What Would Moses Say? Pamela Susanne Snyder,2023-11-27 What Would Moses Say is a carefully researched and crafted book The author began with the premise that Moses s Law in fact much of Old Testament history is nonbinding for today s believer Her journey and findings brought a surprising revelation that all of God s word is useful for our spiritual growth As she explored each of the Ten Commandments the truth became even more clear The moral principles that God had established as a standard for the Israelites still hold true for today In fact as society continues to break down with prevailing lawlessness there has never been a better time than now to address our application of God s commandments Could it be that a careless disregard for the obsolete law is the reason for the lukewarm state of many believers in the twenty first century Decreased church attendance high divorce rates disobedient children loss of young adults to secular pursuits and an absence of God s name in day to day conversation all characterize the problem Could it be that good people who call themselves Christian could benefit from a deeper look at the Ten Commandments According to the findings the answer is yes The evidence points to the need for a new or renewed relationship with God s appointed head of the church Jesus Christ There
