He Found Me Rose Curiel,2022-11-11 *He Found Me* Joy Mullett,2023 We all remember our first holiday romance right The one we promised to write to every day and broke our hearts over when we returned home That is exactly what happened with Katie and Leo Only Katie and Leo promised if neither of them were married by the time they were 30 they would marry each other On the day of Katie s 30th birthday she receives an invitation to her own wedding Having not seen each other for 15 years Katie is surprised to find that Leo is no longer the sweet caring well mannered boy she once knew He is now a mafia don who wants to collect his debt A steamy romance with page turning plot twists *He Found Me 2* Thomas Vum,2015-09-16 Small misunderstandings in a marriage can lead to disastrous consequences from which there might be no turning back That is something Caroline Murphy comes to realize better than anyone else when she decides to take things in her own hands after suspecting her husband Alfred of having an affair with another woman What had begun as a whirlwind romance for them close to three years earlier now seems to be threatened by a cyclone of guilt and anger that is looming large over their relationship waiting to blow it up into a million small pieces unless some kind of intervention can get things back on track again This is a story of a woman who will do anything to get her husband back even if that means testing the boundaries of her own sanity This story of gut wrenching emotions and intense passion shows us that being crazy sometimes is the only way to get yourself back in even when all the doors of the relationship are closed Will their young love and intense passion towards each other be strong enough to save them And will their marriage ever become normal again I Found Me Joanna Whitmire,2021
