Spellcraft for Hedge Witches Rae Beth, 2018-01-31 Village wisewomen and men the community's witches have always helped to heal wounded lives When disaster strikes such as serious illness or some kind of abuse or loss or when we re struggling through things such as divorce or family conflict today's hedge witchcraft can still give us the means to help ourselves or others There are for example spells to banish the spirits of cruelty or injustice There are ways of countering the ill effects of spiteful thoughts which others may hold about us We can rebuild our sense of ourselves by magic that holds us true to our real life purpose throughout any crisis What is presented here is not superficial and not a shortcut Rather it is a powerful process a method which can be adapted to any situation where help may be needed **The Story of Witches** Willow Winsham, 2025-03-14 The witch malevolent magical multi faceted has walked among us for centuries Demonic and deviant or liberated and revered in this enchantingly illustrated book Willow Winsham explores the many guises of the witch across folklore history and superstition From Hekate to Baba Yaga from shape shifting hares to Macbeth the book starts with a rich dive into the ideas of the witch in myth legend and fairytale Next follows an exploration of popular belief and superstition during the witch trials across Europe and the United States one of the most tumultuous and bloody of our collective history. The last section brings us to more recent times exploring how how the image and identity of the witch has been reclaimed and reinvented the significance of the Wheel of the Year the advent of Wicca and modern Witchcraft and beyond Finally and most crucially we are left with the vital question what have we learned from the past and what is the best way to approach our often terrible shared history of the witch Witchcraft Unchained Craig Spencer, 2024-03-27 On June 22 1951 the last of the Witchcraft Acts was repealed in the UK This single action would lead to the rise of what would become the global witchcraft revival movement Despite another year marking the passing of this historical event so much of our history still remains lost misunderstood or frankly made inaccessible to the magical community at large There is a craving for better information about the more recent history of witchcraft in the hopes that these gaps in knowledge may be filled and it s the author's intention to make Witchcraft Unchained Exploring the History Traditions of British Craft the book that will do just that By addressing the metaphorical chains that have found their way into our community and restoring what has been lost misunderstood or made inaccessible the reader can become empowered with new thoughts which will allow them to connect with their magic on a deeper and more personal level Craft of the Hedge Witch Geraldine Smythe, 2020-08 The world I was looking at defied description If it weren t for the haunting voice describing everything to me I would have regarded it all as nothing more than a fluke just another strange dream that I would probably forget But this was no ordinary dream I was being shown another world in an intentional and purposeful manner The imagery before me did not change or shift as in a regular dream and when I had questions in my mind the strange calm voice would answer me in
