Electric Motorcycles and Bicycles Kevin Desmond, 2018-12-31 Beginning in 1881 isolated prototypes of electric tricycles and bicycles were patented and sometimes tested Limited editions followed in the 1940s but it was not until the lithium ion battery became available in the first decade of this century that urban pedelecs and more powerful open road motorcycles sometimes with speeds of over 200 mph became possible and increasingly popular Today's ever growing fleets of one wheel two wheel and three wheel light electric vehicles can now be counted in the hundreds of millions In this third installment of his electric transport history series the author covers the lives of the innovative engineers who have developed these e wheelers

I'm a Climate

Optimist Aakash Ranison, 2023-06-12 India's First Carbon Neutral Book Whenever climate change as a topic pops up in a conversation someone ends the conversation with What can I do about it This book is the answer to those all what can I do Covering all the aspects of day to day life like food textile transportation tourism beauty home education business etc along with Industry specific expert comments Climate change is mostly talked about in a very technical language and is full of jargon like Climate Emergency Carbon Neutral Carbon Positive Net Zero Below 2 C which is one of the biggest issues that the majority of people don't understand the problem This book focuses on simplifying climate change and sustainability so that everyone can understand and take action toward achieving the Sustainable Development Goals of the United Nations If we learn to make conscious decisions regarding our consumption habits we surely can get closer to achieving the target agreed upon in the landmark Paris agreement Get hold of this book to learn the art of making our planet more liveable and sustainable

Green Infrastructure and Construction for Sustainable Future Ghassan Fouad Aouad, Mahmoud Yousef Ghoneim, Evan K. Paleologos, Hamdi Sheibani, 2025-05-15 This book explores the strategies frameworks and innovations that promote sustainable urban transportation systems It examines how cities can reduce their carbon footprint improve air quality and enhance the quality of life for residents by adopting sustainable transport solutions The book focuses on integrating environmental social and economic aspects to create transportation systems that are efficient accessible and eco friendly Topics covered may include the implementation of green public transport the role of technology in smart transportation and the challenges of transitioning to sustainable urban mobility in different regions Also it explores the advancements and practices that support sustainability in the construction sector particularly in the development and improvement of concrete Furthermore it covers the use of eco friendly materials innovative construction techniques and strategies to minimize the environmental impact of construction activities Special attention is given to the durability efficiency and sustainability of concrete including the use of industrial byproducts recycled materials and novel binders The discussion also includes the performance of new construction methods such as 3D printing and their potential to revolutionize sustainable building practices This book focuses on the principles and practices of green building and the role of energy efficiency in achieving sustainable construction goals It explores the use of renewable materials energy efficient designs and smart technologies in creating buildings that minimize environmental impact while maximizing comfort and utility The topic also addresses the decarbonization of the building sector highlighting the importance of reducing energy consumption through advanced building automation systems and innovative construction techniques The future of green building including the potential of 3D printed structures and other technologies is also examined [India Today International](#) , 2008-10

Responsible and Resilient Design for Society, Volume 1 Amaresh Chakrabarti, Vishal Singh, Prasad S.
