

FROM THE DAIRY OF ANNE FRANK

~Summary~

Anne Frank's First Entry in the Diary

Anne Frank, a thirteen year old girl, was gifted a diary by her father. So, she decided to write in her diary which she considered to be her best friend in loneliness and named it 'Kitty'. She began writing in June 1942. In her first entry, she expressed her desire to confide everything to the diary as she hadn't been able to do so to anyone else. She felt that paper had more patience than people. Secondly she thought that nobody would be interested in her diary as she was a small girl.

Her Childhood and Family

Anne called her father the most adorable person. He was 36 when he married her mother, who was just 25. She had an older sister Margot.

She had about 30 people around her but she had no true friend. They lived in Frankfurt for sometime but as they were Jewish, they had to migrate to Holland for refuge.

Anne's Schooling

She was sent to a Montessori nursery school. She stayed there until she was six. At her farewell, she and her headmistress Mrs Kuperus had tears in their eyes.

Her Grandmother's Death

In the summer of 1941, her grandmother fell ill. She had to be operated upon but she died in January 1942. It gave Anne a shock and she did not write her diary in that period, but after that she wrote again as she thought of her grandmother's love and affection.

Her View About Teachers

Anne was not good at Maths so she and her friends were always worried about it, but she was sure that she would go to the next class. She always considered teachers to be the most unpredictable creatures on the earth. So she told her friends not to lose hope.
