History Alive The Medieval World And Beyond Wikipedia:

Word Mariam Motamedi Fraser, 2015-09-16 Words are everywhere Ubiquitous pervasive Yet our relations with words are narrowly defined How does the sound feel touch taste place position speed and direction of words come to matter in their uses Word begins from the premise that if we consider words only in terms of language and as images we overlook a range of bodily sensory affective and non conscious relations with words We overlook too their epistemological methodological experiential and political implications This book seeks to redress this neglect by exploring words themselves in histories of language and contemporary theory in print and typography and through a series of empirical examples which include religion embodiment photography and performance Word is a reminder that words live richly in the world It is an invitation to recognise those non linguistic word relations that are already existing and to bring new and generative encounters with words into being

A Medieval Life Judith M. Bennett, 2020-11-20 A Medieval Life offers a biography of one woman a portrait of her world and an introduction to historical method A Medieval Life offers a biography of one woman a portrait of her world and an introduction to historical method Written in a clear and accessible style it reworks a well loved book to provide an entirely new resource for students teachers and general readers Like Cecilia Penifader most people in the Middle Ages were peasants humble people living socially below the knights bishops and kings who figure so large in history books Judith M Bennett shows that peasants too made history She explores how peasant lives were closely entangled with the lives and interests of those more privileged looking at manors as well as villages parishes faith and ritual practices royal taxes and justice economy and trade famine and disease By moving out from Cecilia s perspective the book explores the ties and tensions that bound all medieval people poor as well as rich into a medieval society The book also provides a primer on the fact finding and interpretative debates that are at the heart of the historian s craft Each chapter includes a new section on how medievalists today are studying such topics as puberty morals courtship and climate change The illustrations taken from the famous Luttrell Psalter provide a coherent rich and interpretatively complex visual program And the final chapter explores some of the different ways in which historians for better and for worse have understood medieval society
