Umstrittene Katholizität: Von der zwiespältigen Beziehung zwischen Vielfalt und Einheit – Catholicity under Pressure: The Ambiguous Relationship between Diversity and Unity Dagmar Heller, Péter Szentpétery, 2016-04-02 Das Attribut katholisch wird in vielen Kontexten als Konfessionsbezeichnung einer bestimmten Kirche missverstanden Die in diesem Band vorgelegten Vorträge der 18 Wissenschaftlichen Konsultation der Societas Oecumenica beleuchten die kumenische Bedeutung der Katholizität die alle Kirchen im Glaubensbekenntnis bekennen Dabei werden auch die Spannungen zwischen

Einheit und Vielfalt sowie die Herausforderungen durch neuere Entwicklungen in der weltweiten Christenheit in den Blick genommen In many contexts the attribute catholic is misunderstood as a confessional term describing one specific church The papers of the 18th Academic Consultation of Societas Oecumenica presented in this book give insights to the ecumenical significance of the catholicity which all churches confess in the Creed They also take into consideration the tensions between unity and diversity as well as the challenges by new developments in worldwide Christianity **In His Name** Alison

To the Ends of the Earth Allan Heaton Anderson, 2013-01-04 No branch of Christianity has grown more rapidly than Pentecostalism especially in the southern hemisphere There are over 100 million Pentecostals in Africa In Latin America Pentecostalism now vies with Catholicism for the soul of the continent and some of the largest pentecostal congregations in the world are in South Korea In To the Ends of the Earth Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism Anderson argues that its spread is so dramatic because it is an ends of the earth movement pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe His wide ranging account examines such topics as the Azusa Street revival in Los Angeles the role of the first missionaries in China India and Africa Pentecostalism s incredible diversity due to its deep local roots and the central

role of women in the movement He describes more recent developments such as the creation of new independent churches megachurches and the health and wealth gospel and he explores the increasing involvement of pentecostals in public and political affairs across the globe Why is this movement so popular Anderson points to such features as the emphasis on the Spirit the born again experience incessant evangelism healing and deliverance cultural flexibility a place to feel at home religious continuity an egalitarian community and meeting material needs all of which contribute to Pentecostalism s remarkable appeal Exploring more than a century of history and ranging across most of the globe Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide **The Obvious**

The Great Tradition - A Great Labor Philip Harrold, D H Williams, 2012-05-31 At a recent conference entitled Ancient Wisdom Anglican Futures theologians from across the denominational spectrum considered the question What does it mean to inhabit the Great Tradition authentically As an expression of what C S Lewis called Deep Church Anglicanism offers a test case of Tradition with a capital T in late modernity Of particular interest is the highly dynamic transmission that has preserved a recognizable Anglican Way over the centuries The process has been enlivened through constant negotiation and exchange with surprising convergences that have brought new life and direction The contributors to this volume show how profitable and commodious as Richard Hooker has said the Great Tradition can be in nurturing the worship communal life and mission of the Church But it often demonstrates how hard it is to uphold the varied integrities of historic faith in the contemporary marketplace of religion and especially among evangelicals who continue to follow the Canterbury Trail

Faith and Public Life Alfred Sebahene, 2025-05-31 God's love in Jesus Christ for the salvation and recreation of all things is still the hope of the world. This Christian affirmation is the reality that holds all things and holds all things together. Yet in today's world it is easy to understand why the church is in pain and declining in its Christian and moral influence. Rethinking Church in the 21st Century is the culmination of three years of exploration into the condition of the church around the world today. Bringing together a diverse community of Christian voices, these essays offer reflections and admonitions to ignite the hearts of pastors and leaders during the dynamic, vulnerable and hopeful times we face. In this third volume, the contributors explore how the church should be engaged in the public space in the face of the new opportunities and fundamental challenges confronting the global church today. These realities: missional expansion, persistent barriers to human progress, shifts in the composition and centre of gravity of world Christianity, and a growing attention to the need for the church to embrace a radically different way of life, call for a new approach to the role of faith in our public life, to the different ways of witnessing to Christ and stewarding the mysteries of Christian faith. With solid grounding in Scripture and critical reflection for authentic Christian public witness and mission, this book speaks of how the gospel of Jesus Christ endlessly relates to the whole world and its reconciliation with God.

Practical Guide to Effective Soul Winning. Chris Okeke, 2012 God's intentions for all generations after the sin of Adam have always been to reconcile the sinners to Him, for this ultimate reason He chose the church to carry out this important mission. For this reason He gave us the great commission. This is what this book is all about. Many churches shy away from this responsibility because of lack of tools or motivation. This book is a practical guide for effective soul winning, written based on practical experience the author has earned over many years of street and house to house evangelism from Africa and the United States. The main objective of this book is to encourage and empower the church to engage in soul winning for we are living in a perilous time for His coming is any time or our exit from this planet earth maybe anytime soon. Jesus said to them Go into all the world and preach the good news to all creation Mark 16:15. The tools and motivation you need is in this book. It will awaken you. May the Lord guide you as you study. Dr Chris Okeke is an itinerant Evangelist who has found favor of God in the ministry of Soul winning. He started his evangelism career in Ibadan, Oyo State, Nigeria where God has used him to turn hundreds of people to Jesus. Dr Chris has shared the salvation message to thousands of people of diverse faith in Africa and the United States of America. He believes that every member of the body of Christ should engage in soul winning, reconciling the world to God. 11 Corinthians 5:18. Dr Chris also believes that evangelism is what the church is all about. Many congregations are not sharing the Gospel of Jesus for the lack of tools of motivation and empowerment. He is a teacher on evangelism, specifically on street and door to door soul winning. He is a motivator, a man full of God's wisdom and favor for soul winning. He is the founder of Finger of God outreach ministry and Tract evangelism, a ministry geared to winning souls for the kingdom of God. He is married to Mrs Helen

Ngozi Okeke and they have two beautiful children miss Gift Kodichimma Okeke and master Favour Chibueze Okeke they all reside in the USA

Sunny Isuekebhor, 2013-09-01 Salvation the chief subject of the Christian faith is an inexplicably neglected subject in the subjects and contents of today s Christian literature consequently there is so little understanding about this foundation many church people don t know how to explain the new birth and an astonishing number of people in churches are not born again Now it seems good to the Holy Spirit and to us to write a timeless classic on this foundational area *Translated* is perhaps the most unique book so far written on salvation and fills a gaping void *Translated* reads like a terrific novel of distinct and yet uniquely connected stories it provides answers to many questions that have begged answers for generations How do the Words of Jesus connect with the happenings and news headlines in our world today Did Jesus address homosexuality terrorism wars and global warming Why did Jesus use the expression Ye must be born again Considering how important it is to be born again why did Jesus only use that expression when talking to Nicodemus Why did Jesus never use the words Born again after the night meeting with Nicodemus If to be born again is the most important ingredient of the Christian faith and if the New Testament is a continuation of the old why was the expression born again never used in the Old Testament How does the story of Zacheus in Luke exemplify translation What did Jesus want us to learn by giving salvation to the thief on the cross just before He gave up the ghost What connects the story of the woman of Samaria at the well with that of Zachues and the thief on the cross Have you ever wondered how some of the key leaders in the body of Christ all over the world got saved Why is it so important for people to make an open confession of their faith before they can be saved How do natural things help us understand the power of translation Why did Jesus use the word Kingdom more than 100 times in the gospels of Matthew Mark Luke John What is the difference between the power of darkness and the kingdom of God How can believers in Jesus discover their calling Why do some preachers make little or no emphasis on translation salvation and the kingdom of

God How can I spot a false preacher or ministry Why should I believe in Jesus Why is salvation so scarce among celebrities
