Halliday Language Context And Text:

Language, Context, and Text Michael Alexander Kirkwood Halliday, Ruqaiya Hasan, 1985 *Language, Context, and Text* Michael Alexander Kirkwood Halliday, Ruqaiya Hasan, 1991 This study deals with the linguistic study of texts as a way of understanding how language functions in its immensely varied range of social contexts The authors adopt a functional approach to language in which the different registers or functional varieties of a language are explained by reference to the different contexts in which they occur Their analysis reveals how on the one hand each text is unique while on the other the way a text is organized and the kinds of coherence it displays are closely related to the place and the value that it has in its social and cultural environment **Language, Context, and Text** Michael Alexander Kirkwood Halliday, Ruqaiya Hasan, 1985 Language, Context and Text Michael Alexander Kirkwood Halliday, 1985 **International Handbook of English Language Teaching** Jim Cummins, Chris Davison, 2007-12-31 This two volume handbook provides a comprehensive examination of policy practice research and theory related to English language teaching ELT in international contexts Nearly 70 chapters highlight the research foundation for the best practices frameworks for policy decisions and areas of consensus and controversy in the teaching and development of English as a second and or additional language for kindergarten through to adult speakers of languages other than English In doing so it problematizes traditional dichotomies and challenges the very terms that provide the traditional foundations of the field A wide range of terms has been used to refer to the key players involved in the teaching and learning of the English language and to the enterprise of English language teaching as a whole At various times and in different contexts the following labels have been used in countries where English is the dominant language to describe programs learners or teachers of English English as a second language ESL English as an additional language EAL limited English proficient LEP and English language learners ELL In contexts where English is not the dominant language the following terms have been used English as a foreign language EFL English as an international language EIL and English as a lingua franca ELF *Perspectives on Multimodality* Eija Ventola, Cassily Charles, Martin Kaltenbacher, 2004 This volume sign posts several paths of multimodality research and theory building today The chapters represent a cross section of current perspectives on multimodal discourse with a special focus on theoretical and methodological issues mode hierarchies modelling semiotic resources as multiple semiotic systems multimodal corpus annotation In addition it discusses a wide range of applications for multimodal description in fields like mathematics entertainment education museum design medicine and translation Linguistic Studies of Text and Discourse M.A.K. Halliday, 2006-01-24 The papers in this volume focus on the application of systemic functional grammar to the analysis of texts both highly valued and everyday both written and spoken The texts are studied in terms of the linguistic resources that contribute to the realization of its meaning potential **A Discourse Analysis of Habakkuk** David J. Fuller, 2019-10-21 Habakkuk is unique amongst the prophetic corpus for its interchange between YHWH and the prophet Many open research

questions exist regarding the identities of the antagonists throughout and the relationships amongst the different sections of the book In A Discourse Analysis of Habakkuk David J Fuller develops a model for discourse analysis of Biblical Hebrew within the framework of Systemic Functional Linguistics The analytical procedure is carried out on each pericope of the book separately and then the respective results are compared in order to determine how the successive speeches function as responses to each other and to better understand changes in the perspectives of the various speakers throughout A Linguistic Approach to Revelation 19:11-20:6 and the Millennium Binding of Satan Alan E. Kurschner,2022-08-22 This study argues that the establishment of the millennium binding of Satan and the vindication of the saints in Revelation 20 1 6 are cohesively linked with Jesus s victorious battle in Revelation 19 11 21 The major implication of this analysis views both these events as consequent effects of Christ s victory at the eschatological battle Applying systemic functional linguistics and discourse analysis of cohesion this study advances critical scholarship on the Book of Revelation by offering the first fully sustained answer to this frequently debated question regarding Satan s binding from a modern linguistic approach

Ideological Stylistics and Fictional Discourse Ganakumaran

Subramaniam,2009-01-14 This book focuses on ideology and its function in fictional discourse exploring the link between textual ideologies and real ideologies in text production environments It attempts this through a specific focus on the social and linguistic elements that control the presence the use and the presentation of ideology and also the way in which linguistic elements are controlled and manipulated by the collective consciousness of the text producer This correlation between fictional discourse and ideology is revealed through a series of chapters that cover four closely interrelated areas focusing specifically on Malaysian and Singaporean fiction Firstly the positioning of Malaysian and Singaporean literatures in English as individual literary traditions This is to counter the non recognition of Malaysian and Singaporean literatures as individual traditions in spite of five decades of independence Secondly establishing a contextual socio cultural and political framework as a basis for discussion on real ideology arguing that Malaysian and Singaporean writers have moved beyond the anti western nationalistic stage and on to more personal and communal concerns such as race relations identity and a sense of belonging Thirdly rationalising the social structures of ideology that are likely to be found in the Malaysian and Singaporean social milieus especially location and text specific social variables of ideology Lastly it seeks to reveal a linguistic oriented approach for the study of textual ideologies and for linking textual ideologies to ideologies in the overall text production environment The book ultimately shows the significant possibilities of systematic links between textual ideology and the real ideology in the text production environment through what can best be termed as ideological stylistics In doing so it aims to contribute significantly to studies of ideology in general and more specifically on ideology on Malaysian and Singaporean literatures in English
