Is Islam a peaceful and tolerant religion? How did it get started? World events are making it more timely, important, and necessary for every Christian to understand how the world's fastest growing religion will affect them and how to stand firm in the truth of Christ. Renowned Bible Answer Man Hank Hanegraaff provides an in-depth look at Islam. For all the debate over Islam and its growing presence in the world, one thing is often overlooked: Islam is not a religion in the Western sense. It's an all-encompassing worldview opposed to anything but itself. While there may be millions of peaceful and tolerant Muslims, many of them our neighbors, Islam itself is not peaceful and tolerant. Islam is the only significant religious system in the history of the human race with a structure of laws that mandate violence against the infidel. The current narrative is that to tell the truth in this regard will radicalize Muslims and worsen hostilities. A common phrase you've probably heard is that Islam is not our enemy. As well intentioned as this mantra may be, it is a dangerous stance. Once someone understands Islam in full, Global Islamic jihadism is exacting mass genocide on Christians in the East and multiplying terrorist attacks throughout the West. Worse still, Western governments, academic institutions, and media outlets seem bent on peddling a false narrative about what Islam truly is. In *Muslim*, you will learn the

history of Islam from the bloody career of the prophet Mohammed to the authoritarian Islamic law Examine how Islamic theology refutes the core Christian beliefs of original sin Jesus resurrection and more Discover specific Islamic teaching inciting violence to non Muslims and even governments opposing Islamic law Find solutions and encouragement for Christians to withstand this growing global threat The conflict between Islam and the West is not going to die down or fade away The Islamic doctrines upon which it is based will continue to cause conflict on an ever increasing scale With Muslim Christians can equip themselves and others to stand unwavering in the truth of Christ Truth Matters, Life Matters More Hank Hanegraaff, 2019-11-12 America's Bible Answer Man contributes a treatise on the importance of absolute truth in a time of turmoil doubt and ambiguity But after his own life altering bout with cancer longtime popular theologian and radio personality Hank Hanegraaff also affirms that theological truth is not the goal but rather a roadmap on the path to the ultimate truth of union with God Is there more to the Christian life than what you're currently experiencing Leading Christian apologist Hank Hanegraaff has dedicated his life to defending truth because truth matters However his life and ministry were radically transformed by this three word phrase life matters more In essence Truth Matters Life Matters More is two books in one Because truth matters part 1 explicates the essentials of the Christian faith in a memorable way to equip readers to communicate Christian truth In part 2 Hank explains why life matters more and how we can experience the height of human existence union with God Simply put the map is not the territory The menu is not the meal We cheat ourselves of unadulterated union with Christ when we elevate the message above the Messenger Truth Matters Life Matters More is a modern classic and the magnum opus of one of the great theological minds of our time Prepare to discover the unexpected beauty of an authentic Christian life The Divine Inspiration of the Bible Arthur Walkington Pink, 1917 **The Nature and Extent of Divine Inspiration** Charles Adolphus Row, 1864 **The Divine Inspiration of the Bible (Classic Reprint)** Arthur Walkington Pink, 2018-01-18 Excerpt from The Divine Inspiration of the Bible If the Bible is the Word of God if it stands on an infinitely exalted plane all alone if it immeasurably transcends all the greatest productions of human genius then we should naturally expect to find that it has unique credentials that there are internal marks which prove it to be the handiwork of God that there is conclusive evidence to show that its Author is superhuman Divine That these expectations are realized we shall now endeavor to show that there is no reason whatever for any one to doubt the Divine inspiration of the Scriptures is the purpose of this book to demonstrate As we examine the natural world we find innumerable proofs of the existence of a Personal Creator and the same God who has manifested Himself through His works has also revealed His wisdom and will through His Word The God of creation and the God of written revelation are One and there are irrefutable arguments to show that the Almighty who made the heavens and the earth Is also the Author of the Bible About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the
