Trust in the Future Bastiaan Baan,2024-10-22 This inspiring book by esteemed thinker Bastiaan Baan explores how we can cope with an uncertain future In this thought provoking book Baan explores the many ways in which humanity has tried to predict the future through the ages from old forms of clairvoyance to more modern methods based on technical expertise He looks at ancient mythologies the visionary practices of prophets and shamans and the sublime if often terrifying images found in the Book of Revelation Drawing on the work of Rudolf Steiner he attempts to interpret their imaginative language and identify the impulses at work in present day humanity Baan goes on to argue that while predicting the future may be impossible how we view events can be just as important if not more so than the events themselves He suggests that adopting a more positive and open attitude can be a necessary first step in taking action Trust in the Future will speak to all those who ask themselves What can I do to build a better future

Smile of Joy Thomas G Casey, 2021-04-01 It's amazing to think that the first smile Jesus ever gave was in response to

Mary's smile It must have been an extraordinary moment her son was smiling at her and it was God smiling at her too This book looks at Mary this extraordinary woman who is the cause of our joy because she brought us the greatest joy of all Jesus She was full of joy because she was full of gratitude gladly acknowledging the fullness of grace that God had given her Her deep joy overflowed when she visited her cousin Elizabeth My soul magnifies the Lord and my spirit exults in God my Saviour But this Magnificat song wasn't just a once off song of praise the reason it came to Mary's lips so easily was because it was her usual way of praying She constantly thanked God for the gifts he had given her Whatever the circumstances Mary had the deep inner conviction that all shall be well and all manner of thing shall be well as Julian of Norwich was later to express it Many of us seek joy outside of ourselves in food and drink or in riches and reputations But Mary found an inner joy that came from encountering God a joy that was immeasurably greater than any material joy And by giving Mary a place in our hearts we can find true joy in God as well

Confidence David Craig, 2020-02-20 Though we Christians don't need subjective texts to understand or live our faith nevertheless we can often take great joy and insight from hearing how others have walked the walk from hearing what our Lord or our Lady had to say to them Reading these folk can be like talking over a backyard fence We can get little tips helps and we can make a friend Gabrielle Bossis's *He and I* really helps the reader to see how sweetly Jesus the most high God of the universe loves us It helps us get a feel for the mystical circuitry for how we are made not to be stand alone units but rather to be in intimate continual union with the only One who both knows us and lovingly completes us It's like a homey road map or an afternoon of tea and good company It's like going to a game and the home team wins
