Seamands, 1981 Recovering from memories that cause our pain     *Healing Your Heart of Painful Emotions* David Seamands, Glenn Reynolds, 2005-03 Memories sometimes they're sweet sometimes they're unbearably painful Hurting memories that cause believers to struggle with crippling emotions and behaviors need a special kind of healing Pastoral counselor David Seamands provides it in this powerful four in one guide Writing with compassion and understanding Seamands the pioneer in memory healing therapy shows readers how God's power can free seekers from the tyranny of painful memories childhood traumas and the driving need to achieve Only the liberating power of true grace can repair damaged emotions Readers are gently guided step by step through the process from healing inner hurts and changing old behavior patterns to discovering how to grow in spiritual and emotional maturity With a blend of clear biblical theology solid psychology and practical common sense *Healing Your Heart of Painful Emotions* helps readers find the peace and permanent freedom that so many are searching for     **Damaged Emotions** Debbie Dewart, 1993 This is a critical review of David Seamands book *Healing for Damaged Emotions* Seamands is an inner healer whose psychological orientation results in biblical distortions and misrepresentations Inner healing beliefs and techniques continue to deceive many Christians A central belief is that we are the way we are because of past hurts that need to be healed through reliving the past and bringing Jesus into past events This is a deceptive combination of Freudian psychology and occult visualization The inner healer is convinced that present problems are expressions of past wounds that must be healed before the person can

overcome problems of living and get on with life For those familiar with Seamands teachings this is an important revealing critique
