Approaches to World Literature Joachim Küpper, 2013-12-20 The present volume introduces new considerations on the topic of World Literature penned by leading representatives of the discipline from the United States India Japan the Middle East England France and Germany The essays revolve around the question of what specifically in today's rapidly globalizing world may be the productive implications of the concept of World Literature which was first developed in the 18th century and then elaborated on by Goethe The discussions include problems such as different script systems with varying literary functions as well as questions addressing the relationship between ethnic self description and cultural belonging The contributions result from a conference that took place at the Dahlem Humanities Center Freie Universität Berlin in 2012

Coil: A Collection of ecofeminist poems Dr. R. Lakshmi Priya, 2022-10-28 It is an undeniable fact that at times the only thing that can take us away from this mundane world to an exhilarating rejuvenating newer world is our closeness to nature My journey around the forests mountains lakes rivers and oceans of India started more as an exploration where I ended up gaining deeper understanding of myself My soil and the footprints that I left in my soil healed the industrial wounds that were annihilating me and my spirit As I became one of nature I was amazed by the vivid patterns in nature and Coil is dedicated to snails snakes creepers barks shells chameleons and numerous other coils This book is about the coils and twirled patterns of nature and how it inspires a woman through her journey of self understanding
