Discovering The Life Span 2nd Edition

Laura E. Berk

Discovering The Life Span 2nd Edition:

Discovering the Life Span Robert Stephen Feldman, 2021 *Discovering the Life Span* Fifth Edition provides a broad overview of the field of human development. It covers the entire range of the human life from the moment of conception through death. The text furnishes a broad comprehensive introduction to the field covering basic theories and research findings as well as highlighting current applications outside the laboratory. It covers the life span chronologically encompassing the prenatal period, infancy and toddlerhood, the preschool years, middle childhood, adolescence, early and middle adulthood, and late adulthood. In a unique departure from traditional lifespan development texts, each chapter integrates the physical, cognitive, and social and personality domains within each chronological period. The book is designed to be user friendly. Written in a direct conversational voice, it replicates as much as possible a dialogue between author and student. The text is meant to be understood and mastered on its own by students of every level of interest and motivation. To that end, it includes a variety of pedagogical features that promote mastery of the material and encourage critical thinking.

Exploring Lifespan Development Laura E. Berk, 2022-07-26 *Exploring Lifespan Development* Fourth Edition, the essentials version of *Development Through the Lifespan* Seventh Edition by best-selling author Laura E. Berk includes the same topics, the same number of chapters, and the same outstanding features with a focus on the most important information and a greater emphasis on practical real-life applications. *Second Decennial Edition of the American Digest*, 1922

Human Development and Faith (Second Edition) Felicity Kelcourse, 2015-07-28. Updated with the latest research, this second edition approaches human development from a multidisciplinary perspective. Uniquely inclusive of the moral and faith dimensions of the life cycle, *Human Development and Faith* examines the interplay of mind, body, family, community, and soul at every stage of development.
