Heinrich Himmler Peter Longerich:

Heinrich Himmler Peter Longerich, 2012 A biography of Heinrich Himmler interweaving both his personal life and his political career as a Nazi dictator Holocaust Peter Longerich, 2010 A comprehensive history of the Nazi persecution and murder of European Jews demonstrating just how central anti-Semitism was to Nazi ideology and what a driving force it was in the development of Nazi decision making from their earliest days in power through to the invasion of the Soviet Union and the implementation of the Final Solution Hitler Peter Longerich, 2019 From the authoritative biographer of Joseph Goebbels and Heinrich Himmler a culminating work on the commanding figure of the Third Reich *Goebbels* Peter Longerich, 2015-05-05 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE TELEGRAPH From renowned German Holocaust historian Peter Longerich comes the definitive one volume biography of Adolf Hitler's malevolent minister of propaganda In life and in the grisly manner of his death Joseph Goebbels was one of Adolf Hitler's most loyal acolytes By the end no one in the Berlin bunker was closer to the Führer than his devoted Reich minister for public enlightenment and propaganda But how did this clubfooted son of a factory worker rise from obscurity to become Hitler's most trusted lieutenant and personally anointed successor In this ground breaking biography Peter Longerich sifts through the historical record and thirty thousand pages of Goebbels's own diary entries to provide the answer to that question Longerich the first historian to make use of the Goebbels diaries in a biographical work engages and challenges the self serving portrait the propaganda chief left behind Spanning thirty years the diaries paint a chilling picture of a man driven by a narcissistic desire for recognition who found the personal affirmation he craved within the virulently racist National Socialist movement Delving into the mind of his subject Longerich reveals how Goebbels's lifelong search for a charismatic father figure inexorably led him to Hitler to whom he ascribed almost godlike powers This comprehensive biography documents Goebbels's ascent through the ranks of the Nazi Party where he became a member of the Führer's inner circle and launched a brutal campaign of anti-Semitic propaganda Though endowed with near dictatorial control of the media film radio press and the fine arts Longerich's Goebbels is a man dogged by insecurities and beset by bureaucratic infighting He feuds with his bitter rivals Hermann Göring and Alfred Rosenberg unsuccessfully advocates for a more radical line of total war and is thwarted in his attempt to pursue a separate peace with the Allies during the waning days of World War II This book also reveals as never before Goebbels's twisted personal life his mawkish sentimentality manipulative nature and voracious sexual appetite A harrowing look at the life of one of history's greatest monsters Goebbels delivers fresh insight into how the Nazi message of hate was conceived nurtured and disseminated This complete portrait of the man behind that message is sure to become a standard for historians and students of the Holocaust for decades to come Praise for Goebbels Peter Longerich has delved into rarely accessed material from his subject's diaries which span thirty years to paint a remarkable portrait of the man who became one of Hitler's most trusted lieutenants The Daily Telegraph Praise for Heinrich Himmler There have been several

studies of this enigmatic man but Peter Longerich's massive biography grounded in exhaustive study of the primary sources is now the standard work and must stand alongside Ian Kershaw's Hitler Ulrich Herbert's Best and Robert Gerwarth's Hitler's Hangman The Life of Heydrich as one of the landmark Nazi biographies As the author of a celebrated study of the Holocaust Longerich is better able than his predecessors to situate Himmler within the vast machinery of genocide And he brings to his task a gift for capturing those mannerisms that are the intimate markers of personality London Review of Books An excellent and comprehensive biography The New York Review of Books Hitler Peter Longerich,2019-09-05 From the authoritative biographer of Joseph Goebbels and Heinrich Himmler a culminating work on the commanding figure of the Third Reich Hitler's People Richard J. Evans,2025-11-18 Named a Best Book of the Year by Kirkus Reviews and Air Mail A fascinating and instructive book elegantly written and perceptive Wall Street Journal Kaleidoscopic A fascinating exploration of individual agency that never loses sight of the larger context Just the kind of probing nuanced and unsparing study to help us think things through The New York Times Through a connected set of biographical portraits of key Nazi figures that follows power as it radiated from Hitler to the inner and outer circles of the regime's leadership one of our greatest historians answers the enduring question How does a society come to carry out a program of unspeakable evil Richard J Evans author of the acclaimed Third Reich trilogy and more than a dozen other volumes on modern Europe is our preeminent scholar of Nazi Germany Having spent half a century searching for the truths behind one of the most horrifying episodes in human history in Hitler's People he brings us back to the original site of the Nazi movement namely the lives of its most important and representative members Working in concentric circles out from Hitler and his closest allies Hitler's People forms a typological framework of German society under Nazi rule from the top down With a novelist's eye for detail Evans explains the Third Reich through the personal characteristics and professional ambitions of its members from its most notorious deputies such as Goebbels the regime's propagandist and Himmler the Holocaust's chief architect to the crucial enforcers and instruments of the Nazi agenda that history has largely forgotten such as the schoolteacher Julius Streicher or the actress and film director Leni Riefenstahl Drawing on a wealth of recently unearthed historical sources Hitler's People lays bare the characters whose choices caused the deaths of millions Nearly a century after Hitler's rise the leading nations of the west are once again being torn apart by an untamed will to power By telling the stories of these infamous individuals as human lives Evans asks us to grapple with the complicated nature of agency and complicity showing us that the distinctions between individual and collective responsibility and even between pathological evil and rational choice are never easily drawn **Female Administrators of the Third Reich** Rachel Century,2017-08-10 This book compares female administrators who specifically chose to serve the Nazi cause in voluntary roles with those who took on such work as a progression of established careers Under the Nazi regime secretaries SS Helferinnen female auxiliaries for the SS and Nachrichtenhelferinnen des Heeres female auxiliaries for the army held similar jobs taking dictation answering telephones

sending telegrams Yet their backgrounds and degree of commitment to Nazi ideology differed markedly The author explores their motivations and what they knew about the true nature of their work These women had access to information about the administration of the Holocaust and are a relatively untapped resource Their recollections shed light on the lives love lives and work of their superiors and the tasks that contributed to the displacement deportation and death of millions The question of how gender intersected with Nazism repression atrocity and genocide forms the conceptual thread of this book

Marked for Death Geert Wilders, 2012-05-01 Marked for Death Fanatics terrorists and appeasers have tried everything to silence Geert Wilders Europe's most controversial Member of Parliament from putting him on trial to putting a price on his head But Wilders refuses to be silenced and one result is the book you have in your hands For years from his native Netherlands Wilders has sounded the alarm about the relentless spread of Islam in the West And he has paid a steep personal price enduring countless death threats and being forced into a permanent state of hiding Now for the first time Wilders offers a full account of his long battle against the zealots who have already slaughtered his countryman Theo van Gogh whose killer also threatened to murder Wilders himself In Marked for Death Wilders reveals How and why liberal politicians including Barack Obama downplay the Islamic threat The systematic suppression of free speech through lawsuits prosecutions threats and violence meted out against Islam's critics The untold story how Islamic groups are redefining human rights to suppress non Muslims everywhere The true bloody history of Islam's spread throughout the world How the West can defend itself against an existential enemy determined to conquer the globe Expelled from Britain banned from Indonesia denounced by the UN Secretary General prosecuted in court for his beliefs forced into government safe houses and constantly threatened with death Geert Wilders is unbowed and unapologetic Marked for Death is a stark warning about a growing threat to our liberties written by a man who has lost his freedom and would not see the rest of us suffer the same fate

Building a Nazi Europe Martin R. Gutmann, 2017-01-26 In a compelling new study Gutmann offers an in depth examination of the Swedish Swiss and Danish men who worked and fought for the SS during the Second World War Dispelling a host of myths regarding foreign collaboration with Hitler's regime it reveals how these men were highly motivated to affect a National Socialist revolution across North Western or Germanic Europe Working behind Berlin desks they played a pivotal part in shaping the Nazi New Order and actively participated in the regime's brutal atrocities on the Eastern Front and on the streets of Western Europe The book argues that these men became a focal point for infighting in the regime regarding the role of non Germans in National Socialism Building a Nazi Europe sheds new light on historical conceptions of fascism collaboration transnational history and the Holocaust

Speer Martin Kitchen, 2015-10-28 Sets the record straight on Albert Speer's assertions of ignorance of the Final Solution and claims to being the good Nazi Kirkus Reviews In his bestselling autobiography Albert Speer Minister of Armaments and chief architect of Nazi Germany repeatedly insisted he knew nothing of the genocidal crimes of Hitler's Third Reich In this revealing new biography author Martin

Kitchen disputes Speer's lifelong assertions of ignorance and innocence portraying a far darker figure who was deeply implicated in the appalling crimes committed by the regime he served so well. Kitchen reconstructs Speer's life with what we now know including information from valuable new sources that have come to light only in recent years. The result is the first truly serious accounting of the man, his beliefs and his actions during one of the darkest epochs in modern history, not only countering Speer's claims of non culpability but also disputing the commonly held misconception that it was his unique genius alone that kept the German military armed and fighting long after its defeat was inevitable. A devastating portrait of an empty narcissistic and compulsively ambitious personality. The Wall Street Journal. Kitchen's exhaustively researched detailed book nails one by one the lies of the man who provided a thick coat of whitewash to millions of old Nazis. Its fascinating account of how the moral degradation of the chaotic Nazi regime corrupted an entire nation is a timely warning for today. Daily Mail. Book of the Month. An excellent new biography. Kitchen has taken a wrecking ball to Speer's mendacious and meticulously created self image. And about time too. History Today. Nordicism and Modernity Gregers Einer Forssling, 2020-11-28. This book offers a complete narrative of the development of Nordicism from its roots in the National Romantic movement of the late eighteenth century through to its most notorious manifestation in Nazi Germany and finally to the fragmented forms that still remain in contemporary society. It is distinctive in treating Nordicism as a phenomenon with its own narrative rather than as discreet episodes in works studying aspects of Eugenics, Nationalism, Nazism and the reception history of Old Norse culture. It is also distinctive in applying to this narrative a framework of analysis derived from the parallel theories of Roger Griffin and Zygmunt Bauman to examine Nordicism as a process of myth creation protecting both the individual and society from the challenges and terror of an ever changing and accelerating state of modernity.

War, Pacification, and Mass Murder, 1939 Jürgen Matthäus, Jochen Böhrer, Klaus-Michael Mallmann, 2014-04-18

Published in association with the United States Holocaust Memorial Museum. This invaluable work traces the role of the Einsatzgruppen of the Security Police and SD, the core group of Himmler's murder units involved in the Final Solution of the Jewish Question during and immediately after the German campaign in Poland in 1939. In addition to relevant Einsatzgruppen reports, the book includes key documents from other sources, especially eyewitness accounts from victims or onlookers. Such accounts provide an alternative, often much more realistic perspective on the nature and consequences of the actions previously known only through documentation generated by the perpetrators. With carefully selected primary sources contextualized by the authors' clear narrative, this work fills an important gap in our understanding of a crucial period in the evolution of policies directed against Jews, Poles and others deemed dangerous or inferior by the Third Reich. Supplemented by maps and photographs, this book will be an essential reference and research tool. *The Holocaust as Colonial Genocide* C. Kakel, 2013-11-04. Based on an exploration of both pre-Nazi and Nazi theory and practice, Pete Kakel challenges the dominant narrative of the murder of European Jewry, illuminating the Holocaust's decidedly imperial colonial origins and context.

and content in a book of interest to students teachers and lay readers as well as specialist and non specialist scholars

Hitler's True Believers Robert Gellately, 2020-05-01 Nazi ideology drove Hitler's quest for power in 1933 colored everything in the Third Reich and culminated in the Second World War and the Holocaust In this book Gellately addresses often debated questions about how Hitler discovered the ideology and why millions adopted aspects of National Socialism without having laid eyes on the leader or reading his work

Hitler's Charisma Laurence Rees, 2012 Acclaimed historian and documentary filmmaker Laurence Rees examines the nature of Hitler's appeal and reveals the role his supposed charisma played in his success

Joachim Peiper and the Nazi Atrocities of 1944 Stephen Wynn, 2022-02-10 Joachim Peiper held the rank of Obersturmbannführer in Nazi Germany's fanatical Schutzstaffel more commonly referred to as the SS He spent the first two years of the war as an adjutant to the Reichsführer of the Schutzstaffel and leading member of the Nazi Party Heinrich Himmler where he would have witnessed at first hand the construction and implementation of numerous SS policies many of which would have been in relation to ethnic cleansing and the Holocaust In October 1941 having yearned for a chance at combat he changed roles and became a commander in the Waffen SS although he still remained in regular contact with Himmler As a member of the 1st SS Panzer Division Leibstandarte he saw service in the Soviet Union Italy and Belgium On 19 September 1943 he and his men were responsible for the murder of twenty four Italian civilians at the village of Boes On 17 December 1944 men under his command were responsible for what became known as the Malmedy massacre involving the murder of eighty four unarmed American prisoners of war Following this between 17 and 20 December Peiper and his men were involved in the murder of a number of other American soldiers as well as Belgian civilians Peiper was never charged with the atrocities at Boes but in 1946 he faced an American military tribunal for the Malmedy massacre Although found guilty and sentenced to death his sentence was reduced to life imprisonment but he was eventually released in 1956 In 1972 Peiper moved to the French village of Troves in north east France On 14 July 1976 his home was attacked and set on fire Overcome by smoke he died in the flames

The S.S. Officer's Armchair Daniel Lee, 2020-06-16 Based on documents discovered concealed within a simple chair for seventy years this gripping investigation into the life of a single SS officer during World War Two encapsulates the tragic experience of a generation of Europeans One night at a dinner party in Florence historian Daniel Lee was told about a remarkable discovery An upholsterer in Amsterdam had found a bundle of swastika covered documents inside the cushion of an armchair he was repairing They belonged to Dr Robert Griesinger a lawyer from Stuttgart who joined the SS and worked at the Reich's Ministry of Economics and Labor in Nazi occupied Prague during the war An expert in the history of the Holocaust Lee was fascinated to know more about this man and how his most precious documents ended up hidden inside a chair hundreds of miles from Prague and Stuttgart In *The S.S. Officer's Armchair* Lee weaves detection with biography to tell an astonishing narrative of ambition and intimacy in the Third Reich He uncovers Griesinger's American back story his father was born in New Orleans and the family had ties to the plantations

and music halls of nineteenth century Louisiana As Lee follows the footsteps of a rank and file Nazi official seventy years later and chronicles what became of him and his family at the war s end Griesinger s role in Nazi crimes comes into focus When Lee stumbles on an unforeseen connection between Griesinger and the murder of his own relatives in the Holocaust he must grapple with potent questions about blame manipulation and responsibility The S S Officer s Armchair is an enthralling detective story and a reconsideration of daily life in the Third Reich It provides a window into the lives of Hitler s millions of nameless followers and into the mechanisms through which ordinary people enacted history s most extraordinary atrocity

Holocaust Perpetrators of the German Police Battalions Ian Rich,2018-05-03 Holocaust Perpetrators of the German Police Battalions is the first comprehensive English language study of the structures and actions of German Police battalions in Poland and Ukraine between 1940 and 1942 Using these case studies Ian Rich draws attention to the actions and motivations of individual lower ranking policemen who participated in the mass murder of Jews during the Holocaust He illuminates their pivotal roles as organizers educators and role models and the ways they were able to influence their subordinates to carry out these atrocities This book transcends anonymous group portraits and provides a micro historical portrait of individual killers that offers broader insights into the overall actions of the SS and police under Heinrich Himmler Rich s comprehensive analysis of SS and police personnel records and post war trial investigations reveals the method by which police battalions were transformed into instruments of mass murder in the occupied east during the Second World War This book is essential to all students and scholars of Holocaust studies Jewish studies and the Second World War *Empire of Destruction* Alex J. Kay,2021-09-28 The first comparative comprehensive history of Nazi mass killing showing how genocidal policies were crucial to the regime s strategy to win the war Nazi Germany killed approximately 13 million civilians and other non combatants in deliberate policies of mass murder mostly during the war years Almost half the victims were Jewish systematically destroyed in the Holocaust the core of the Nazis pan European racial purification programme Alex Kay argues that the genocide of European Jewry can be examined in the wider context of Nazi mass killing For the first time Empire of Destruction considers Europe s Jews alongside all the other major victim groups captive Red Army soldiers the Soviet urban population unarmed civilian victims of preventive terror and reprisals the mentally and physically disabled the European Roma and the Polish intelligentsia Kay shows how each of these groups was regarded by the Nazi regime as a potential threat to Germany s ability to successfully wage a war for hegemony in Europe Combining the full quantitative scale of the killings with the individual horror this is a vital and groundbreaking work *An Analysis of Christopher R. Browning's Ordinary Men* Tom Stammers,James Chappel,2017-07-05 Of all the controversies facing historians today few are more divisive or more important than the question of how the Holocaust was possible What led thousands of Germans many of them middle aged reservists with apparently little Nazi zeal to willingly commit acts of genocide Was it ideology Was there something rotten in the German soul Or was it as Christopher Browning argues in this highly influential book more a matter

of conformity a response to intolerable social and psychological pressure Ordinary Men is a microhistory the detailed study of a single unit in the Nazi killing machine Browning evaluates a wide range of evidence to seek to explain the actions of the ordinary men who made up reserve Police Battalion 101 taking advantage of the wide range of resources prepared in the early 1960s for a proposed war crimes trial He concludes that his subjects were not evil rather their actions are best explained by a desire to be part of a team not to shirk responsibility that would otherwise fall on the shoulders of comrades and a willingness to obey authority Browning's ability to explore the strengths and weaknesses of arguments both the survivors and other historians is what sets his work apart from other studies that have attempted to get to the root of the motivations for the Holocaust and it is also what marks Ordinary Men as one of the most important works of its generation

If you ally craving such a referred **Heinrich Himmler Peter Longerich** books that will find the money for you worth, get the no question best seller from us currently from several preferred authors. If you desire to comical books, lots of novels, tale, jokes, and more fictions collections are furthermore launched, from best seller to one of the most current released.
