What is the aesthetic effect of such wandering splitting or merging Usually described as code switches by linguists fragments of other languages have wandered into American literature in English from the beginning Wanderwords asks what in the memoirs poems essays and fiction of a variety of twentieth and twenty first century writers the function and meaning of such language migration might be It shows what there is to be gained if we learn to read migrant writing with an eye and an ear for linguistic difference and it concludes that freighted with the other cultural meanings wrapped up in their different looks and sounds wanderwords can perform wonders of poetic signification as well as cultural critique Bringing together literary and cultural theory with linguistics as well as the theory and history of migration and with psychoanalysis for its understanding of the multilingual unconscious Wanderwords engages closely with the work of well known and unheard of writers such as Mary Antin and Eva Hoffman Richard Rodriguez and Junot Diaz Theresa Hak Kyung Cha and Bharati Mukherjee Edward Bok and Truus van Bruinessen Susana Ch vez Silverman and Gustavo Perez Firmat Pietro DiDonato and Don DeLillo In so doing a poetics of multilingualism unfolds that stretches well beyond translation into the lingual contact zone of English with other languages that is American literature belatedly re connecting with the world *Muses India* Chetan Deshmane, 2013-05-10 With Salman Rushdie Arundhati Roy Jhumpa Lahiri V S Naipaul and Kiran Desai winning prestigious awards for their literary output Indian English literature has gained a voice of its own Yet as most readers of criticism of it agree there is a dearth of serious examination of its authors and their work This collection of essays attempts a contrapuntal reading of Indian English literature with what Ranjan Ghosh calls the infusionist approach Since a majority of readers are made to stay away from a branded author or work this book rejects any categorization such as postcolonial or Commonwealth It deals with a wide range of issues which human beings suffer from all over the world including those that may not have anything to do with the politicized side of the postcolonial or the Commonwealth *Ethnic American Literature* Emmanuel S.
