About Puberty

Hair In Funny Places

Christopher Gorham Calvin

Hair In Funny Places:

Hair in Funny Places Babette Cole, 2001 Girls and boys are always curious and even sometimes alarmed by the behaviour of their bodies as they grow up Puberty being a particularly unsettling time Babette Cole has made this the subject of the fifth title in her bestselling series of family dilemmas Who else but Babette would have the temerity to tackle this subject in a picture book and the genius to carry it off In *Hair in Funny Places* her artwork is without exaggeration some of the best she has ever done it is brilliant The text which takes the form of a conversation between a small girl and her teddy bear is ingenious and funny it is the behaviour of Mr and Mrs Hormone wonderfully depicted which is responsible for and plays havoc with both physical and emotional states of girls and boys between roughly the ages of eight and eighteen The book is bound to be controversial but Babette has never taken the conventional path and her readers love her for her outrageous approach to little mentioned topics

Naked Reading Teri S. Lesesne, 2006 Teri draws on her extensive experience as a teacher and consultant to examine ways that educators can help interest kids in books and keep them reading during this crucial period

Chance Hotel: Second Chances Christopher Gorham Calvin, 2024-10-30 An old nemesis lurks in the shadows A critical life decision carries a high price And a storm is coming With tensions running high after the explosive events of *Chance Hotel* Under New Management Jason struggles to maintain control over the hotel's most valuable and dangerous assets He and the staff know it's only a matter of time before their insidious adversary strikes again but what form that attack will take remains a mystery Power dynamics are shifting conditions are deteriorating and physical and emotional burdens are spiraling But hey it's all in a day's work at the *Chance Hotel* Make your reservation for this next chapter of the gripping supernatural suspense series that will have your pulse pounding until the final page

Adulthood in Children's Literature Vanessa

Joosen, 2018-09-06 While most scholars who study children's books are pre-occupied with the child characters and adult mediators Vanessa Joosen re-positions the lens to focus on the under-explored construction of adulthood in children's literature *Adulthood in Children's Literature* demonstrates how books for young readers evoke adulthood as a stage in life enacted by adult characters and in relationship with the construction of childhood Employing age studies as a framework for

analysis this book covers a range of English and Dutch children's books published from 1970 to the present. Calling upon critical voices like Elisabeth Young Bruehl, Margaret Morganroth Gullette, Peter Hollindale, Maria Nikolajeva and Lorraine Green and the works of such authors as Babette Cole, Philip Pullman, Ted van Lieshout, Jacqueline Wilson, Salman Rushdie and Guus Kuijer, Joosen offers a fresh perspective on children's literature by focusing not on the child but the adult. **A**

Companion to Children's Literature Karen Coats, Deborah Stevenson, Vivian Yenika-Agbaw, 2022-06-06 **A COMPANION TO CHILDREN'S LITERATURE** A collection of international up to date and diverse perspectives on children's literary criticism. A Companion to Children's Literature offers students and scholars studying children's literature, education and youth librarianship an incisive and expansive collection of essays that discuss key debates within children's literature criticism. The thirty-four works included demonstrate a diverse array of perspectives from around the world, introduce emerging scholars to the field of children's literature criticism and meaningfully contribute to the scholarly conversation. The essays selected by the editors present a view of children's literature that encompasses poetry, fiction, folklore, nonfiction, dramatic stage and screen performances, picturebooks and interactive and digital media. They range from historical overviews to the moment critical theory about children's books from across the globe. A Companion to Children's Literature explores some of the earliest works in children's literature, key developments in the genre from the 20th century and the latest trends and texts in children's information books, postmodern fairytales, theatre plays and more. This collection also discusses methods for reading children's literature from social justice critiques of popular stories to Black critical theory in the context of children's literary analysis. *The World Through Children's Books* Susan Stan, 2002

The World through Children's Books is a valuable and easy to use tool for librarians, teachers and others who seek to promote international understanding through children's literature. The annotated bibliography, organized geographically by world region and country, contains nearly 700 books representing 73 countries. Sponsored by the United States Board on Books for Young People (USBYP).

Thatcher's Grandchildren? Stephen Wagg, Jane Pilcher, 2014-05-30 *Thatcher's Grandchildren* explores sociological and political issues about childhood that have become increasingly significant in the twenty-first century within a political landscape framed by neo-liberalism. Issues addressed include child protection and abuse, the media, education and schooling and poverty.
