H Factor Of Personality Why Some People Are Manipulative Self Entitled Materialistic Exploitive Why It Matters For Everyone Paperback Common:

The H Factor of Personality Kibeom Lee, Michael C. Ashton, 2013-05-21 The H in the H factor stands for Honesty Humility one of the six basic dimensions of the human personality People who have high levels of H are sincere and modest people who have low levels are deceitful and pretentious It isn't intuitively obvious that traits of honesty and humility go hand in hand and until very recently the H factor hadn't been recognized as a basic dimension of personality But scientific evidence shows that traits of honesty and humility form a unified group of personality traits separate from those of the other five groups identified several decades ago This book written by the discoverers of the H factor explores the scientific findings that show the importance of this personality dimension in various aspects of people's lives their approaches to money power and sex their inclination to commit crimes or obey the law their attitudes about society politics and religion and their choice of friends and spouse Finally the book provides ways of identifying people who are low in the H factor as well as advice on how to raise one's own level of H

How to Analyze People Jason Browne, 2020-03-08 How to Maintain Your Values While Neutralizing the Tricks of Manipulative People Even If You Don't Have a Mean Bone in Your Body For as long as you can remember you've always strived to be nice honest and helpful with everyone in your life It's how you were raised and it makes you feel good to treat people well But then one day you noticed that not everyone plays by the same rules They consistently get more from you than they give in return They trick you play on your emotions and employ all means necessary to unfairly get more for themselves Even your own child has gotten good at the bedtime tantrum for securing more storytime And at work it is a similar dynamic You find yourself getting roped into tasks that no one else at your level ever has to do How did things get this way First not all people are manipulative or controlling Plenty of people want to do their part and cultivate good relationships But there is a significant subset of people that have gotten really good at pushing the right buttons to get you to do what they want you to do even if it's unfair or against your interest It's bitter medicine the first time you realize that people are systematically doing this for their gain at your expense But the good news is that with a little awareness and a few simple techniques you can stand up for yourself and your rights Figuring out who's actively manipulating you versus simply asserting their rights so you don't overreact or continue to be a doormat Warning signs to identify manipulators right away Recognizing the tactics of manipulation and how to short circuit their power with counter moves of your own Understanding what motivates a manipulator so you can satisfy their needs without giving up your power The science of manipulation Seeing how these employed tactics impact your reality Your biggest mistakes Why not everything is your fault but some of it might be Understanding how manipulation manifests into relationship dynamics What it means to become a hardened target and how to make yourself less inviting as a victim of manipulation Healthy ways to assert your rights so people learn how you want to be treated Dealing with a manipulative person can be a daunting task Many people would rather put their head in the sand than try to change a social dynamic where the opposing party seems to have the advantage But the truth is that manipulators

are used to having their behavior go through unchecked Simply mixing up your response or challenging them in some way can do wonders Suddenly they will think twice about how to treat you in the future If you want to stop manipulators from trampling all over your rights and start asserting yourself more proactively then scroll up and click Add to Cart right now

How to Analyze People James W. Williams, 2019-11-12 If you're tired of being manipulated whether you're being tricked into doing things you don't want or others are taking advantage of you there are ways to stop manipulation and persuasion in its tracks In this book you will get a groundwork for what different types of persuasion and manipulation might be You will learn the process of how people use these tactics to their advantage The first half of the book will discuss what makes up an individual The way you use your body the words that you choose to speak and the way that they were raised all play important roles in what makes an individual You will also have to look at your own self and pick out all of these unique things that make them different from everyone else as well There are psychological studies that back up the idea of certain methods of persuasion such as NLP tactics that prove that anyone has the power to persuade others Inside this book you will discover What Dark Psychology is and how it's used to control people How to plant different emotional seeds that will grow in people's minds How to use words to steer people however you like How to identify and work with different types of people like contrarians and control freaks The jobs roles in society that you are most likely to be manipulated in The language of the subconscious The dirty tricks lovers and family members use to control their victims How to analyze different personality types Mind blowing tricks for manipulation Magic words for influencing others A step by step guide on influencing others with NLP Forbidden secrets of dark psychology Case studies showcasing how much damage a master manipulator can do And much more Although there are many differences among people there are also many things that make us the same In order to better analyze and understand those around you it's crucial to find those things that we do connect on and the things that bring us together rather than the things that tear us apart It's important when reading this book to remember that not all manipulation is bad In the first book of this boxset it is emphasized that those who might be manipulating you might also be taking advantage of you When reading this book you should remember that manipulation is a tool much like a hammer You can either use that hammer to destroy everything around you or you could alternatively use that hammer to create something organic something new This book will take you first through the discovery and analyzation of those around you and then it will provide different ways that you can persuade them The only thing you need before starting this book is the willingness to change You might have to confront some of your darkest issues and you might have to put yourself through future scenarios that elicit a feeling of discomfort In the end however you'll find yourself to be much more self aware and independent Click Add to Cart now and learn how to defend against dark psychology and keep your mind and life in control
