Platts,2001-08 The only author already in print discussing the history of higher angels appears to be Mother Alexandra an Orthodox nun who wrote *The Holy Angels* This presentation also concentrates on those higher angels but also briefly reviews those lower less dramatic guardian angels After studying angel apparitions in the Old Testament the Christian era presents a dramatic increase in angel activities Joining the older traditional Michael and Gabriel we are introduced at the Transfiguration to Moses and Elijah those two giants of Judaism These latter have somewhere in time become new archangels On that Mount Tabor Jesus also acquires archangel status when the mighty spirit of David the third giant completes exactly one thousand years of penance and is transfigured into this carpenter from Nazareth Mary the Mother of Angels in the Roman Catholic tradition receives archangel status upon her death Also emerging in that first Christian century is Satan the Fallen Archangel A serious consideration of Satan is vital because each one of us must overcome Satan s earthly temptations in order to reach the Promised Land Thereafter Mary and Jesus appear in angel form over the Christian centuries sometimes together more often alone in their attempt to bring peace to a troubled world

Bruce Van Natta,2008-06-28 Many people believe in and practice praying to the Lord but the Bible is very clear that the Lord also speaks back to us in various ways This book goes into detail about the 7 different ways that God speaks to us as found in the Bible and how that applies to our lives today It reveals to us that these 7 areas are not just the different ways that God still speaks to us but that when looked at as a whole they are a picture of what a healthy relationship with God involves It further shows that this kind of intimate relationship is available to all believers and that this is exactly the kind of relationship that God desires to have with each of us Throughout the book several Biblical and personal examples are used to validate each section The reader is also given opportunities to see how God has already been talking to them in his her own life and then record these examples at the end of every chapter Each person who reads this book is challenged to grow in his her relationship with the Lord and is given many tools to help accomplish that This is important because when a believer has an intimate relationship with the Lord they hear His voice more clearly The Holy Spirit is then better able to guide and empower the believer to become victorious in their daily walk **Angels and Belief in England, 1480-1700** Laura
