthy western nations in the degree to which the law channels public benefits and private economic resources through marriage This remains so despite seismic changes in American family life in the last several decades of the twentieth century During this period marriage rates declined while divorce and nonmarital childbearing soared Social movements for racial and economic justice women s and gay rights and liberation civil liberties and reproductive freedom transformed the legal landscape In Marital Privilege Serena Mayeri tells the stories of parents and partners and activists and lawyers who challenged the legal primacy of marriage They made innovative constitutional claims in courts and launched grassroots efforts to change laws and practices that penalized nonmarital relationships But even though reforms eliminated the most visible discrimination against women people of color and children born to unmarried parents and eventually against gay and lesbian Americans marriage s privileged status endured Because marriage increasingly correlated with education and wealth marital primacy intensified racial and economic inequality Marital Privilege explains how as American law selectively incorporated principles of liberty and equality the benefits of marriage became increasingly unavailable to those who needed them most *Abortion and Social Responsibility* Laurie Shrage,2003-01-16 Shrage argues that Roe v Wade s regulatory scheme of a six month time span for abortion on demand polarized the public and obscured alternatives with potentially broader support She explores the origins of that scheme then

defends an alternate one with a time span shorter than 6 months for non therapeutic abortions that could win broad support needed to make legal abortion services available to all women      **Living Off the Government?** Anne M. Whitesell,2024-11-19 Explores the ways welfare recipients lack adequate political representation Who deserves public assistance from the government This age old question has been revived by policymakers pundits and activists following the massive economic impact of the COVID 19 pandemic Anne Whitesell takes up this timely debate showing us how our welfare system in its current state fails the people it is designed to serve From debates over stimulus check eligibility to the uncertain future of unemployment benefits *Living Off the Government* tackles it all Examining welfare rules across eight different states as well as 19 000 state and local interest groups Whitesell shows how we determine who is and who isn't deserving of government assistance She explores racial and gender stereotypes surrounding welfare recipients particularly Black women and mothers how different groups take advantage of these harmful stereotypes to push their own political agendas and how the interests and needs of welfare recipients are inadequately represented as a result *Living Off the Government* highlights how harmful stereotypes about the race gender and class of welfare recipients filter into our highly polarized political arena to shape public policy Whitesell calls out a system that she believes serves special interests and not the interests of low income Americans      **Get It Out** Andréa Becker,2025-07-15 *Get It Out* explores what it means to have a hysterectomy in a culture that devalues the uterus and the people who have them Using a trans inclusive reproductive justice approach this book explores how all reproductive choices at their core are unchoosable as they are constrained by interlocking systems of inequality Provided by publisher      **Necropolitics** Christophe D. Ringer,2020-11-17 *Necropolitics* The Religious Crisis of Mass Incarceration in America explores the pernicious and persistent presence of mass incarceration in American public life Christophe D Ringer argues that mass incarceration persists largely because the othering and criminalization of Black people in times of crisis is a significant part of the religious meaning of America This book traces representations from the Puritan era to the beginning of the War on Drugs in the 1980s to demonstrate their centrality in this issue revealing how these images have become accepted as fact and used by various aspects of governance to wield the power to punish indiscriminately Ringer demonstrates how these vilifying images contribute to racism and political economy creating a politics of death that uses jails and prisons to conceal social inequalities and political exclusion      **Using Women** Nancy Campbell,2002-12-24 From the 1950s girl junkie to the 1990s crack mom *Using Women* investigates how the cultural representations of women drug users have defined America's drug policies in this century In analyzing the public's continued fear horror and outrage wrought by the specter of women using drugs Nancy Campbell demonstrates the importance that public opinion and popular culture have played in regulating women's lives The book will chronicle the history of women and drug use provide a critical policy analysis of the government's drug policies and offer recommendations for the direction our current drug policies should take *Using Women* includes such chapters as Sex Drugs and Race in the Age of Dope Regulating

Adolescents in the Postwar US Fifties Femininity and Regulating Maternal Instinct *Sex, Sickness, and Slavery* Marli F. Weiner, Mayzie Hough, 2012-06-21 This study of medical treatment in the antebellum South argues that Southern physicians scientific training and practice uniquely entitled them to formulate medical justification for the imbalanced racial hierarchies of the period Challenged with both helping to preserve the slave system by acknowledging and preserving clear distinctions of race and sex and enhancing their own authority with correct medical diagnoses and effective treatment doctors sought to understand bodies that did not necessarily fit into neat dichotomies or agree with suggested treatments Expertly drawing the dynamic tensions during this period in which Southern culture and the demands of slavery often trumped science Weiner explores how doctors struggled with contradictions as medicine became a key arena for debate over the meanings of male and female sick and well black and white North and South

*Color of Violence* INCITE! Women of Color Against Violence INCITE! Women of Color Against Violence, 2016-09-02 The editors and contributors to Color of Violence ask What would it take to end violence against women of color Presenting the fierce and vital writing of organizers lawyers scholars poets and policy makers Color of Violence radically repositions the antiviolence movement by putting women of color at its center The contributors shift the focus from domestic violence and sexual assault and map innovative strategies of movement building and resistance used by women of color around the world The volume s thirty pieces which include poems short essays position papers letters and personal reflections cover violence against women of color in its myriad forms manifestations and settings while identifying the links between gender militarism reproductive and economic violence prisons and policing colonialism and war At a time of heightened state surveillance and repression of people of color Color of Violence is an essential intervention Contributors Dena Al Adeeb Patricia Allard Lina Baroudi Communities Against Rape and Abuse CARA Critical Resistance Sarah Deer Eman Desouky Ana Clarissa Rojas Durazo Dana Erekat Nirmala Erevelles Sylvanna Falc n Rosa Linda Fregoso Emi Koyama Elizabeth Betita Mart nez maina minahal Nadine Naber Stormy Ogden Julia Chinyere Oparah Beth Richie Andrea J Ritchie Dorothy Roberts Loretta J Ross s r Puneet Kaur Chawla Sahota Renee Saucedo Sista II Sista Aishah Simmons Andrea Smith Neferti Tadiar TransJustice Haunani Kay Trask Traci C West Janelle White

**The Bill Gates Problem** Tim Schwab, 2023-11-14 New York Times Editors Choice A powerful investigation of Bill Gates and the Gates Foundation showing how he uses philanthropy to exercise enormous political power without accountability Through his vaunted philanthropy Bill Gates transformed himself from a tech villain into one of the most admired people on the planet Even as divorce proceedings and allegations of misconduct have recently tarnished his public image the beneficence of the Gates Foundation celebrated for spending billions to save lives around the globe is taken as a given But as Tim Schwab shows in this fearless investigation Gates is still exactly who he was at Microsoft a bully and monopolist convinced of his own righteousness and intent on imposing his ideas his solutions and his leadership on everyone else At the core he is not a selfless philanthropist but a power broker a clever engineer who has innovated a way to turn extreme wealth into immense

political influence and who has made us believe we should applaud his acquisition of power not challenge it Piercing the blinding halo that has for too long shielded the world's most powerful and most secretive charitable organization from public scrutiny The Bill Gates Problem shows how Gates's billions have purchased a stunning level of control over public policy private markets scientific research and the news media Whether he is pushing new educational standards in America health reforms in India global vaccine policy during the pandemic or Western industrialized agriculture throughout Africa Gates's heady social experimentation has shown itself to be not only undemocratic but also ineffective In many places Bill Gates is hurting the very people he intends to help No less than dark money campaign contributions or big business political lobbying Bill Gates's philanthropic empire needs to be seen as a problem of money in politics It is a dangerous model of unconstrained power that threatens democracy and demands our attention

### **CliffsNotes on Neihardt's Black Elk Speaks**

Diane Prenatt, 2004-10-28 Black Elk Speaks is the story of Nicholas Black Elk Lakota visionary and healer and his people at the close of the nineteenth century Black Elk grew up in a time when white settlers were invading his homeland slaughtering buffalo herds and threatening the Lakotas way of life Celebrated poet and writer John G Neidhart tells this story of how the Lakotas fought back from the triumph at Little Bighorn to the tragedy at Wounded Knee Black Elk Speaks has been regarded as a collaborative autobiography a history of a Native American nation and a spiritual testament for all humankind This concise supplement to Neihardt's Black Elk Speaks helps students understand the overall structure of the novel actions and motivations of the characters and the social and cultural perspectives of the author

*Summary of James Keene & Hillel Levin's Black Bird* Everest Media, 2022-07-30T23:00:00Z Please note This is a companion version not the original book

Sample Book Insights 1 When Jimmy heard the judge pronounce his sentence he felt like his life was being taken away It was exactly the term that prosecutor Larry Beaumont had recommended and when he went before the bench to make a presentencing statement he told the judge that he knew he did something wrong but not to ruin his whole life 2 Big Jim was a giant of a man and he had the charisma to match He had the macho magnetism that drew both men and women He married one of those women a raven haired beauty named Lynn Brower in 1956 Their son Jimmy was born in 1963 3 When he was fifteen Jimmy began having sex with multiple girls He was always in demand for protection as well as companionship at the wild parties hosted by Kankakee's wealthiest kids 4 As high school students kept approaching Jimmy for dope he started to wonder if it would be such a bad thing to oblige them He began dealing drugs to pay off his rich friends and it quickly became his life's ambition to build a sales network

Race After Technology Ruha Benjamin, 2019-07-09 From everyday apps to complex algorithms Ruha Benjamin cuts through tech industry hype to understand how emerging technologies can reinforce White supremacy and deepen social inequity Benjamin argues that automation far from being a sinister story of racist programmers scheming on the dark web has the potential to hide speed up and deepen discrimination while appearing neutral and even benevolent when compared to the racism of a previous era Presenting the concept of the New Jim Code she

shows how a range of discriminatory designs encode inequity by explicitly amplifying racial hierarchies by ignoring but thereby replicating social divisions or by aiming to fix racial bias but ultimately doing quite the opposite Moreover she makes a compelling case for race itself as a kind of technology designed to stratify and sanctify social injustice in the architecture of everyday life This illuminating guide provides conceptual tools for decoding tech promises with sociologically informed skepticism In doing so it challenges us to question not only the technologies we are sold but also the ones we ourselves manufacture Visit the book's free Discussion Guide [www.dropbox.com](http://www.dropbox.com)

### **The Oxford Handbook of Philosophy and Race**

Naomi Zack, 2017 The Oxford Handbook of Philosophy and Race provides up to date explanation and analyses by leading scholars in African American philosophy and philosophy of race Fifty one original essays cover major topics from intellectual history to contemporary social controversies in this emerging philosophical subfield that supports demographic inclusion and emphasizes cultural relevance

### *Ecology and Management of Black-tailed and Mule Deer of North America* James R.

Heffelfinger, Paul R. Krausman, 2023-04-27 Black tailed and mule deer represent one of the largest distributions of mammals in North America and are symbols of the wide open American West Each chapter in this book was authored by the world's leading experts on that topic Both editors James R Heffelfinger and Paul R Krausman are widely published in the popular and scientific press and recipients of the O C Wallmo Award given every two years to a leading black tailed and mule deer expert who has made significant contributions to the conservation of this species In addition Heffelfinger has chaired the Mule Deer Working Group sponsored by the Western Association of Fish and Wildlife Agencies for more than 15 years This working group consists of the leading black tailed and mule deer experts from each of 24 states provinces and territories in western North America putting them at the forefront of all conservation and much of the research on this species The book represents all current knowledge available on these deer including how changing conditions such as fires habitat alteration and loss disease climate change socio economic forces energy development and other aspects are influencing their distribution and abundance now and into the future It takes a completely fresh look at all chapter topics The revisions of distribution taxonomy evolution behavior and new and exciting work being done in deer nutrition migration and movements diseases predation and human dimensions are all assembled in this volume This book will instantly become the foundation for the latest information and management strategies to be implemented on the ground by practitioners and to inform the public Although this book is about deer the topics discussed influence most terrestrial wildlife worldwide and the basic concepts in many of the chapters are applicable to other species
