Robert C. Rowland

Devils Bargain Steve Bannon Donald Trump And The:

Devil's Bargain Joshua Green, 2017-07-18 The instant 1 New York Times bestseller From the reporter who was there at the very beginning comes the revealing inside story of the partnership between Steve Bannon and Donald Trump the key to understanding the rise of the alt right the fall of Hillary Clinton and the hidden forces that drove the greatest upset in American political history Based on dozens of interviews conducted over six years Green spins the master narrative of the 2016 campaign from its origins in the far fringes of right wing politics and reality television to its culmination inside Trump s penthouse on election night The shocking elevation of Bannon to head Trump s flagging presidential campaign on August 17 2016 hit political Washington like a thunderclap and seemed to signal the meltdown of the Republican Party Bannon was a bomb throwing pugilist who d never run a campaign and was despised by Democrats and Republicans alike Yet Bannon s hard edged ethno nationalism and his elaborate years long plot to destroy Hillary Clinton paved the way for Trump s unlikely victory Trump became the avatar of a dark but powerful worldview that dominated the airwaves and spoke to voters whom others couldn t see Trump s campaign was the final phase of a populist insurgency that had been building up in America for years and Bannon its inscrutable mastermind believed it was the culmination of a hard right global uprising that would change the world Any study of Trump s rise to the presidency is unavoidably a study of Bannon *Devil s Bargain* is a tour de force telling of the remarkable confluence of circumstances that decided the election many of them orchestrated by Bannon and his allies who really did plot a vast right wing conspiracy to stop Clinton To understand Trump s extraordinary rise and Clinton s fall you have to weave Trump s story together with Bannon s or else it doesn t make sense

Devil's Bargain Joshua Green, 2017-09 The instant 1 New York Times bestseller From the reporter who was there at the very beginning comes the revealing inside story of the partnership between Steve Bannon and Donald Trump the key to understanding the rise of the alt right the fall of Hillary Clinton and the hidden forces that drove the greatest upset in American political history Based on dozens of interviews conducted over six years Green spins the master narrative of the 2016 campaign from its origins in the far fringes of right wing politics and reality television to its culmination inside Trump s penthouse on election night The shocking elevation of Bannon to head Trump s flagging presidential campaign on August 17 2016 hit political Washington like a thunderclap and seemed to signal the meltdown of the Republican Party Bannon was a bomb throwing pugilist who d never run a campaign and was despised by Democrats and Republicans alike Yet Bannon s hard edged ethno nationalism and his elaborate years long plot to destroy Hillary Clinton paved the way for Trump s unlikely victory Trump became the avatar of a dark but powerful worldview that dominated the airwaves and spoke to voters whom others couldn t see Trump s campaign was the final phase of a populist insurgency that had been building up in America for years and Bannon its inscrutable mastermind believed it was the culmination of a hard right global uprising that would change the world Any study of Trump s rise to the presidency is unavoidably a study of Bannon *Devil s Bargain* is a tour de force telling of

the remarkable confluence of circumstances that decided the election many of them orchestrated by Bannon and his allies who really did plot a vast right wing conspiracy to stop Clinton To understand Trump s extraordinary rise and Clinton s fall you have to weave Trump s story together with Bannon s or else it doesn t make sense [Summary of Devil's Bargain](#) Abbey Beathan,2019-06-10 Devil s Bargain Steve Bannon Donald Trump and the Nationalist Uprising by Joshua Green Book Summary Abbey Beathan Disclaimer This is NOT the original book Joshua Green offers you the key to understanding the rise and the fall of Hillary Clinton and the forces that acted behind the screen and ensured Trump s victory Based on six years of research Green offers us the ultimate book that tells us everything about the events that put Trump in the White House A brilliant bestselling title that will inform you about what s really happening in the United States like Bannon s years long plot to destroy Hillary Clinton which was a significant factor that influenced Trump s victory That and much more will be discussed in Devil s Bargain a book where you ll learn that nothing is as it seems Note This summary is wholly written and published by Abbey Beathan It is not affiliated with the original author in any way What he wanted the media to cover constantly and at length was only one thing Donald Trump Joshua Green The alliance of Trump and Bannon was too powerful and caught everyone off guard It was just the final phase of a big plan of political insurgency that had been building up silently in America for years Bannon s scheme was well thought and made Trump s extraordinary rise possible You ll finally learn all about Bannon s plan including its phases and objectives A book that will make you see the confluence of circumstances that decided the elections clearly P S Devil s Bargain is an extremely informative book that tells you the scheme that put Trump in the White House P P S It was Albert Einstein who famously said that once you stop learning you start dying It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world Abbey Beathan s mission is to bring across amazing golden nuggets in amazing books through our summaries Our vision is to make reading non fiction fun dynamic and captivating Ready To Be A Part Of Our Vision Mission Scroll Up Now and Click on the Buy now with 1 Click Button to Get Your Copy Why Abbey Beathan s Summaries How Can Abbey Beathan Serve You Amazing Refresher if you ve read the original book before Priceless Checklist in case you missed out any crucial lessons details Perfect Choice if you re interested in the original book but never read it before Disclaimer Once Again This book is meant for a great companionship of the original book or to simply get the gist of the original book One of the greatest and most powerful gift in life is the gift of knowledge The way of success is the way of continuous pursuit of knowledge Abbey Beathan [Summary: Devil's Bargain](#) Abbey Beathan,2018-07-05 Devil s Bargain Steve Bannon Donald Trump and the Nationalist Uprising by Joshua Green Book Summary Abbey Beathan Disclaimer This is NOT the original book If you re looking for the original book search this link <http://amzn.to/2rQt7Nv> Joshua Green offers you the key to understanding the rise and the fall of Hillary Clinton and the forces that acted behind the screen and ensured Trump s victory Based on six years of research Green offers us the ultimate book that tells us everything about the events that put Trump in the White House A

brilliant bestselling title that will inform you about what's really happening in the United States like Bannon's years long plot to destroy Hillary Clinton which was a significant factor that influenced Trump's victory That and much more will be discussed in Devil's Bargain a book where you'll learn that nothing is as it seems Note This summary is wholly written and published by Abbey Beathan It is not affiliated with the original author in any way What he wanted the media to cover constantly and at length was only one thing Donald Trump Joshua Green The alliance of Trump and Bannon was too powerful and caught everyone off guard It was just the final phase of a big plan of political insurgency that had been building up silently in America for years Bannon's scheme was well thought and made Trump's extraordinary rise possible You'll finally learn all about Bannon's plan including its phases and objectives A book that will make you see the confluence of circumstances that decided the elections clearly P S Devil's Bargain is an extremely informative book that tells you the scheme that put Trump in the White House P P S It was Albert Einstein who famously said that once you stop learning you start dying It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world Abbey Beathan's mission is to bring across amazing golden nuggets in amazing books through our summaries Our vision is to make reading non-fiction fun dynamic and captivating Ready To Be A Part Of Our Vision Mission Scroll Up Now and Click on the Buy now with 1 Click Button to Get Your Copy Why Abbey Beathan's Summaries How Can Abbey Beathan Serve You Amazing Refresher if you've read the original book before Priceless Checklist in case you missed out any crucial lessons details Perfect Choice if you're interested in the original book but never read it before FREE 2 Page Printable Summary BONUS for you to paste in on your office home etc Disclaimer Once Again This book is meant for a great companionship of the original book or to simply get the gist of the original book If you're looking for the original book search for this link <http://amzn.to/2rQt7Nv> One of the greatest and most powerful gift in life is the gift of knowledge The way of success is the way of continuous pursuit of knowledge Abbey Beathan *Trump and Hitler* Henk de Berg, 2024-03-01 This book compares Trump and Hitler as political performance artists It explores their populist self staging and rhetorical strategies and explains how they connected with their respective audiences It also analyses the two men's character work ethic and management style In addition the book addresses seemingly peripheral issues like the reasons behind Hitler's toothbrush moustache and Trump's hairstyle By demystifying Hitler and Trump the author throws new light on both of them

The Divider Peter Baker, Susan Glasser, 2023-09-19 NEW YORK TIMES BESTSELLER The most comprehensive and detailed account of the Trump presidency yet published The Washington Post A Best Book of the Year The New Yorker and Financial Times The book everyone is talking about Politico The inside story of the four years when Donald Trump went to war with Washington from the chaotic beginning to the violent finale told by revered journalists Peter Baker of The New York Times and Susan Glasser of The New Yorker an ambitious and lasting history of the full Trump presidency that also contains dozens of exclusive scoops and stories from behind the scenes in the White House from the absurd to the deadly serious A

sumptuous feast of astonishing tales The more one reads the more one wishes to read NPR.com A beautifully written utterly dispiriting history of the man who attacked democracy The Guardian The bestselling authors of *The Man Who Ran Washington* argue that Trump was not just lurching from one controversy to another he was learning to be more like the foreign autocrats he admired *The Divider* brings us into the Oval Office for countless scenes both tense and comical revealing how close we got to nuclear war with North Korea which cabinet members had a resignation pact whether Trump asked Japan's prime minister to nominate him for a Nobel Prize and much more The book also explores the moral choices confronting those around Trump how they justified working for a man they considered unfit for office and where they drew their lines *The Divider* is based on unprecedented access to key players from President Trump himself to cabinet officers military generals close advisers Trump family members congressional leaders foreign officials and others some of whom have never told their story until now [The Trump Presidency](#) Mara Oliva, Mark Shanahan, 2018-08-30 This edited collection delves into the key aspects of the Trump campaign promises around immigration trade social and foreign policy and unpicks how the first year of the presidency has played out in delivering them It charts his first year from both historical and contemporary political standpoints and in the context of comparative pieces stacking Trump's performance against Gold standard presidents such as Reagan Kennedy and the last outsider Eisenhower Focusing in on a number of key elements of the presidency in depth it offers a unique perspective on a presidency like no other drawing on the overriding themes of populism nativist nationalism and the battle for disengagement from the neoliberal power generation *The 21st Century Cold War* Jeffrey Kaplan, 2020-06-04 *The 21st Century Cold War* is a multidisciplinary approach to understanding the pattern of Russian interference in the internal affairs of other nations suggesting that what in the Cold War was a simple conflict of East vs West has expanded into a conflict between Russia and two increasingly separate Wests The book begins with an examination of the structure of the Cold War and post Cold War world and subsequently explores Russian interference by overt grey and covert means including but not limited to cyberespionage fake news and the use of what in the Cold War would have been called front groups and agents of influence The approach encompasses both historic and contemporary themes with the question of whether the Cold War between East and West capitalism and communism is a thing of the past or does it continue today in new ideological guises as a central theme Expert contributors explore what the motivations and implications for the pattern of Russian interference in the political processes of other states would be and what new coalitions of actors are taking shape both for and against Russian activities With a series of historical and contemporary case studies focusing on the origins and contemporary dimensions of Russian information warfare and exploring the issues involved from every perspective *The 21st Century Cold War* will be of great interest to scholars of Security and Strategic Studies International Relations and Cold War History as well as policy makers and security professionals The chapters were originally published as a special issue of *Terrorism and Political Violence* *Loneliness* Arbuckle, Gerald, A., 2018-10-18

The Alt-right George Hawley (Political scientist), 2019 In recent years the so called Alt Right a white nationalist movement has grown at an alarming rate Taking advantage of high levels of racial polarization the Alt Right seeks to normalize explicit white identity politics Growing from a marginalized and disorganized group of Internet trolls and propagandists the Alt Right became one of the major news stories of the 2016 presidential election and exploded into public consciousness after its march through Charlottesville in summer 2017 Discussions of the Alt Right are now a regular part of political discourse in the United States and beyond In *The Alt Right What Everyone Needs to Know* George Hawley one of the world's leading experts on the conservative movement and right wing radicalism provides a clear explanation of the ideas tactics history and prominent figures of one of the most disturbing movements in America today Although it presents itself as a new phenomenon the Alt Right is just the latest iteration of a longstanding radical right wing political tradition Throughout Hawley discusses the other primary ideological influences on the Alt Right libertarianism paleoconservatism neo reaction and the Men's Rights Movement The Alt Right represents a genuine challenge to pluralistic liberal democracy but its size and influence are often exaggerated Whether intentionally or not President Donald Trump energized the Alt Right in 2016 yet conflating Trump's variety of right wing politics with the Alt Right causes many observers to both overestimate the Alt Right's size and downplay its radicalism Hawley provides a tour of the contemporary radical right and explains how it differs from more mainstream varieties of conservatism Dispassionate and accessible this is an essential overview for anyone seeking to understand to this disruptive and dangerous political movement

Enemies of the State D. J. Mulloy, 2020-02-29 The rise of the alt right alongside Donald Trump's candidacy may be seem unprecedented events in the history of the United States but D J Mulloy shows us that the radical right has been a long and active part of American politics during the twentieth century From the German American Bund to the modern militia movement D J Mulloy provides a guide for anyone interested in examining the roots of the radical right in the U S in all its many varied forms going back to the days of the Great Depression the New Deal and the extraordinary political achievements of Franklin D Roosevelt *Enemies of the State* offers an informative and highly readable introduction to some of the key developments and events of recent American history including the fear of the Communist subversion of American society in the aftermath of the Second World War the rise of the civil rights movement and the white backlash this elicited the apparent decline of liberalism and the ascendancy of conservatism during the economic malaise of the 1970s Ronald Reagan's triumphant presidential victory in 1980 and the Great Recession of 2007-08 and subsequent election of President Obama

Standoff Bill Schneider, 2018-05-15 Bill Schneider former CNN senior political analyst takes us inside the voting booth in a detailed examination of recent presidential elections studded with sharp observations A good choice for political junkies Kirkus Reviews In the 1960s a rift developed between the Old America and the New America that resulted in a populist backlash that ultimately elected Donald Trump in 2016 Bill Schneider describes today's American populism in *Standoff* as one that is economically progressive and culturally conservative Liberals are

attacked as cultural elitists limousine liberals and conservatives as economic elitists country club conservatives Trump says Schneider is the complete populist package He embraces social populism anti immigrant economic populism anti free trade and isolationism America First Standoff examines a number of hard fought elections to show us how we got to Trump He asserts the power of public opinion He points to the public that draws the line on abortion and affirmative action He shows why an intense minority cancels a majority on gun control immigration small government and international interests Standoff tells us why fifty years of presidential contests have often been confounding It takes us inside to watch how and why Americans pull the lever how they choose their issues and select their leaders It is usually values that trump economics Required reading for an understanding of the 2016 election and the political future Schneider's fast paced Publishers Weekly Standoff shows how Americans vote and why their votes sometimes seem to make no practical sense [The Rhetoric of Donald Trump](#) Robert C. Rowland,2021-04-30 The Rhetoric of Donald Trump identifies and analyzes the nationalist and populist themes that dominate the rhetoric of President Trump and links those themes to a persona that has evolved from celebrity outsider to presidential strongman In the process Robert C Rowland explains how the nationalist populism and strongman persona in turn demands a vernacular rhetorical style unlike any previous modern president a style that makes no attempt to lay out a case requires constant lies and breaks every norm for how a presidential candidate or president should talk In stark contrast our most effective presidents have used rhetoric to present a positive vision of what the nation could achieve The three most effective presidential uses of rhetoric in the past century FDR Reagan and Obama all presented a coherent ideological message that while focused on problems of the moment was also rooted in a fundamental optimism In contrast Trump's message is fundamentally negative The Rhetoric of Donald Trump explores how the nation could so abruptly shift from a president such as Barack Obama who emphasized the audacity of hope to one who in his inaugural address spoke about American carnage At its core Trump's message is well designed to appeal to voters with an authoritarian personality structure especially in the white working class who feel threatened by the pace of societal change especially demographic change Rowland's work illustrates how President Trump's ceremonial speeches violate norms calling for a message of national unity and instead present a divisive message designed to create strongly negative emotions especially fear and hate It further reveals how Trump sustains those strong visceral reactions with his use of Twitter to make the rally atmosphere a daily reality for his supporters a prime example being the Coronavirus Task Force briefings which he transformed from an exercise in desperately needed public health education into a partisan rally The Rhetoric of Donald Trump is essential reading for scholars students and the informed citizen to understand how Trump's rhetoric of nationalist populism with a strongman persona undermines basic principles at the heart of American democracy **The New Authoritarianism** Alan Waring,2018-11-21 This two volume book considers from a risk perspective the current phenomenon of the new Alt Right authoritarianism and whether it represents real democracy or an unacceptable hegemony potentially

resulting in elected dictatorships and abuses as well as dysfunctional government Contributing authors represent an eclectic range of disciplines including cognitive organizational and political psychology sociology history political science international relations linguistics and discourse analysis and risk analysis The Alt Right threats and risk exposures whether to democracy human rights law and order social welfare racial harmony the economy national security the environment and international relations are identified and analysed across a number of selected countries While Vol 1 focusses on the US Vol 2 ISBN 978 3 8382 1263 0 illuminates the phenomenon in the UK Austria France Germany Netherlands Norway Italy Hungary and Russia Potential strategies to limit the Alt Right threat are proposed Trumpism, Bigotry, and the Threat to American Democracy Larry N. Gerston,2023-12-11 In Trumpism Bigotry and the Threat to American Democracy Larry N Gerston examines the near lethal combination of American bigotry and the ability of Donald Trump to take advantage of this scourge to satisfy his own political objective The result is an individual who won election to the American presidency by adroitly pitting members of American society against one another while presenting himself as the only person in the position to save America from itself Having succeeded to the nation s most important political office Trump proceeded to use the position for his own benefit irrespective of laws norms and most importantly the Constitution So powerful was Trump that he and his minions came close to overturning the 2020 presidential election with the January 6 2021 insurrection against the nation s Capitol While Trump failed in his attempt to remain in office the threat to the well being of the United States remains real

The Future of Lenin Alla Ivanchikova,Robert R. Maclean,2022-07-01 Situated in a particular historical moment marked by the violent crises of capitalism the rise of the alt right the COVID 19 pandemic and the Black Lives Matter movement The Future of Lenin collects essays by an international cohort of scholars to assert Lenin s relevance for twenty first century politics and thought Taking different and sometimes opposing vantage points on Lenin s value for the future the contributions to this volume reveal an unexpected Lenin one who escapes the stale Cold War era discourse of demonization and hagiography Instead the future oriented Lenin in these pages comes to life as our contemporary an interlocutor who is surprisingly relevant for Black and anticolonial struggles in the US and beyond for building the new Left and for assessing Bernie Sanders movement as well as alt right anti statism In short Lenin s concrete development of Marxism for his historical conditions may yet offer lessons for revolutionaries to come Furious Minds Laura K. Field,2025-11-04 The story of the radical conservative intellectual movement shaping Donald Trump s agenda and how it threatens American freedoms values and democracy Donald Trump is not a big thinker but his 2016 presidential victory presented a grand opportunity for people who are and it set off a radicalization and reconfiguration of the American conservative intellectual world In Furious Minds Laura Field who spent close to a decade in conservative academic circles chronicles the rise of the New Right the network of academics public intellectuals and influencers who provide ideological fuel to Trumpism This movement includes figures such as Patrick Deneen Christopher Rufo Peter Thiel and JD Vance Their agenda is built to last and it has dire long term

implications for liberal democracy The New Right has precedents in American history but it is distinct for its youthfulness misogyny and extraordinary successes most notably the elevation of Vance to the vice presidency The movement which draws together associates of the right wing Claremont Institute National Conservatives Postliberals and the Hard Right advocates nationalist economics tight borders isolationism and reactionary social values It helped to strategize January 6th and created Project 2025 But above all the New Right is engaged in a vast culture war against modern liberal pluralism It is determined to harness state power and use it in new illiberal ways from college campuses to the international scene all driven by the fantasy of restoring a pure America Incisive and urgent Furious Minds tells the story of the thinkers of the New Right and their powerful assault on American freedoms values and ideals [The Psychology of Political Communicators](#) Ofer Feldman, Sonja Zmerli, 2018-09-24 In this timely study Ofer Feldman Sonja Zmerli and their team of experts shed light on the multiple ways communication affects political behavior and attitudes Written for students and scholars alike The Psychology of Political Communicators uses examples from the US Europe Asia and the Middle East to examine the nature characteristics content and reception of communication in three major areas of discourse The style and nature of language used by political actors in the national and international arenas The discourse used in nationalist populist movements and during negative campaigns The rhetoric of the media as it tries to frame politics political events and political actors Collectively the essays form a solid foundation on which to understand the different roles language plays in the conduct of politics the way in which these roles are performed in various situations in different societies and cultures and the political outcomes of verbal behavior This book will be of interest to scholars and students of political psychology and communication studies **The Perils of Populism** Adebowale Akande, 2023-11-29 In today's evolving democratic landscape The Perils of Populism The End of the American Century offers an extensive investigation into the phenomenon of populism and its potential threats to U S democracy Esteemed contributors and long time populism observers provide historical and analytical insights delving into the personalization of political conflicts the cultivation of populist politics and the propensity for insults and violence within the realm of American politics This thought provoking volume presents a comprehensive analysis of the American system of government and presidency shedding light on the influence of tribalism cronyism nepotism and the utilization of masculinist identity politics Through illuminating examples and incisive narratives the book explores key principles highlights the complexities of the American political landscape and offers constructive recommendations to address the challenges posed by plutocratic or authoritarian populism The book serves as an invaluable resource for researchers scholars and practitioners worldwide transcending geographical boundaries It uncovers the interplay between populist forces and anti democratic tendencies providing a deeper understanding of the current state of democracy and the urgent need for political reforms In an era marked by deep divisions and racial tensions this book provides an essential framework for comprehending the complex dynamics at play within the American political sphere **Years of Rage** D. J.

Mulloy, 2021-11-30 Years of Rage is a revealing and frightening history of the many and varied white supremacist groups that have operated in the United States from the rebirth of the Klan in 1915 through to the rise of the alt right and the presidency of Donald J Trump. Historian D J Mulloy explores the motivations and underlying beliefs of these racists: their fears of displacement, their propaganda, their propensity to commit acts of violence and terrorism, and their deep and unwavering sense of rage. He also considers the important role played by women within the movement, as well as white supremacy's deep roots in American society. Indeed, Mulloy demonstrates that rather than being consigned to the margins of American history, at times the 1920s, the 1950s, the presidency of Trump, white supremacy has been remarkably close to the center. Wide ranging yet accessible, Years of Rage examines a host of fascinating topics and events, including the skillful promotion of the Klan by professional salesmen during the 1920s, the vicious campaign of violence directed against the civil rights movement during the 1950s and 1960s, the development of a Nazi Klan alliance during the 1970s, the centrality of esoteric religious beliefs like Identity Christianity to many white supremacists, the bombing of the Murrah Federal Building in Oklahoma City in 1995, and the critical role played by the Internet, social media, and Donald Trump to the startling resurgence of far right in our own time.
