

DIFFERENTIAL EQUATIONS

The book cover features a vibrant image of a satellite in space. The satellite is a complex structure with a large parabolic dish antenna at the top, various solar panels, and intricate mechanical components. It is set against a deep purple and blue background that suggests the vastness of space. A bright, glowing light source, possibly the sun, is visible behind the satellite, creating a lens flare effect and illuminating the scene. The overall aesthetic is scientific and technological.
