Kir To Kos Zan Irani :

Englesko hrvatskosrpski rječnik Rudolf Filipović,1966 **Shahnameh** Ferdowsi,2025-03-18 A fresh lyrical new translation of Persia's founding epic Abu al Qasem Ferdowsi 940 1020 CE one of Iran's greatest poets versified the ancient legends of the Persian Book of Kings Shahnameh in verse over one thousand years ago It is the longest poem written by a single poet A combination of myth and history told over a series of 50 000 elegant couplets Ferdowsi dedicated thirty three years of his life to writing the Shahnameh and intended it to protect the Persian collective memory and its language amid a turbulent sea of cultural storms This celebrated work traces the storied history of the Iranian people beginning with the origin myths of civilization and ending with the Arab Conquest of Iran in the seventh century Featuring a preface by editor and Guggenheim fellow Hamid Rahmanian and an introduction by Lloyd Llewellyn Jones chair of ancient history at Cardiff University this lush translation by Ahmad Sadri renders the tale in highly accessible yet atmospheric prose for contemporary audiences Under Sadri's deft hand legendary adventures of superhuman heroes encounters with magical creatures and heart wrenching love stories come alive off the page capturing readers imaginations To this day people of all ages in Persianate societies can recite lines of Shahnameh by heart The book continues to be read in family gatherings and performed by professional reciters in the teahouses of Tajikistan Iran and Afghanistan The bedrock of Iranian nationhood and a literary masterpiece this beloved epic holds the promise of cultural conservation and celebration within its every page *The Epic of the Kings (RLE Iran B)* Ferdowsi,2012-04-27 Among the many national poets of historical Persia Ferdowsi is perhaps the greatest In this superb translation of the epic the Western reader would not fail to discern clear equivalents of chapters in Genesis The Odyssey Paradise Lost or the Canterbury Tales Islamic Review The Shah nama is the national epic poem of Persia Written in the tenth century it contains the country's myths legends and historic reminiscences This edition makes available a valuable prose translation selecting the most representative parts of the original including the stories of Rostum the giant hero and his son Sohrab **My Persian Haft Seen** ,2018-05-06 *Persian Tea* Jasmine Lawi,2020-09-13 Persian Tea reveals unique coming of age stories about a Persian Jewish girl who fled Iran for freedom in America In 1979 when she was 2 years old Jasmine Nayssan Lawi and her family said their last goodbye to their once beloved country Persian Tea chronicles Jasmine's and her family's adventures her father's dare devil encounter with the Iranian Revolutionary Guard an intimate rendezvous with a music legend only after believing she was the FBI's Most Wanted navigating through the prickly terrain of private school a close encounter with danger inside the Vatican and intrepid journeys inside Israel which ultimately changed her luck in life and reshaped her future Above all the stories exemplify one's true identity and essence laughter in the face of evil faith against fear and love when it was needed the most **With My Head in the Clouds and Stars in My Eyes** Joobin Bekhrad,2017-07-24 Though Iran is at the beating heart of Bekhrad's book other lands and cultures have also been explored Owing to his Iranic Kurdish roots Turkey's master writer Yashar Kemal has been celebrated Bekhrad has also

written about experiences in cities such as Paris London Marrakech and Prague which he viewed through a characteristically Iranian lens and in which Iran was always on his mind and in his heart Such miscellanies are always difficult to describe and categorise Is Bekhrad s book a travelogue memoir work of prose or historical document Perhaps it is none of the aforesaid or perhaps it is all at once Regardless of how one wishes to present the book if there is one thing that can be said with certainty it is that in telling stories about other people and places Bekhrad has ultimately written a book about a starry eyed Iranian dreamer with his head in the clouds that is to say he has as he is often wont to do written a book about himself

Shahnameh Ferdowsi,2025-03-04 This new edition of the thousand year old classic work by Ferdowsi one of Persia s greatest poets is a prose translation of the national epic It is fully illuminated with over 500 pages of lavish illustrations Like other great epics *Shahnameh* is a chronicle of the human imaginative consciousness It tells the long history of the Persian people beginning with the creation of the world and the origin myths of civilization and ending with the Arab conquest of Iran in the seventh century A mix of myth epic tales and history *Shahnameh* takes the reader on heroic adventures filled with superhuman champions magical creatures heart wrenching love stories and centuries long battles The illustrations of this *Shahnameh* while totally dependent on the art of the past most closely evoke the fantasy literature of today in visual form Thanks to the dramatic dynamism of Ferdowsi s epic its contemporary interpretation in images is a vibrant feast for the imagination making this a *Shahnameh* for the digital age Sheila Canby Metropolitan Museum of Art *I Won't Pretend These Missiles Are Stars* The Cartoonist Collective,2026-06-02 A searing and honest collection of nonfiction comics from sixteen different Iranian artists and writers revealing their experiences living in and around Tehran during the U S and Israeli attacks of 2025
