

"RAHUL PANDITA HAD DONE SOMETHING UNUSUAL - HE HAD STUDIED THE MAOIST MOVEMENT AT GROUND LEVEL FOR MORE THAN A DECADE, GROWING EVER MORE INTERESTED IN THE WAY IT FUNCTIONED, TRAVELLING THROUGH THE REMOTER JUNGLES OF CENTRAL INDIA FOR WEEKS ON END AND SPENDING TIME WITH THE TRIBAL PEOPLE..."
- FROM 'INDIA: A PORTRAIT' BY PATRICK FRENCH

HELLO, BASTARD

THE UNTOLD STORY OF
INDIA'S MAOIST MOVEMENT

RAHUL PANDITA

Hello Bastar The Untold Story Of Indias Maoist Movement Rahul Pandita

Julia Lovell

Hello Bastar The Untold Story Of Indias Maoist Movement Rahul Pandita:

Hello Bastar Rahul Pandita, 2022-10-24 With direct access to the top Maoist leadership Rahul Pandita provides an authoritative account of how a handful of men and women who believed in the idea of revolution entered Bastar in Central India in 1980 and created a powerful movement that New Delhi now terms as India's biggest internal security threat. It traces the circumstances due to which the Maoist movement entrenched itself in about 10 states of India carrying out deadly attacks against the Indian establishment in the name of the poor and the marginalised. It offers rare insight into the lives of Maoist guerillas and also of the Adivasi tribals living in the Red zone. Based on extensive on ground reportage and exhaustive interviews with Maoist leaders including their supreme commander Ganapathi Kobad Ghandy and others who are jailed or have been killed in police encounters, this book is a combination of firsthand storytelling and intrepid analysis. [Hello Bastar](#)

Pandita, Rahul, 2011 *Hello Bastar* is the inside story of the current Maoist movement in India. **The Routledge Encyclopedia of Indian Writing in English** Manju Jaidka, Tej N. Dhar, 2023-09-29 Today Indian writing in English is a field of study that cannot be overlooked. Whereas at the turn of the 20th century writers from India who chose to write in English were either unheeded or underrated, with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English. Showcasing the burgeoning field of Indian English writing, this encyclopedia documents the poets, novelists, essayists, and dramatists of Indian origin since the pre-independence era and their dedicated works. Written by internationally recognized scholars, this comprehensive reference book explores the history and development of Indian writers, their major contributions, and the critical reception accorded to them. *The Routledge Encyclopedia of Indian Writing in English* will be a valuable resource to students, teachers, and academics navigating the vast area of contemporary world literature. *The Routledge Handbook of Indian Defence Policy* Harsh V. Pant, 2020-05-11 *The Routledge Handbook of Indian Defence Policy* brings together the most eminent scholarship in South Asia on India's defence policy and contemporary military history. It maps India's political and military profile in South Asia and the Indian Ocean region and analyses its emergence as a global player. This edition of the handbook canvasses over 60 years of Indian defence policy, its relation to India's rising global economic profile, as well as foreign policy shifts. It discusses several key debates that have shaped defence strategies through the years: military doctrine and policy, internal and external security challenges, terrorism, and insurgencies. It explores the origins of the modern armed forces in India, the evolution of the army, navy, and air forces, investments in professional military education, intelligence, and net-centric warfare, reforms in paramilitary forces, and the Indian police. Comments on India's contemporary strategic interests, focusing on the rise of China, nuclearisation of India, and Pakistan's security establishments, and developments in space security and missile defence. Taking stock of India's defence planning architecture over the past decade, this accessibly written handbook will be an indispensable resource for scholars and researchers of security and defence studies, international relations, and political science, as well as for

government thinktanks and policymakers Handbook of Indian Defence Policy Harsh V. Pant, 2015-10-06 India has the world's fourth largest military and one of the biggest defence budgets. It asserts its political and military profile in South Asia and the Indian Ocean region. The nation has been in the midst of an ambitious plan to modernize its largely Soviet era arms since the late 1990s and has spent billions of dollars on latest high tech military technology. This handbook canvasses over 60 years of Indian defence policy and the major debates that have shaped it. It discusses several key themes such as the origins of the modern armed forces in India, military doctrine and policy, internal and external challenges and nuclearization and its consequences. It includes contributions by well known scholars, experts in the field and policymakers and provides an annotated bibliography for further research. Presented in an accessible format, this lucidly written handbook will be an indispensable resource for scholars and researchers of security and defence studies, international relations and political science as well as for government think tanks and policymakers Postcolonial Modernity and the Indian Novel Sourit

Bhattacharya, 2020-05-27 This book argues that modernity in postcolonial India has been synonymous with catastrophe and crisis. Focusing on the literary works of the 1943 Bengal Famine, the 1967-72 Naxalbari Movement and the 1975-77 Indian Emergency, it shows that there is a long term colonially engineered agrarian crisis enabling these catastrophic events. Novelists such as Bhabani Bhattacharya, Mahasweta Devi, Salman Rushdie, Rohinton Mistry, Nabarun Bhattacharya and Nayantara Sahgal among others have captured the relationship between the long term crisis and the catastrophic aspects of the events through different aesthetic modalities within realism, ranging from analytical affective critical realist quest modes to apparently non realist ones such as metafictional, urban fantastic, magical realist and others. These realist modalities are together read here as postcolonial catastrophic realism *Women, Gender and Everyday Social Transformation in India*

Kenneth Bo Nielsen, Anne Waldrop, 2014-08-01 The pace of socioeconomic transformation in India over the past two and a half decades has been formidable. This volume sheds light on how these transformations have played out at the level of everyday life to influence the lives of Indian women and gender relations more broadly. Through ethnographically grounded case studies, the authors portray the contradictory and contested co-existence of discrepant gendered norms, values and visions in a society caught up in wider processes of sociopolitical change. *Women, Gender and Everyday Social Transformation in India* moves the debate on gender and social transformation into the domain of everyday life to arrive at locally embedded and detailed ethnographically informed analyses of gender relations in real life contexts that foreground both subtle and not so subtle negotiations and contestations **Key Concepts in Modern Indian Studies** Rachel Dwyer, 2016-03-18 Modern

Indian studies have recently become a site for new creative and thought provoking debates extending over a broad canvas of crucial issues. As a result of socio-political transformations, certain concepts such as ahimsa, caste, dharma and race have taken on different meanings. Bringing together ideas, issues and debates salient to modern Indian studies, this volume charts the social, cultural, political and economic processes at work in the Indian subcontinent. Authored by internationally

recognized experts this volume comprises over one hundred individual entries on concepts central to their respective fields of specialization highlighting crucial issues and debates in a lucid and concise manner Each concept is accompanied by a critical analysis of its trajectory and a succinct discussion of its significance in the academic arena as well as in the public sphere Enhancing the shared framework of understanding about the Indian subcontinent Key Concepts in Modern Indian Studies will provide the reader with insights into vital debates about the region underscoring the compelling issues emanating from colonialism and postcolonialism

China's India War Bertil Lintner, 2018-01-25 The Sino Indian War of 1962 delivered a crushing defeat to India not only did the country suffer a loss of lives and a heavy blow to its pride the world began to see India as the provocateur of the war with China merely defending its territory This perception that China was largely the innocent victim of Nehru's hostile policies was put forth by journalist Neville Maxwell in his book India's China War which found readers in many opinion makers including Henry Kissinger and Richard Nixon For far too long Maxwell's narrative which sees India as the aggressor and China as the victim has held court Nearly 50 years after Maxwell's book Bertil Lintner's China's India War puts the border dispute into its rightful perspective Lintner argues that China began planning the war as early as 1959 and proposes that it was merely a small move in the larger strategic game that China was playing to become a world player one that it continues to play even today

Kings, Spirits and Memory in Central India Aditya Pratap Deo, 2021-10-26 Part anthropological history and part memoir this book is a unique study of the polity of the colonial princely state of Kanker in central India The author a scion of the erstwhile ruling family of Kanker delves into the oral accounts given in the ancestral deity practices of the mixed tribe caste communities of the region to highlight popular narratives of its historical polity As he struggles with his own dilemmas as ethnographer king what comes into view is a polity where the princely state is drawn out amidst a terrain of gods and spirits as much as that of law courts and magistrates and political power is divided contested and shared between the raja state and the people This study constitutes not only an intervention in the larger debate on the relationship between state formations and tribal peoples but also on the very nature of history as a knowledge practice especially the understandings of power authority and sovereignty in it Combining intensive ethnography complementary archival work and crucial theoretical questions engaging social scientists worldwide the author charts an unusual explanatory path that can allow us to obtain a meaningful understanding of societies peoples that have historically been marginalized and seen as different This book will be of interest to students and researchers of history anthropology politics religion tribal society and Modern South Asia

Media Diplomacy and Its Evolving Role in the Current Geopolitical Climate Bute, Swati Jaywant Rao, 2018-03-31 In this age of information technology the media's role in international bilateral and diplomatic relations is increasingly important It plays a crucial part in keeping countries connected and updated about actual and ground level realities Media Diplomacy and Its Evolving Role in the Current Geopolitical Climate provides emerging research on the changing practices in diplomacy new media and the connections

between media and policy It highlights how the media is changing countries approaches to diplomacy and readers will learn the valuable aspects of the role that communication technology plays in resolving regional and international issues This book is an important resource for professionals and researchers working in the field of media diplomacy internet and diplomacy e diplomacy international relations and media diplomacy and contemporary diplomatic policy seeking current research on the best ways to globally expand on media and policy *The Broken Ladder* Anirudh Krishna,2017-08-07 Despite becoming a global economic force why does India win so few Olympic medals and have so many people living in poverty Why have opportunities not become available more broadly How can growing individuals assist with the task of building a growing economy Krishna presents a refreshingly unusual perspective of emergent realities drawing on the stories of everyday lives of people like you and me and those less privileged Through decades long investigations living in villages and slum communities the author presents eye opening details of missed opportunities and immense untapped talent that can be harnessed with tremendous consequences for equity and growth Offering possible solutions for inequality and those in need *The Broken Ladder* is a comprehensive and fascinating account of development strategies in a fast growing yet largely agrarian developing economy **The Phoenix Moment** Praful Bidwai,2015-11-01 Praful Bidwai s analysis and conclusions compel serious engagement both by academics and political leaders K N Panikkar Bidwai s assessments will undoubtedly trigger further discussion Romila Thapar Praful raises the right questions and is scrupulously fair Susan George India still has a significant and relatively powerful communist movement In spite of the massive setbacks communist parties have suffered in and since the 2014 national elections and their general decline during the past decade the Indian Left is a significant component of the political spectrum It is represented in virtually every state in the form of trade unions peasant associations women s organizations and student unions and in state legislatures municipal bodies and village councils *The Phoenix Moment* seeks to understand how a communist movement almost unique within the world s capitalist democracies flourished for so long in India and what accounts for its initially gradual and then rapid decline It also asks how far and in what manner the Left has accomplished its goals whether it could have achieved more and what its future prospects are Crucially political analyst Praful Bidwai investigates whether the Left s core agenda of progressive or socialist transformation can yet be reinvented and restored to relevance either with its own agency or through other forces formations and initiatives Given the paucity of analytical literature on the mainstream Left at the national level Bidwai s timely and deeply insightful book fills a crucial void *Guerrilla Ecologies* John Maerhofer,2024-03-25 This book intervenes in contemporary debates about climate activism militancy and strategy that have been gathering force in radical ecological circles It responds to some of the urgent questions about utilizing militancy as part of the overall effort to foster an ecosocialist society Building upon the crucial work of scholars and activists from the 1970s to the present such as Carolyn Merchant Ursula Heise Raj Patel Joan Martinez Alier Neil Smith and Mark Dowie this book discusses and regenerates key principles of guerrilla ecology It presents

a significant critique of green capital and its impact on the shape of environmental and climate justice movements From car manufacturers dedicating profits to reforestation to big oil conglomerates funneling money into universities that are developing techno fixes which may stave off ecological disaster green capital has become the mainstay of contemporary cultural political and economic reproduction aiming to fuse profitability and sustainability The book brings together discussion on key topics in a range of contexts including biopiracy and biocolonialism indigenous resistance extractivism anti imperialism ecotage and eco militancy It will attract scholarly readers from diverse spaces in the environmental humanities environmental and climate justice radical ecology and philosophy

Masquerades of War Christine Sylvester, 2015-05-22 This collection explores the concepts and practices of masquerade as they apply to concepts and practices of war The contributors insist that masquerades are everyday aspects of the politics praxis and experiences of war while also discovering that finding masquerades and tracing how they work with war is hardly simple With a range of theories innovative methodologies and contextual binoculars masquerade emerges as a layered and complex phenomenon It can appear as state deception lie or camouflage as in the population centric American warfare in Iraq that was sold as good for the local people or the hidden violence Russian military forces used on each other and on local men in Chechnya Masquerade can also be part of a people s war logic as exemplified by the Maoist movement in India Yet masquerade can also be understood as a normal social mask that people don to foreground an identity or belief from one s cluttered repertoire in order to gain agency Elements of masquerade can appear in texts that proclaim seemingly unequivocal positions while simultaneously yet subtly suggesting opposing positions Masquerades of all kinds also seem ubiquitous in fieldwork research and in resistance movements in war zones Perhaps masquerade though is ultimately the denial of death lurking behind the clarion call of security a call that bolsters war by making militarized policing normal to secure populations from terrorists These interpretations and others comprise Masquerades of War This book will be of much interest to students of critical war studies critical security conflict studies and IR in general
