

SHAKESPEARE MADE EASY

Modernized by Alan Durband

AT LAST—

Hamlet

IN LANGUAGE EVERYONE CAN UNDERSTAND.

Here, at last, is a modern version of one of Shakespeare's most famous tragedies. Written in today's English, this powerful tale of ghosts, murder and revenge takes on new meaning and dramatic impact. Now, everyone can be enthralled by the tragic story of the young prince, Hamlet, his beloved Ophelia, and the quest for vengeance that destroyed them both.

The complete original text is laid out side-by-side with the full modern version. Ideal for instant reference and understanding. A must-have Shakespeare companion, whether you are reading Hamlet for the first time or studying for an exam.

Hamlet Full Text Modern English Deblmornss:

Hamlet In Plain and Simple English William Shakespeare, 2016-03-31 Hamlet is arguably one of the greatest plays ever written it has been staged countless times adapted into movies and inspired thousands of artist but let s face it if you don t understand it then you are not alone If you have struggled in the past reading Shakespeare then BookCaps can help you out This book is a modern translation of Hamlet The original text is also presented in the book along with a comparable version of both text *Hamlet (ENHANCED eBook)* William Shakespeare, 2010 This edition offers a new way to read and study The Tragedy of Hamlet without distracting footnotes A freshly edited version of Shakespeare s original text incorporating the latest scholarship appears opposite a modern English translation that parallels the original line for line **Shakespeare's Hamlet in the Original and Modern English** , Hamlet William Shakespeare, 2017-09-02 One of the greatest plays of all time the compelling tragedy of the tormented young prince of Denmark continues to capture the imaginations of modern audiences worldwide Confronted with evidence that his uncle murdered his father and with his mother s infidelity Hamlet must find a means of reconciling his longing for oblivion with his duty as avenger The ghost Hamlet s feigned madness Ophelia s death and burial the play within a play the closet scene in which Hamlet book accuses his mother of complicity in murder and breathtaking swordplay are just some of the elements that make Hamlet translation an enduring masterpiece of the theater About William Shakespeare William Shakespeare baptised 26 April 1564 was an English poet and playwright widely regarded as the greatest writer in the English language and the world s pre eminent dramatist He is often called England s national poet and the Bard of Avon or simply The Bard His surviving works consist of 38 plays 154 sonnets two long narrative poems and several other poems His plays have been translated into every major living language and are performed more often than those of any other playwright Shakespeare was born and raised in Stratford upon Avon Scholars believe that he died on his fifty second birthday coinciding with St George s Day At the age of 18 he married Anne Hathaway who bore him three children Susanna and twins Hamnet and Judith Between 1585 and 1592 he began a successful career in London as an actor writer and part owner of the playing company the Lord Chamberlain s Men later known as the King s Men He appears to have retired to Stratford around 1613 where he died three years later Few records of Shakespeare s private life survive and there has been considerable speculation about such matters as his sexuality religious beliefs and whether the works attributed to him were written by others I don t have any original insights to share from this most recent of god knows how many readings but this time through I was really struck by 1 what a damn fine piece of stagecraft this is from the suspenseful moody opening on the castle battlements to the solemn dead march carrying the prince offstage and 2 how Shakespeare seems to want Hamlet s personality particularly the wellspring of his actions and lack of action to remain an enigma and that he achieves this by infusing the character with so much of himself so much wit and poetry so much despondency and savagery that the result is that the audience simply bows before the great mystery of human personality

and that this reverence for the unknown lurking in the heart of an extraordinary man intensifies the sense of pity horror and waste that fills us at the end of the play
