Entrepreneurship and Management in Forestry and Wood Processing Franz Schmithüsen, Bastian Kaiser, Albin Schmidhauser, Stephan Mellinghoff, Karoline Perchthaler, Alfred W. Kammerhofer, 2015-05-08 Forestry has long been in a rather favourable position in offering a valuable raw material source in high demand However with rapidly changing end user demands and cost competitiveness within the forest and wood chain as a whole the industry is needing to adapt Explaining entrepreneurial action as part of a chain of comprehensive value added processes leads to a new perception of forest production and wood processing This book applies the main concepts of modern managerial science to the world of forestry and is the perfect book for students studying forestry and wood processing as well as entrepreneurs and managers within the sector Topics are covered from an entrepreneurial perspective and include perspectives from accounting finance economics supply chain management marketing and strategy Entrepreneurship & Management Manjunath V.S., 2010-09

Women and Entrepreneurship Beatrice E. Avolio Alecchi, Mirjana Radovi?-Markovi?, 2016-02-11 Women and Entrepreneurship comes from two authors with especially rich experience in this field of research Embracing experience in a range of developed and developing countries and examining both dependent and independent roles Beatrice Avolio and Mirjana Radovi Markovi profile women entrepreneurs and consider their motivations together with the obstacles and

challenges that they face and often overcome A focus on emerging forms of entrepreneurship leads to a concentration on what is happening in newly developing economies with a major case study set in a South American context The authors deal in particular with how rural entrepreneurship virtual entrepreneurship and project based and home based businesses particularly lend themselves to providing opportunities for women The authors findings reveal that increased participation of women in business leadership has brought about completely new ways of business communication new business strategies and company development models and is imposing a new behavioural style on businesses What is particularly encouraging is the evidence that female kinds of durability persistence and intuition are producing business advantage This means that the authors can clearly identify success factors and propose guidelines for the benefit of female entrepreneurs female led businesses and business in general This book will serve the needs of an academic audience of researchers in the growing field of studies into entrepreneurship as well as those teaching or studying business or women s studies topics It will of course appeal particularly to women owning and running businesses or aspiring to do so Models of Start-up Thinking and Action Andrew C. Corbett,Jerome A. Katz,2016-10-03 Volume 18 will focus on approaches to thinking about and creating the start up Both theoretical and empirical manuscripts that consider all aspects of start up planning thinking and action will be considered We also encourage practice based research and manuscripts that explore cutting edge pedagogical approaches
