Alfred Hitchcock's Vertigo Douglas A. Cunningham, 2012 This book is a collection of essays that examine the integrated relationship that the 1958 Alfred Hitchcock film Vertigo has with the history and culture of California and the San Francisco Bay area **Hitchcock/Truffaut** Alfred Joseph Hitchcock, François Truffaut, Helen G. Hitchcock 1899 1980 799 EXEMPLAARBLOKKEN AFGESPLITST **Classical Myth in Alfred Hitchcock's Wrong Man and Grace Kelly Films** Mark William Padilla, 2018-12-12 Mark Padilla's classical reception readings of Alfred Hitchcock features some of the director's most loved and important films and demonstrates how they are informed by the educational and cultural classicism of the director's formative years The six close readings begin with discussions of the production histories so as to theorize and clarify how classicism could and did enter the projects Exploration of the films through a classical lens creates the opportunity to explore new themes and ideological investments The result is a further appreciation of both the engine of the director's storytelling creativity and the expressionism of classicism especially Greek myth and art in British and American modernism The analysis organizes the material into two triptychs one focused on the three films sharing a wrong man pattern wrongly accused man goes on the run to clear himself the other treating the films starring the actress Grace Kelly Chapter One on The 39 Steps 1935 finds the origins of the wrong man plot in early 20th century British classicism and demonstrates that the movie utilizes motifs of Homer's Odyssey Chapter Two on Saboteur 1942 theorizes the impact of the director's memories of the formalism and myths associated with the Parthenon sculptures housed in the British Museum Chapter Three on North by Northwest participates in the myths of the hero Oedipus as associated with early Greek epic Freud Nietzsche and Sophocles Chapter Four on Dial M for Murder 1954 returns to Homer's Odyssey in the interpretive use of the lay of Demodocus a story about the sexual triangle of Hephaestus Aphrodite and Ares Chapter Five on Rear Window 1954 finds its narrative archetype in The Homeric Hymn to Aphrodite the erotic theme of Sirius the Dog Star also marks the film Chapter Six on To Catch a Thief 1955 offers the opportunity to break from mythic analogues and to consider

the film's philosophical resonances Plato and Epicurus in the context of motifs coalesced around the god Dionysus Bacchus

Hitchcock's Ear David Schroeder, 2012-03-22 Music is an underexplored dimension in Hitchcock's works Taking a different view from most works on Hitchcock David Schroeder focuses on how an expanded definition of music influences Hitchcock's conception of cinema The structure and rhythm of his films is an important addition to the critical literature on Hitchcock and our understanding of his films and approach to filmmaking Alfred Hitchcock liked to describe his work as a director in musical terms for some of his films it appears that he started with an underlying musical conception and transformed that sense of music into visual images The director's favorite scenes lacked dialogue and they made their impact through a combination of non verbal actions and music For example the waltz and the piano are used as powerful images in silent films and this approach carries over into sound films Looking at such films as *Vertigo* *Rear Window* and *Shadow of a Doubt* Schroeder provides a unique look at the way that Hitchcock thought about cinema in musical terms **Hitchcock's**

Rear Window John Fawell, 2004-11-22 In the process of providing the most extensive analysis of Alfred Hitchcock's *Rear Window* to date John Fawell also dismantles many myths and clichés about Hitchcock particularly in regard to his attitude toward women Although *Rear Window* masquerades quite successfully as a piece of light entertainment Fawell demonstrates just how complex the film really is It is a film in which Hitchcock the consummate virtuoso was in full command of his technique One of Hitchcock's favorite films *Rear Window* offered the ideal venue for the great director to fully use the tricks and ideas he acquired over his previous three decades of filmmaking Yet technique alone did not make this classic film great one of Hitchcock's most personal films *Rear Window* is characterized by great depth of feeling It offers glimpses of a sensibility at odds with the image Hitchcock created for himself that of the grand ghoul of cinema who mocks his audience with a slick and sadistic style Though Hitchcock is often labeled a misanthrope and misogynist Fawell finds evidence in *Rear Window* of a sympathy for the loneliness that leads to voyeurism and crime as well as an empathy for the film's women Fawell emphasizes a more feeling humane spirit than either Hitchcock's critics have granted him or Hitchcock himself admitted to and does so in a manner of interest to film scholars and general readers alike **Hitchcock** François

Truffaut, 1968 *The English Crime Play in the Twentieth Century* Beatrix Hesse, 2015-08-02 This is the first comprehensive study of the English crime play presenting a survey of 250 plays performed in the London West End between 1900 and 2000 The first part is historically orientated while the second one establishes a tentative poetics of the genre The third part presents an analysis of some 20 plays adapted from detective fiction *Genre-Busting Dark Comedies of the 1970s* Wes D.

Gehring, 2016-03-29 This examination of dark comedies of the 1970s focuses on films which concealed black humor behind a misleading genre label *All That Jazz* 1979 is a musical about death hardly Fred and Ginger territory This masking goes beyond misnomer to a breaking of formula that director Robert Altman called anti genre Altman's *MASH* 1970 ridiculed the military establishment in general the Vietnam War in particular under the guise of a standard military service comedy The

picaresque Western *Little Big Man* 1970 turned the bluecoats vs Indians formula upside down the audience roots for the Indians instead of the cavalry The book covers 12 essential films including *Harold and Maude* 1971 *Slaughterhouse Five* 1972 *One Flew Over the Cuckoo's Nest* 1975 and *Being There* 1979 with notes on *A Clockwork Orange* 1971 These films reveal a compounding complexity that reinforces the absurdity at the heart of dark comedy

Screening The Sacred Joel Martin, Conrad E. Ostwalt Jr., 2018-03-05 What are the religious impulses in the 1976 film *Rocky* and how can they work to shape one's social identity Do the films *Alien* and *Aliens* signify the reemergence of the earth goddess as a vital cultural power What female archetypes borne out of male desire inform the experience of women in *Nine and a Half Weeks* These are among the several compelling questions the authors of this volume consider as they explore the way popular American film relates to religion Oddly religion and film two pervasive elements of American culture have seldom been studied in connection with each other In this first systematic exploration the authors look beyond surface religious themes and imagery in film discovering a deeper implicit presence of religion They employ theological mythological and social and political criticism to analyze the influence of religion in all its rich variety and diversity on popular film Perhaps more importantly they consider how the medium of film has helped influence and shape American religious culture secular or otherwise More than a random collection of essays this volume brings to the study of religion and film a carefully constructed analytic framework that advances our understanding of both *Screening the Sacred* provides fresh and welcome insight to film criticism it also holds far reaching relevance for the study of religion Progressive in its approach instructive in its analyses this book is written for students scholars and other readers interested in religion popular film and the impact of each on American culture

Alfred Hitchcock's *Frenzy* Raymond Foery, 2023-06-14 After an unparalleled string of artistic and commercial triumphs in the 1950s and 1960s Alfred Hitchcock hit a career lull with the disappointing *Torn Curtain* and the disastrous *Topaz* In 1971 the depressed director traveled to London the city he had left in 1939 to make his reputation in Hollywood The film he came to shoot there would mark a return to the style for which he had become known and would restore him to international acclaim Like *The 39 Steps* *Saboteur* and *North by Northwest* before *Frenzy* repeated the classic Hitchcock trope of a man on the run from the police while chasing down the real criminal But unlike those previous works *Frenzy* also featured some elements that were new to the master of suspense's films including explicit nudity depraved behavior and a brutal act that would challenge *Psycho*'s shower scene for the most disturbing depiction of violence in a Hitchcock film In *Alfred Hitchcock's Frenzy: The Last Masterpiece* Raymond Foery recounts the history writing preprod

Midnight Cowboy James Kendrick, 2024-10-03 John Schlesinger's 1969 drama *Midnight Cowboy* follows the story of naive would be hustler Joe Buck Jon Voight and ailing con man Ratso Rizzo Dustin Hoffman set against the gritty backdrop of New York City in the late 1960s The film received widespread critical acclaim upon its release becoming the only X rated film to win the Academy Award for Best Picture James Kendrick argues that this film more so than its notable contemporaries captures the immense

turmoil change and revolution that was taking place both in Hollywood and in the larger American culture of the late 1960s He explores the film's production reception visual and thematic innovation and cultural impact not only its ground breaking portrayal of sexuality and relationships but also its exploration of themes of urban loneliness and socio economic disparity Through close analysis of the film and examination of articles press reports interviews and reviews from the five decades following its release Kendrick shows how *Midnight Cowboy* with its mix of visual poetry documentary like realism fragmentary flashbacks and unvarnished depiction of desperate characters on the fringes of society offers a unique focal point for the intersection of European art cinema and the new parameters of mainstream Hollywood at the end of the classic era

François Truffaut Annette Insdorf, 1994 Updated revised edition of the definitive work on Truffaut **Hitchcock's People, Places, and Things** John Bruns, 2019-05-15 *Hitchcock's People Places and Things* argues that Alfred Hitchcock was as much a filmmaker of things and places as he was of people Drawing on the thought of Bruno Latour John Bruns traces the complex relations of human and nonhuman agents in Hitchcock's films with the aim of mapping the Hitchcock landscape cognitively affectively and politically Yet this book does not promise that such a map can or will cohere for Hitchcock was just as adept at misdirection as he was at direction Bearing this in mind and true to the Hitchcock spirit *Hitchcock's People Places and Things* anticipates that people will stumble into the wrong places at the wrong time places will be made uncanny by things and things exchanged between people will act as not so secret agents that make up the perilous landscape of Hitchcock's work This book offers new readings of well known Hitchcock films including *The Lodger* *Shadow of a Doubt* *Psycho* *The Birds* and *Marnie* as well as insights into lesser discussed films such as *I Confess* and *Family Plot* Additional close readings of the original theatrical trailer for *Psycho* and a Hitchcock directed episode of *Alfred Hitchcock Presents* expand the Hitchcock landscape beyond conventional critical borders In tracing the network of relations in Hitchcock's work Bruns brings new Hitchcockian tropes to light For students scholars and serious fans the author promises a thrilling critical navigation of the Hitchcock landscape with frequent mental shake ups that Hitchcock promised his audience *Hitchcock's Appetites* Casey McKittrick, 2018-01-25 In *Hitchcock's Appetites* Casey McKittrick offers the first book length study of the relationship between Hitchcock's body size and his cinema Whereas most critics and biographers of the great director are content to consign his large figure and larger appetite to colorful anecdotes of his private life McKittrick argues that our understanding of Hitchcock's films his creative process and his artistic mind are incomplete without considering his lived experience as a fat man Using archival research of his publicity script collaboration and personal communications with his producers in tandem with close textual readings of his films feminist critique and theories of embodiment *Hitchcock's Appetites* produces a new and compelling profile of Hitchcock's creative life and a fuller more nuanced account of his auteurism **Film Sound Modernism** Andy Birtwistle, 2025-11-13 Despite the key contribution of sound to the development of cinema as a modern and modernist art form analyses of the relationship between film and modernism often

overlook the key role played by sound in film Film Sound Modernism addresses this critical neglect by exploring how speech music and sound effects have been used by filmmakers to articulate the conditions and experiences of modernity Through a wide ranging analysis of international films including those from Taiwan Mexico Poland and Hong Kong Andy Birtwistle approaches modernism as both a trans historical and trans national phenomenon He provides close readings of key examples of experimental and art cinema including The Forgotten Village 1941 L'avventura 1960 Riddles of the Sphinx 1977 The Terrorizers 1986 and Perestroika 2009 He then goes on to tackle topics including the use of environmental sounds in the films of Michelangelo Antonioni Tsai Ming-liang and Edward Yang the voices of non actors and artist filmmakers and the ways in which forms of creative noise challenge the traditional division of the soundtrack into dialogue music and effects In doing so he investigates the forms of sonic and audio visual experimentation that developed within the medium and re-examines cinema's place within the broader history of modernism

Searching for New Frontiers Rick Worland, 2018-04-30 Searching For New Frontiers offers film students and general readers a survey of popular movies of the 1960s The author explores the most important modes of filmmaking in times that were at once hopeful exhilarating and daunting The text combines discussion of American social and political history and Hollywood industry changes with analysis of some of the era's most expressive movies The book covers significant genres and evolving thematic trends highlighting a variety of movies that confronted the era's major social issues It notes the stylistic confluence and exchanges between three forms the traditional studio movie based on the combination of stars and genres low budget exploitation movies and the international art cinema As the author reveals this complex period of American filmmaking was neither random nor the product of unique talents working in a vacuum The filmmakers met head on with an evolving American social conscience to create a Hollywood cinema of an era defined by events such as the Vietnam War the rise of the civil rights movement and the moon landing

Becoming Carole Lombard Olympia Kiriakou, 2020-02-20 Becoming Carole Lombard Stardom Comedy and Legacy is a historical critique of the development and reception of Carole Lombard's stardom from the classical Hollywood period to present day Based on original archival research Olympia Kiriakou combines theoretically informed textual analyses of Lombard's performances and star image across different media biographies publicity materials photography and film with a critical engagement of the cultural economic social and industrial conditions that shaped her stardom Sitting at the intersection of feminist film theory star studies and comedy theory this work presents Lombard as a case study to challenge the screwball canon and existent academic discourse about female physical comedy and the alleged delicate female body In doing so it formulates a new historical approach to understanding gender femininity and identity in Hollywood comedies of the 1930s Moreover this is the first research of its kind to offer a comprehensive understanding of Lombard's stardom beyond her associations with the screwball comedy genre
