#### **Head Of State A Novel Andrew Marr:**

Head of State Andrew Marr, 2015-02-03 It's September 2017 and the United Kingdom is on the verge of a crucial referendum that will determine once and for all if the country remains a member of the European Union or goes its own way But unsuspected by the electorate and unknown to all but a handful of members of the Prime Minister's innermost circle there is a shocking secret at the very heart of government that could change everything in an instant A group of ruthlessly determined individuals will stop at nothing including murder to prevent that from happening Andrew Marr's first novel is a darkly comic tale of deception and skullduggery at Downing Street and Whitehall Making full use of his unrivalled inside knowledge of the British political scene Marr has created a sparkling entertainment a wholly original depiction of Westminster and its denizens and a fascinating irreverent glimpse behind the parliamentary curtain Andrew Marr, 2014 It's September 2017 and the United Kingdom is on the verge of a crucial referendum that will determine once and for all if the country remains a member of the European Union or goes its own way The stakes could not possibly be higher and the outcome is delicately balanced But unsuspected by the electorate and unknown to all but a handful of members of the Prime Minister's innermost circle there is a shocking secret at the very heart of government that were it to become known would change everything in an instant Alastair Campbell Diaries: Volume 8 Alastair Campbell, 2021-03-25 This latest volume of Campbell's acclaimed diaries sees the author and the country at a profound crossroads Brown is finally gone and Cameron is in the ascendancy with a little help from the Liberal Democrats Somehow Campbell must emerge from the ruins and grapple with his own future just as Britain begins its own journey into austerity and eventually to Brexit Volume 8 contains some of Campbell's most poignant and thought provoking writing so far and is a must read for fans of this most accomplished of political diarists **The Kingdom to Come** Peter Hennessy, 2015-05-01 Despite the No vote in the Scottish Independence Referendum of September 2014 the issue of potential Scottish secession from the United Kingdom has likely only just begun The Kingdom to Come is the first book length look at the consequences and implications of this momentous event Peter Hennessy discusses the run up to the Scottish Independence Referendum and its immediate aftermath as well as the constitutional issues the referendum opened for the entire United Kingdom This book includes Hennessy's personal impressions of recent questioning of the Acts of Union that created Great Britain and describes when he as the top expert on Britain's unwritten constitution became an important voice in what might happen next The Kingdom to Come also offers a valuable examination of the possible agenda for remaking the constitution in both the medium and long term Head of State Andrew Marr, 2016-01-05 September 2017 The UK is on the verge of a crucial referendum that will determine once and for all whether the country remains a member of the European Union When a young investigative reporter is found dead on the streets of London few people notice. Then another body minus its head and hands is washed up on the banks of the Thames and its grisly condition arouses more interest There appears to be no

connection between the two dead men But unsuspected by the electorate and unknown to all but a handful of members of the Prime Minister's innermost circle there is a shocking and dangerous secret at the heart of government that could change everything in an instant A group of ruthlessly determined individuals will stop at nothing including murder to prevent that **Europe in Upheaval** Michaela Nicole Raß, Kay Wolfinger, 2022-09-01 This volume on the term Europe is based on a conference that took place in the winter of 2018 at the Carl Friedrich von Siemens Foundation in Munich Europe in its complexity in its character of radical change and its power of fascination is of unbroken topicality At the same time European identity is endangered by current challenges such as populism and the rise of nationalism The contributions to the conference address the question of the extent to which contemporary literature and also current films react to these upheavals and to what extent the talk of a crisis in Europe or European integration is perceptible in the areas of literature and film This book is a translation of the original German 1st edition Europa im Umbruch edited by Michaela Nicole Ra and Kay Wolfinger published by Springer Verlag GmbH Germany part of Springer Nature in 2020 The translation was done with the help of artificial intelligence machine translation by the service DeepL com A subsequent human revision was done primarily in terms of content so that the book will read stylistically differently from a conventional translation Springer Nature works continuously to further the development of tools for the production of books and on the related technologies to Crisis and the Culture of Fear and Anxiety in Contemporary Europe Carmen Zamorano support the authors Llena, Jonas Stier, Billy Gray, 2023-08-01 The accruement of crises over the last two decades with their particular manifestations in the European context has evoked the feeling of living in exceptional times as captured in the recurrent claim that we live in the age of anxiety The main aim of this collection is to analyse from a multidisciplinary perspective the causes and consequences of the current dominance of the discourse of fear anxiety and crisis through the experience of distinct and often interdependent moral panics in twenty first century Europe With its multidisciplinary approach this volume sheds light on the need to view the interrelationship between different crises and their associated affects as crucial in attaining a more nuanced understanding of the aetiology and effects of the current age of anxiety This multidisciplinary scruting of the interrelationship of twenty first century fears anxiety and crises signals an original engagement with these complex phenomena in order to make their emergence and profound effects on contemporary society more comprehensible The timeliness of the thematic focus and the rigorous in depth analyses make this collection relevant to students and academics within the fields of sociology literary and cultural studies political science and anthropology as well as to those in European studies and global studies Brexlit Kristian Shaw, 2021-07-29 Britain's vote to leave the European Union in the summer of 2016 came as a shock to many observers But writers had long been exploring anxieties and fractures in British society from Euroscepticism to immigration to devolution to post truth narratives that came to the fore in the Brexit campaign and its aftermath Reading these tensions back into contemporary British writing Kristian Shaw coins the term

Brexlit to deliver the first in depth study of how writers engaged with these issues before and after the referendum result Examining the work of over a hundred British authors including Julian Barnes Jonathan Coe Kazuo Ishiguro and Ali Smith as well as popular fiction by Andrew Marr and Stanley Johnson Brexlit explores how a new and urgent genre of post Brexit fiction is beginning to emerge The State of the Novel Dominic Head, 2009-01-30 Part of the Blackwell Manifestos series The State of the Novel offers a lively yet rigorous investigation into the state and future of the contemporary British novel written by an expert in the field Evaluates the state of the serious literary novel and novel criticism Prominent treatment is paid to the internationalization of the novel in English Offers a manifesto on contemporary fiction from an expert in this field Dominic Head is best known for his Cambridge Introduction to Modern British Fiction 1950 2000 Establishes the shared interests of contemporary theorists of the novel cultural commentators and novel consumers An ideal supplementary text for **Brexit and Literature** Robert students and faculty interested in the novel and contemporary fiction Eaglestone, 2018-03-09 Brexit is a political economic and administrative event and it is a cultural one too In Brexit and Literature Robert Eaglestone brings together a diverse range of literary scholars writers and poets to respond to this aspect of Brexit The discipline of English as the very name suggests is concerned with cultural and national identity literary studies has always addressed ideas of nationalism and the wider political process With the ramifications of Brexit expected to last for decades to come Brexit and Literature offers the first academic study of its impact on and through the humanities Including a preface from Baroness Young of Hornsey Brexit and Literature is a bold and unapologetic volume focusing on the immediate effects of the divisive referendum while meditating on its long term impact Writing a First Novel Karen Stevens, 2017-09-16 In this inspiring collection of essays a range of award winning established and newly published writers offer highly personal accounts of their creative processes Authors reveal the anxieties considerations and discoveries that shaped their own first novels arming new writers with practical advice focus and inspiration The book s final section presents the perspectives of an agent a publisher and an author on the business of publishing a first novel Writing a First Novel offers an illuminating read for both aspiring and seasoned writers It contains contributions by Hanif Kureishi Valerie Martin Johanna Skibsrud David Vann Maile Chapman Edward Hogan Kishwar Desai Wena Poon Alison MacLeod Andrew Cowan Jane Rusbridge Isabel Ashdown Helon Habila David Swann Soumya Bhattacharya Jane Feaver Hannah Westland Helen Garnons A/AS Level History for AQA The Making of Modern Britain, 1951-2007 Student Book David Williams Lionel Shriver Dutton, Lucien Jenkins, Richard Kerridge, 2016-06-30 A new series of bespoke full coverage resources developed for the AQA 2015 A AS Level History Approved by AQA this print Student Book covers The Making of Modern Britain 1951 2007 Depth component and provides valuable background information to contextualise the period of study Supporting students in developing their critical thinking research and written communication skills it also encourages them to make links between different time periods topics and historical themes Children of the Master Andrew Marr, 2015 ONE DOOMED PRIME

MINISTER TWO WOULD BE SUCCESSORS BUT WHO S PULLING THE STRINGS The second novel from Britain's foremost political commentator is a thrillingly intimate look at the inner workings of Whitehall and who really controls party politics The Labour Party has unexpectedly won a narrow majority in the 2018 general election But the new government is weak and divided its unpopular leader embattled in the House of Commons A group of eminent figures from the party s past see an opportunity to re establish their grip over its future by replacing the prime minister with a figurehead they can manipulate to their own ends But who will they choose Two possible candidates emerge from the recent intake of MPs David Petrie a self made Scot with a working class background and a troubled personal history and Caroline Phillips a high flying Londoner whose complicated private life could be either her greatest handicap or her greatest asset Against a backdrop of intrigue and betrayal at the Palace of Westminster both must struggle with the sacrifices and compromises they will have to make if they are to seize the greatest political prize of all In his second novel Andrew Marr draws on his unrivalled inside knowledge of British politics to expose the foibles duplicities and absurdities of those we elect to govern us The Politics of **Accountability in the Modern State** Matthew Flinders, 2017-10-05 This title was first published in 2001 In this compelling work Matthew Flinders examines how far alternative forms of accountability have evolved and the extent to which they remedy the current shortcomings of the parliamentary system Adopting a pluralistic perspective this exploration of the accountability of the core executive is clearly grounded in research methodology thus ensuring the book makes a valid incisive contribution to the literature Features include A detailed study of the location of power and mechanisms of accountability in modern government which challenges the largely prosaic existing literature Useful summaries of the key tensions and trends within constitutional infrastructure A new and refreshing approach to the study of central government Insightful critiques of major governmental policies This intriguing volume will be of interest to undergraduates post graduates and lecturers for courses on legislative studies central government reform public administration British politics and research methods **The Contemporary Review**, 2012 **Federal Britain** John Kendle, 2002-11-01 The United Kingdom faces with two major federal constitutional debates The first is about the nations which comprise the British state and hence the division of power between Westminster and regional parliaments of Wales Scotland and Northern Ireland The second surrounds the United Kingdom and the European Union This text explores the British engagement with the federal idea from the early 1600s onwards and sets contemporary discussions in context In the past four centuries the British have often looked to the federal idea as a possible solution to problems of the unity of the United Kingdom and of the British Empire This period has also seen successful adoption of federalism by many countries including Britain's former colonial possessions John Kendle examines the break up of the first British empire and the development of modern federalism As well as discussing the Anglo Irish relationship and the United Kingdom's relationship to Europe the author focuses on other contemporary issues such as the world order imperial federation and decolonization The New British Constitution

Vernon Bogdanor, 2009-06-03 The last decade has seen radical changes in the way we are governed Reforms such as the Human Rights Act and devolution have led to the replacement of one constitutional order by another This book is the first to describe and analyse Britain's new constitution asking why it was that the old system seemingly hallowed by time came under challenge and why it is being replaced The Human Rights Act and the devolution legislation have the character of fundamental law They in practice limit the rights of Westminster as a sovereign parliament and establish a constitution which is quasi federal in nature The old constitution emphasised the sovereignty of Parliament The new constitution by contrast emphasises the separation of powers both territorially and at the centre of government The aim of constitutional reformers has been to improve the quality of government But the main weakness of the new constitution is that it does little to secure more popular involvement in politics. We are in the process of becoming a constitutional state but not a popular constitutional state The next phase of constitutional reform therefore is likely to involve the creation of new forms of democratic engagement so that our constitutional forms come to be more congruent with the social and political forces of the age The end point of this piecemeal process might well be a fully codified or written constitution which declares that power stems not from the Queen in Parliament but instead as in so many constitutions from We the People The old British constitution was analysed by Bagehot and Dicey In this book Vernon Bogdanor charts the significance of what is coming to replace it The expenses scandal shows up grave defects in the British constitution Vernon Bogdanor shows how the constitution can be reformed and the political system opened up in The New British Constitution **Consuming History** Jerome de Groot, 2016-02-08 Consuming History examines how history works in contemporary popular culture Analysing a wide range of cultural entities from computer games to daytime television it investigates the ways in which society consumes history and how a reading of this consumption can help us understand popular culture and issues of representation In this second edition Jerome de Groot probes how museums have responded to the heritage debate and how new technologies from online game playing to internet genealogy have brought about a shift in access to history discussing the often conflicted relationship between public and academic history and raising important questions about the theory and practice of history as a discipline Fully revised throughout with up to date examples from sources such as Wolf Hall Game of Thrones and 12 Years a Slave this edition also includes new sections on the historical novel gaming social media and genealogy It considers new ground breaking texts and media such as YouTube in addition to entities and practices such as re enactment that have been underrepresented in historical discussion thus far Engaging with a broad spectrum of source material and comparing the experiences of the UK the USA France and Germany as well as exploring more global trends Consuming History offers an essential path through the debates for readers interested in history cultural studies and the media The Ten-vear Book of Cornell University .... Cornell University, 1908 **Business Journalism** Ibrahim Seaga Shaw, 2015-07-16 Business Journalism A Critical Political Economy Approach critically explores the failures of business journalists in striking the balance between the bottom line business model and their role in defending the public interest Drawing on historical and political economic perspectives and analysing these in relation to critical political economic theory the book explores failures of business journalism through the dwindling of social responsibility in the business journalist s role in holding political and corporate power to account Ibrahim Seaga Shaw draws on a diverse range of case studies including investigative journalism in The Standard Oil and Enron Scandals corporate propaganda in relation to business reporting financial Journalism and the global financial crises of the late 90s and 2008 public business journalism and subprime mortgage loans horsemeat and bent iPhone 6 scandals ethical challenges of business and journalism from developed to emerging BRICS economies business or financial journalism Modernity vs postmodernity macroeconomics vs microeconomics challenges of business journalism in the digital age Business Journalism A Critical Political Economy Approach is essential reading for students and scholars interested in understanding the historical failings and potential futures for business journalism and those wishing to develop specialist financial economic and business reporting in today s globalised media landscape
