Future T/Issues Ruth Gehrmann,2024-07-01 Transplant practices are discussed in the medical realm in fictional texts and in popular advertisement Yet how do these sectors intersect and influence each other How can the accounts of surgeons invested in transplant practice be brought into conversation with fictional voices Future T Issues positions transplantation at the

intersection of natural science and the humanities and adds to the discussion of organ transplantation by focusing on one specific aspect that is commonly overlooked the idea of speculation By engaging with speculative fiction in conversation with life writing it contributes to a more thorough understanding of transplantation as a cultural practice showcasing that transplantation is imagined as part of the future both within and beyond the literary sphere Hereby this book establishes the relationship between literary and medical narratives as reciprocal in effect eroding boundaries between the life sciences and literary studies As an interdisciplinary endeavor this study contributes to literary studies specifically to the fields of life writing speculative fiction and young adult fiction it offers insights for the study of transplantation in the popular realm and adds to the medical humanities

Durban Dialogues Dissected Felicity Hand, 2021-01-26 This volume provides an in depth analysis of the work of Indian South African playwright Ashwin Singh which through the diversity of characters from all ethnic backgrounds forges an inclusive South African identity The essays in this volume show how Singh's plays bring South Africa's blatant prejudices and social ills to the forefront as only by confronting unpleasant realities can any far reaching changes actually take place The academics and cultural practitioners who have contributed to this volume approach Singh's work from a variety of angles ranging from history psychology and experimental literary forms to the performance of the plays the relevance of the stage directions and the symbiotic relationship between the playwright and the director The contrast between the climate of optimistic political protest and the complacency and disillusion of the new democratic era is seen to reassess the actions of the past in the light of present outcomes

The City Speaks Subashish Bhattacharjee, Goutam Karmakar, 2022-09-29 This book studies the significance and representation of the city in the writings of Indian poets graphic novelists and dramatists It demonstrates how cities give birth to social images perspectives and complexities and explores the ways in which cities and the characters in Indian literature coexist to form a larger literary framework of interpretations Drawing on the theoretical concepts of Western urban thinkers such as Henri Lefebvre Georg Simmel Walter Benjamin Edward Soja David Harvey and Diane Levy as well as South Asian thinkers such as Ashis Nandy Arjun Appadurai Vinay Lal and Ravi Sundaram the book projects against a seemingly monolithic and homogenous Western qualification of urban literatures and offers a truly unique and contentious presentation of Indian literature Unfolding the urban literary landscape of India the volume lays the groundwork for an urban studies approach to Indian literature It will be of great interest to scholars and students of literature especially Indian writing in English urban studies and South Asian studies

Trajectory of Nation Through Myths: A Study of Girish Karnad's Selected Plays Dr. Deepika Chaliya, 2022-09-06 The present study aims to explore the relationships between nation and its myth to address larger issues of national international and universal interests in the dramatic mechanism of Girish Karnad Dramatics in the hands of Karnad uses myth to serve its real purpose of educating and entertaining the masses As far the importance of myth for a nation is concerned myth has been establishing its importance in every era and in every society It frames a major part of

national heritage It constantly reminds us who we are where we have come from and what future we are leading to It sounds cautionary call about making wrong decisions with the help of mythological examples It teaches the lessons and help people avoid a similar fate The present study aims an investigation of searching role of myth in a scenario which witnesses swift changes in priorities World today is obsessed with endless conflicts Every nation brims with national pride The evil of casteism regionalism religious fundamentalism patriarchy and racism have placed many seen and unseen barricades in the way of national safety and integration Myth in such a scenario comes forward to guide the masses with the wisdom and experiences of ages It not only acts as a manifesto for the present social order but works as a demonstration pattern of ethical values sociological order and miraculous conviction also so that traditional values can be strengthened to the extent that these can accommodate the changing form of long established concept of morality Myth finds expression through various forms of art Literature is one such form that makes us see beyond obvious and what the front door shows It takes man to discover inquire and construct new knowledge Literature is a means to leap into the past through myth history and legends Literature especially drama is such a form of art that reflects and expresses the inner sections of human mind in a better way It depicts man family community nation and world with all the possible tinges of truth It not only affirms faith but can challenge long held beliefs as well It has been a strong medium to convey deeper meanings of life in its true and vivid colours
