## **Heaven Has No Favorites Erich Maria Remarque:**

**Heaven Has No Favorites** Erich Maria Remarque, 2014-04-01 From one of the twentieth century's master novelists the author of the classic *All Quiet on the Western Front* comes *Heaven Has No Favorites* a bittersweet story of unconventional love that sweeps across Europe Lillian is charming beautiful and slowly dying of consumption But she doesn't wish to end her days in a hospital in the Alps She wants to see Paris again then Venice to live frivolously for as long as possible She might die on the road she might not but before she goes she wants a chance at life Clerfayt a race car driver tempts fate every time he's behind the wheel A man with no illusions about chance he is powerfully drawn to a woman who can look death in the eye and laugh Together he and Lillian make an unusual pair living only for the moment without regard for the future It's a perfect arrangement until one of them begins to fall in love The world has a great writer in Erich Maria Remarque He is a craftsman of unquestionably first rank a man who can bend language to his will Whether he writes of men or of inanimate nature his touch is sensitive firm and sure *The New York Times Book Review* **Understanding Erich Maria Remarque**

Hans Wagener, 1991 In this book Wagener presents the life and work of the German writer Erich Maria Remarque whose antiwar and exile novels have sold millions of copies worldwide The author tells of Remarque's fascinating life as a child in the Westphalian city of Osnabruck as a soldier in World War 1 as a newspaper editor in Hannover and Berlin as the famed author of *All Quiet on the Western Front* and as a German living in exile in Switzerland and the United States Wagener then provides an in depth analysis of Remarque's novels placing them in the context of 20th century history A discussion of their aesthetic merits as well as their reception in the United States and in Germany is also included **Heaven Has No**

**Favorites** Erich Maria Remarque, 1964 *The Novels of Erich Maria Remarque* Brian Murdoch, 2006 New view of Remarque's novels as a chronicle of the century yet more than a mere reflection of historical events Heaven Has No Favourites Erich Maria Remarque, 1963 **Conversations at the American Film Institute with the Great**

**Moviemakers** George Stevens, Jr., 2014-01-28 ONE OF THE HOLLYWOOD REPORTER'S 100 GREATEST FILM BOOKS OF ALL TIME A rich companion volume to George Stevens Jr's much admired book of American Film Institute seminars with the pioneering moviemakers of Hollywood's Golden Age this time with a focus on filmmakers of the 1950s to present day The Next Generation brings together conversations with moviemakers at work from the 1950s during the studios decline to today's Hollywood Directors producers writers actors cinematographers composers film editors and independent filmmakers appear within these pages including Steven Spielberg Nora Ephron George Lucas Sidney Poitier Meryl Streep David Lynch Darren Aronofsky and more We see how the filmmakers of today and those of Hollywood's Golden Age face the same challenges of both art and craft to tell compelling stories on the screen And we see the ways in which actors and directors work together how each director has his or her own approach and how they share techniques and theories Sydney Pollack Janet L. Meyer, 2015-08-13 Jeremiah Johnson The Way We Were Absence of Malice Out of Africa Tootsie The Firm

Searching for Bobby Fischer Sydney Pollack has produced directed or appeared in some of the biggest and most influential films of the last quarter century His emergence in Hollywood coincided with those of such other innovative directors as John Frankenheimer George Roy Hill and Sidney Lumet and with them he helped develop a contemplative style of filmmaking that was almost European in its approach but retained its commercial viability Film by film this work examines the directorial career of Sydney Pollack One finds that his style is marked by deliberate pacing ambiguous endings and metaphorical love stories Topically Pollack's films reflect social culture and political dilemmas that hold some fascination for him with multidimensional characters in place that generally break the stereotypical molds of the situations Pollack's directing efforts on television are also detailed as are his production and acting credits **Catalog of Copyright Entries. ### **German Literature and the First World War: The Anti-War Tradition**

Brian Murdoch, 2016-03-09 The period immediately following the end of the First World War witnessed an outpouring of artistic and literary creativity as those that had lived through the war years sought to communicate their experiences and opinions In Germany this manifested itself broadly into two camps one condemning the war outright the other condemning the defeat Of the former Erich Maria Remarque's *All Quiet on the Western Front* remains the archetypal example of an anti war novel and one that has become synonymous with the Great War Yet the tremendous and enduring popularity of Remarque's work has to some extent eclipsed a plethora of other German anti war writers such as Hans Chlumberg Ernst Johannsen and Adrienne Thomas In order to provide a more rounded view of German anti war literature this volume offers a selection of essays published by Brian Murdoch over the past twenty years Beginning with a newly written introduction providing the context for the volume and surveying recent developments in the subject the essays that follow range broadly over the German anti war literary tradition telling us much about the shifting and contested nature of the war The volume also touches upon subjects such as responsibility victimhood the problem of historical hiatus in the production and reception of novels drama poetry film and other literature written during the war in the Weimar Republic and in the Third Reich The collection also underlines the potential dangers of using novels as historical sources even when they look like diaries One essay was previously unpublished two have been augmented and three are translated into English for the first time Taken together they offer a fascinating insight into the cultural memory and literary legacy of the First World War and German anti war texts *Erich Maria Remarque* Harley U. Taylor, 1989 *Erich Maria Remarque A Literary and Film Biography* is a comprehensive study of the life literary career and works of the best selling and controversial author of *All Quiet on the Western Front* and eleven other novels The book also examines the eight films which are based on his novels and discusses their casting filming and critical reception **Flotsam** Erich Maria Remarque, 2013-12-17 From the beloved author of *All Quiet on the Western Front* *Flotsam* is a terrifying portrait of Europe as the Nazi shadow falls over the continent Political
