Himmler:

Heinrich Himmler Peter Longerich, 2011-10-27 As head of the SS chief of police Reichskommissar for the Consolidation of Germanness and Reich Interior Minister Heinrich Himmler enjoyed a position of almost unparalleled power and responsibility in Nazi Germany Perhaps more than any other single Nazi leader aside from Hitler his name has become a byword for the terror persecution and destruction that characterized the Third Reich His wide ranging powers meant that he bore equal responsibility for the repression of the German people on the home front and the atrocities perpetrated by the SS in the East Yet in spite of his central role in the crimes of the Nazi regime until now Himmler has remained a colourless and elusive figure in the history of the period In this the first ever comprehensive biography of the SS Reichsf hrer leading German historian Peter Longerich puts every aspect of Himmler's life under the microscope Masterfully interweaving the story of Himmler's personal life and political career with the wider history of the Nazi dictatorship Longerich shows how skilfully he exploited and manipulated his disparate roles in the pursuit of his far reaching and grandiose objectives In the process he illuminates the extraordinary degree to which Himmler's own personal prejudices idiosyncrasies and predilections made their mark on the organizations for which he was responsible especially the SS which in so many ways bore the characteristic hallmarks of its leader and whose history remains both incomplete and incomprehensible without a detailed and intimate knowledge of its deeply sinister commander in chief Heinrich Himmler Roger Manvell, Heinrich Fraenkel, 2007-09-17 Authors Roger Manvell and Heinrich Fraenkel notable biographers of the World War II German leaders Joseph Goebbels and Herman Goring delve into the life of one of the most sinister clever and successful of all the Nazi leaders Heinrich Himmler As the head of the feared SS Himler supervised the extermination of millions Here is the story of how a seemingly ordinary boy grew into an obsessive and superstitious man who ventured into herbalism astrology and homeopathic medicine before finally turning to the science of racial purity and the belief in the superiority of the Aryan people Heinrich Himmler Rolf Michaelis, 2025-06-06 All of Heinrich Himmler's roles and official positions are described in detail **Top Nazi** Jochen von Lang, 2013-05-14 The only biography of General Karl Wolff Heinrich Himmler's assistant in Heinrich Himmler Richard Worth, 2005 In the horrible story of the Holocaust Heinrich Himmler is the notorious SS recognized as its head architect Ordered by Adolf Hitler to devise a plan a Final Solution to rid Europe of its Jewish population Himmler dictated the means and methods by which 11 million people were killed In the final days of the Third Reich his power was second only to Hitler's Richard Worth details the life of Heinrich Himmler from his youth and his rise through the ranks of the SS to his ultimate betrayal of the Furher and his fruitless efforts to escape justice Book jacket

<u>The Himmler Brothers</u> Katrin Himmler,2007 Once upon a time the Himmlers were just a normal German family middle class hard working well educated There were three brothers Gebhart Heinrich and Ernst Heinrich grew up to become the head of Hitler's SS mastermind of the concentration camp system and chief perpetrator of the Holocaust When Katrin

Himmler Heinrich's great niece was 15 one of her schoolmates asked during a history lesson if she was related to the Himmler Yes she stammered at which there was a deathly hush in the classroom and the teacher embarrassed and unsure quickly moved the lesson on As she grew older Katrin gave her family history a wide berth but married to an Israeli whose family was confined to the Warsaw Ghetto and with a young half Jewish son she realizes that she cannot evade the past so easily Katrin Himmler's cool but meticulous examination of the Himmler story reveals in all its dark complexity the gulf between the normality of bourgeois family life and the horrors perpetrated by one member and a more nuanced portrait of Heinrich himself emerges not a lone evil executioner but a middle class family man loved and fully supported by his respectable German family Himmler; the Evil Genius of the Third Reich Willi Frischauer, 1953 Frischauer, 2016-10-27 Originally published in 1953 this masterly study of Heinrich Himmler is a forceful dispassionate analysis of a man who rose from obscure beginnings as an agricultural student to a position of almost absolute power until in the Nazi twilight he challenged Hitler himself Outwardly insignificant diffident possessing neither the flamboyance of Goering nor the incisiveness of Goebbels Himmler head of the dreaded Secret Police yet made himself the man most feared in the Nazi hierarchy and as much by his friends as his enemies Only when the incredible facts about Himmler s extraordinary hold over his colleagues became known were the full depths of the infamy to which Nazism had brought Germany revealed Based on journalist Willi Frischauer's unique knowledge of the background and sequence of events which gave rise to the Hitler regime he manages to unearth the evidence building up stone by stone the mosaic of Himmler's true portrait A fully documented and unforgettable narrative Heinrich Himmler - Founder of the Nazi Concentration Camps (Biography) Biographiq, 2008-03 A brief biography of Heinrich Himmler the leader of the Gestapo with pertinent facts about his life The Private Heinrich Himmler Katrin Himmler, Michael Wildt, 2016-03-08 At the end of World War II it was assumed that the letters of Heinrich Himmler were lost Yet sixty years after Himmler's capture by British troops and subsequent suicide the letters mysteriously turned up in Tel Aviv and in early 2014 excerpts were published for the first time by the Israeli newspaper Yediot Aharonot providing a rare if jarring glimpse into the family life of one of Hitler's top lieutenants while he was busy organizing the mass extermination of the Jews It was generally held that Himmler once appointed head of the SS blended seamlessly into the Nazi hierarchy The image that emerges however is more subtle Himmler is seen here as a man whose observations can often be characterized by their unpleasant banality a man whose obsession with family life ran alongside a brutal detachment from all things human a serial killer who oversaw the persecution and extermination of all Jews and other non Aryans and those opposed to the regime His letters remove any doubt that he was the architect of the Final Solution and a man who was much closer to Hitler than many historians previously thought The letters in this edition were arranged by Katrin Himmler the great niece of Heinrich and Marga Himmler and Michael Wildt a renowned expert on the Nazi regime who also provide historical context to the letters and their

author The entire work was translated by Thomas S Hansen and Abby I Hansen Heinrich Himmler Peter Longerich, 2012 A biography of Henrich Himmler interweaving both his personal life and his political career as a Nazi dictator Himmler Brothers Katrin Himmler, 2012-05-31 Katrin Himmler's cool but meticulous examination of the Himmler story reveals in all its dark complexity the gulf between the normality of bourgeois family life and the horrors perpetrated by one member This riveting family memoir provides essential new information on the private life and background of one of the twentieth century s most notorious killers not a lone evil executioner but a middle class family man loved and fully supported by his respectable German family It also offers a unique account of one women s courageous attempt to deal with her chilling inheritance It is part of the creeping discomfort in reading her book to realise the incredibly ordinary middle class background of these three sons of a rather pompous provincial headmaster and to see how right until the end he was almost able to convince himself it hadn t happened like it had Sunday Times You get a vivid sense of a particular kind of German conservatism Roman Catholic monarchist and of how weirdly it found an outlet in the upstart part pagan thuggery of Nazism Independent One can only admire her bravery In a way Katrin Himmler's book is not a story about the past but one about the present The most interesting details are the ones she gives of her own quest Daily Telegraph The Architect of Genocide: Himmler and the Final Solution Richard Breitman, 2022-09-05 A historian's carefully researched work based on a vast array of sources documenting Hitler's and Himmler's responsibility for the murder of European Jewry The book details the planning and the improvisations but emphasizes the former and Himmler's fanatical hatred of the Jewish race as the determinative cause of the Holocaust Dealing with a charged controversy Breitman makes a powerful case that by March 1941 the Final Solution was just a matter of time and timing i e that the Holocaust was not a reflex of Hitler's fear that the war in Russia could not be won Breitman argues that the Wannsee Conference merely ratified the plans and instructed other agencies to cooperate Breitman records the instances of resistance or opposition but notes that of course the cooperation of thousands many still alive and never tried and the complicity or silence of millions were needed to carry out the murder the book concludes that Himmler's brutality was more learned than instinctive or emotional a methodical murderer impelled by racist dogma Foreign Affairs Breitman's book is decisively important It should serve for years to come as required reading for all who wish to make sense of the Holocaust Daniel Jonah Goldhagen The New Republic Looking nothing like the Nordic ideal he advocated Heinrich Himmler chief of the Nazi SS was short flabby and balding his dull pedantic exterior disguising the caustic cowardly Machiavellian immensely cruel master of deceit within Breitman presents compelling evidence that the extermination of Jews was an early goal of Himmler a Bavarian and lapsed Catholic and his boss Adolf Hitler Drawing on previously untapped German records as well as other source materials this engrossing detailed study constitutes a powerful refutation of revisionist scholars who claim that Hitler did not plan the Final Solution in advance but instead improvised it out of either military or political frustration Publishers Weekly A truly path breaking book one of the few that will have a

lasting impact on historical research of the period It shows both the primacy of Hitler as the motivating force in the mass murder and the way in which his initiatives were accepted and internalized by the SS on the basis of ideology Holocaust and Genocide Studies Chilling expert history Kirkus An eminently sensible and judicious study that could well serve as a textbook on the topic The Historian Breitman's research is meticulous Especially valuable are his novel insights into the full and frequent communication between Himmler and Hitler who it is known seldom signed an order Mr Breitman presents his arguments cogently Michael H Kater The New York Times An absorbing important book that addresses the sequence of steps leading to the Final Solution Financial Times As Breitman persuasively demonstrates the situation kept changing but Hitler was always in charge and his goals always included ridding his empire of the Jews Los Angeles Times Breitman is on the hunt for smoking guns He finds the goods littered throughout Himmler's speeches and conversations Breitman shows that people knew Washington Post Book World The book is chillingly good on the uses and abuses of language to mask atrocity Newsday Breitman's study is an important addition to the literature on the origins of the Nazi genocide one that provides the most likely scenario and settles important disputed questions Breitman's study is a major step forward in our understanding of how the Nazis initiated mass murder German Studies Review An important book I much admire this work particularly for its resourceful combing of primary material there is much to learn from this book about the Final Solution its origins its implementation and its hate inspired architect The American Historical Review **Himmler's Auxiliaries** Valdis O. Lumans, 2000-11-09 Lumans studies the relations between Nazi Germany and the German minority populations of other European countries examining these ties within the context of Hitler's foreign policy and the racial policies of SS Chief Heinrich Himmler He shows how the Reich's racial and political interests in these German minorities between 1933 and 1945 helped determine its behavior toward neighboring states Originally published in 1993 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Heinrich Himmler Roger Manvell, Heinrich Fraenkel, 2007-09-17 Authors Roger Manvell and Heinrich Fraenkel notable biographers of the World War II German leaders Joseph Goebbels and Herman Goring delve into the life of one of the most sinister clever and successful of all the Nazi leaders Heinrich Himmler As the head of the feared SS Himler supervised the extermination of millions Here is the story of how a seemingly ordinary boy grew into an obsessive and superstitious man who ventured into herbalism astrology and homeopathic medicine before finally turning to the science of racial purity and the belief in the superiority of the Aryan people **Heinrich Himmler** Peter Fraenkel, Roger Manvell, 2017-11-30 There are no better biographies of Goering Goebbels and Himmler in existence New York Review of Books Heinrich Himmler was the commander of the SS and as founder and officer in charge of the Nazi concentration camps and the Einsatzgruppen death squads he was responsible for

implementing the extermination of millions of people By the time he died he was the second most powerful man in Germany and regarded himself as Hitler's natural successor going so far as to attempt to negotiate independent peace with the Allies Based on US documents handed over to the German Federal Archives and the testimonies of Himmler's family and staff this book examines how a seemingly ordinary boy grew into an obsessive and superstitious man who ventured into herbalism and astrology before finally turning to the science of racial purity and the belief in the superiority of the Aryan race Filled with insights into Himmler's private life activities and beliefs this is an important study of one of the most sinister figures of World Göbbels, Himmler and Göring Andrew Sangster, 2019-01-18 This book contains the biographies of Hitler's three henchmen G bbels Himmler and G ring the longest loyal servants of Hitler It utilises both older biographies because of their insights and more recent scholarly publications as well as diaries such as those of G bbels and Ciano The volume illustrates that G bbels support was three fold in campaign managing propaganda and myth building Himmler's terror apparatus supressed occupied Europe and controlled Germans ensuring that Hitler retained power G ring s control of the economy and the Luftwaffe and his personal support of Hitler were critical as demonstrated by his trial at Nuremberg but he was the weakest link from 1940 as he became virtually ineffectual In addition and new to this area of study the book introduces the work of Stephen Roberts an academic who actually met these men in 1936 and whose insights are revealing The volume also examines the question of their mental stability in the light of psychopathic studies Himmler's Diary 1945: A Calendar of Events Leading to Suicide Stephen Tyas, Peter Witte, 2014-03-24 Himmler's Diary 1945 A Calendar of Events Leading to Suicide is an exceptional work with unpublished diary entries made by Himmler that shows in detail how The Third Reich fell to ruin in its final bloody year Reichsfuhrer SS Heinrich Himmler was instigator of the largest programme of racial mass murder in history 1 January 1945 saw Heinrich Himmler at his peak in Nazi Germany controlling the entire German police force including the Gestapo all SS organisations and Nazi Minister of the Interior His powers extended into the German Army and included Commander of the Replacement Army and two Army Groups Two field commands revealed his limitations and failure as army commander Between January and May 1945 Heinrich Himmler vacillated showing a lack of vision action and decision At least he was able to gain control of V 2 rocket production and their launch against Britain He ordered all concentration camp inmates be shot before rescinding the order When his SS generals asked for instructions Himmler ordered them to show backbone as their commands had few bounds The Swedes and Swiss negotiated with Himmler who allowed over 10 000 concentration camp prisoners taken to safety before Hitler intervened Himmler conducted peace feelers via the Swedes before the German surrender in May 1945 while trying to make contact with British Field Marshal Montgomery These contacts went unanswered Himmler was captured by the British and then committed suicide on 23 May Hitler, Goebbels, Himmler Linda Jacobs Altman, 2014-07-01 How could the Holocaust have happened in a civilized 1945 country Who is to blame The roots of the hatred that led to the Holocaust began long before World War II Author Linda

Jacobs Altman thoroughly examines the causes and events that led up to the Holocaust Adolf Hitler's rise to power and the role he played in World War II in perpetuating the Holocaust Heinrich Himmler Max Williams, 2014 I was following orders. The answer most commonly quoted by SS men accused of atrocious crimes after Germany had surrendered in 1945. But who gave those orders Who was the mastermind behind the sophisticated machinery which allowed men from normal family backgrounds to kill on such a scale. The right man at the right time fate steered Heinrich Himmler to take control of an organization destined to carry out Hitler's racial policies. This study not only sets out in detail how Heinrich Himmler's daily routine allowed him to implement Nazi strategy but it also provides illustrations of the man behind much of it both at work and at home Of all the personalities of history demonized by postwar writers. Heinrich Himmler ranks among the most reviled. His legacy is one of hatred violence and cold blooded murder on a vast scale A Jekyll and Hyde character variously described by his generation and those who followed as charming loyal polite a pedant an eccentric an organizational genius a fool a desk killer and a loving father. The camera allows us into his world albeit temporarily and we can equate his busy but mostly mundane schedule with contemporary images frozen in time REVIEWS text as engaging as the illustrations and highly recommend this marvelous book to all who think they we seen everything about Heinrich Himmler Military Advisor
