Gestures We Live By Lluís Payrató, Ignasi Clemente, 2019-12-16 This book examines emblems or emblematic gestures from a pragmatic view that is to say as autonomous gestures that fulfill communicative functions embody illocutionary values and act as signals of cognitive relevance Emblems are conceived as multimodal tools on the frontier between verbal and nonverbal modes and are part of the communicative repertoire of individuals and sociocultural groups Emblems constitute clear cases of embodiment and are susceptible to many processes of metaphorization contrasting or not with verbal metaphors metonymy and interference between modalities The applications of emblematic analysis are numerous from lexicography to second language learning or to natural language processing Communicating for Success Cheryl M. Hamilton, 2016-07-22 This text focuses student learning on the key communication competencies recommended by the National Communication Association With applied examples and a vibrant and engaging design this text covers all the expected topics in an introductory course foundations of communication interpersonal communication small group communication and public speaking plus a special appendix on interviewing Scenarios begin each chapter with a problem to which students can relate and then solve as they learn about the concepts discussed in each chapter A concentrated focus on careers in communication highlighted in a two page spread near the end of each chapter brings home the relevance of communication outside the classroom and helps students learn more about how studying communication can help them throughout their lives Additional emphasis on topics such as ethics culture gender and technology is found throughout the text **Deliberate De-escalation - The Instructor's Version** Tyrone Campbell, 2025-07-01 Written by retired Detective Tyrone Campbell this comprehensive guidebook draws from over three decades of law enforcement experience to address one of the most critical skills in public safety de escalation The book offers practical field tested methods refined through thousands of hours of in person training sessions It provides public safety professionals with essential strategies for managing high stakes situations effectively

Visual Rhetoric and the Eloquence of Design Leslie Atzmon, 2011-03-11 The essays in VISUAL RHETORIC AND THE ELOQUENCE OF DESIGN foreground the rhetorical functions of design artifacts Rhetoric normally understood as verbal or visual messages that have a tactical persuasive objective a speech that wants to convince us to vote for someone or an ad that tries to persuade us to buy a particular product becomes in Visual Rhetoric and the Eloquence of Design the persuasive use of a broad set of meta beliefs Designed objects are particularly effective at this

second level of persuasion because they offer audiences communicative data that reflect and also orchestrate a potentially broad array of cultural concerns Persuasion entails both the aesthetic form and material composition of any object

Pragmatics of Space Andreas H. Jucker, Heiko Hausendorf, 2022-09-20 This handbook provides a comprehensive overview of spatial configurations of language use and of language use in space It consists of four parts The first part covers the various practices of describing space through language including spatial references in spoken interaction or in written texts the description of motion events as well as the creation of imaginative spaces in storytelling The second part surveys aspects of the spatial organization of face to face communication including not only spatial arrangements of small groups in interaction but also the spatial dimension of sign language and gestures The third part is devoted to the communicative resources of constructed spaces and the ways in which these facilitate and shape communication Part four finally is devoted to pragmatics across space and cultures i e the ways in which language use differs across language varieties languages and cultures
