 Rage at being alone in your pain having your conflict belittled and your struggles trivialised It is the story of a young woman
 who seeks to find herself in a world that constantly tries to define her and who she should be It is the memoir of an anti
 mother A woman who doesn't fall in love with her baby at first sight but discovers love along the way This book is for anyone
 who feels overwhelmed by the idea of ideal motherhood Be it a woman or a man one way of confronting trauma is to know
 that you are not alone in it To know that someone shares your story and understands your emotions and guilt that
 accompanies feeling anything other than perfectly blissful about motherhood It is at once heartbreaking and poignant as it is
 hopeful and comforting It is the story of one woman and yet the life of many It reveals how tradition and modernity faith and
