Understanding the FIDIC Red Book Jeremy Glover,Simon Hughes,2011 Providing an explanation of Internet law and regulation this title addresses key areas of contention such as copyright cash transactions product liability advertising defamation and data protection It also includes coverage of the UK implementation of the E Commerce Directive and the E Signature Directive and the Gambling Act 2005

The FIDIC Forms of Contract Nael G. Bunni,2013-02-05 In September 1999 FIDIC introduced its new Suite of Contracts which included a new Red Yellow Silver and Green forms of contract The new Red Book was intended to replace the 1992 fourth edition of the Red Book with the ambition that its use would cease with time This ambition has not materialised and is unlikely to do so in the future Despite the importance of the 1999 Forms there has been very little published on the new concepts adopted in them and how they interact with the previous forms This important work considers these aspects together with the many developments affecting the fourth edition of the Red Book that have taken place since 1997 when the second edition of this book was published and relates them to key contracting issues It is written by a chartered engineer conciliator and international arbitrator with wide experience in the use of the FIDIC Forms and in the various dispute resolution mechanisms specified in them Important features of this book include background and concepts of the various forms of contract a detailed comparison of the wording of the 1999 three main forms which although similar in nature it nevertheless significantly differs in certain areas where the three forms diverge due to their intended purpose analysis of the rights and obligations of the parties involved in the contract and the allocation of risks concerned a range of

decision tree charts analysing the main features of the 1992 Red Book including risks indemnities and insurances claims and counterclaims variations procedure for claims programme and delay suspension payments and certificates dispute resolution mechanisms and dispute boards a much enlarged discussion of the meaning of claim and dispute and the types of claim with a discussion of the Notice provision in the 1999 forms of contract for the submittal of claims by a contractor and by an employer the FIDIC scheme of indemnities and insurance requirements and the methods of dispute resolution provided by the various forms of contract and five new chapters in this third edition the first four chapters deal with each of the 1999 forms and the fifth chapter is confined to the topic of Dispute Boards Stability Through Scandal United States.
