Jonathan Eastland, Iain Ballantyne

Hms Victory Her Construction Career And Restoration:

HMS Victory Alan Patrick McGowan,1999 *HMS Victory* Alan McGowan,1999 HMS Victory was the flagship of Nelson at the battle of Trafalgar in 1805 and today lies at Portsmouth still a commissioned vessel where she is visited by thousands each year who marvel at her strength and beauty and her wonderful state of preservation after nearly 200 years of life

The Seaforth Bibliography Eugene Rasor,2009-04-17 This remarkable work is a comprehensive historiographical and bibliographical survey of the most important scholarly and printed materials about the naval and maritime history of England and Great Britain from the earliest times to 1815 More than 4 000 popular standard and official histories important articles in journals and periodicals anthologies conference symposium and seminar papers guides documents and doctoral theses are covered so that the emphasis is the broadest possible But the work is far far more than a listing The works are all evaluated assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student scholar and enthusiast alike It is divided into twenty one chapters which cover resource centres significant naval writers pre eminent and general histories the chronological periods from Julius Caesar through the Vikings Tudors and Stuarts to Nelson and Bligh major naval personalities warships piracy strategy and tactics exploration discovery and navigation archaeology and even naval fiction Quite simply no one with an interest and enthusiasm for naval history can afford to be without this book at their side

HMS Victory Jonathan Eastland,Iain Ballantyne,2011-08-17 A first rate visual guide to the most famous preserved warship on the planet The imagery has the wow factor a brilliant showcase Warships International Fleet Review HMS Victory is probably the best known historic ship in the world A symbol of the Royal Navy s achievements during the great age of sail she is based in Portsmouth and seen by tens of thousands of visitors each year In this new series written by experts and containing more than 200 specially commissioned photographs each title will take the reader on a superbly illustrated tour of the ship from bow to stern and deck by deck Significant parts of the vessel for example the capstan steering gear armament brody stove cockpit stern cabins are given detailed coverage both in words and pictures so that the reader has at hand the most complete visual record and explanation of the ship that exists In addition the importance of the ship both in her own time and now as a museum vessel is explained while her design and build her fighting career and her life prior to restoration and exhibition are all described No other books offer such superb visual impact and detailed information as the Seaforth Historic Ship Series a truly groundbreaking concept bringing the ships of our past vividly to life Nominated for the 2011 Mountbatten Awards In a precise and careful treatment they cover the evolution of naval architecture maritime warfare and British strategy that led to the construction of the 100 gun ship of the line A valuable book for students of the age of fighting sail New York Military Affairs Symposium

Nelson's Victory Brian Lavery,2015-04-30 May 2015 sees the 250th anniversary of the launch of HMS Victory the ship that is so closely associated with Nelson and his great victory at Trafalgar and which still extant has today become the embodiment of the great Age of

Sail Many books have been written about Victory but none like this which tells the full story of the ship since she first took to the waters in May 1765 It contains many surprises that she was almost wrecked on her launch that diplomacy conducted onboard her played a crucial role in provoking Napoleon s invasion of Russia in 1812 and that in 1914 Kaiser Wilhelm set the First World War in motion at a desk made from her timbers The book also tells the story of Horatio Nelson who was born a few weeks before his most famous ship was ordered and whose career paralleled hers in many ways It does not ignore the battle of Trafalgar and indeed it offers new insights into the campaign which led up to it But it says much more about the other lives of the ship which at different times was a flagship a fighting ship a prison hospital ship a training ship for officers and boys a floating courtroom a signal school in the early days of radio tourist attraction and national icon It looks at her through many eyes including Queen Victoria admirals midshipmen and ordinary seamen and Beatrix Potter who visited as a girl It is simply a must have work for historians and enthusiasts and a compelling new narrative for the general reader

Heritage Microbiology and Science Eric May, Mark Jones, Julian Mitchell, Royal Society of Chemistry (Great Britain), 2008 Heritage Science is emerging as a discipline that brings together chemists physicists microbiologists conservation scientists archaeologists and conservators Its scope precise boundaries and the interfaces between its component disciplines may be in a state of flux but above all its interdisciplinary nature offers understanding of the causes control and protection of heritage from ever present environmental challenges In particular the activities of microbes play a central part in shaping the natural world of our planet but this awesome power constitutes a serious threat to the integrity of our most precious art heritage artefacts monuments and cultural treasures Heritage artefacts that have been recovered from water or that exist near the sea in maritime conditions pose special conservation problems due in main to the combined effect of microbial activities and physical chemical assaults that the environment can offer This book is a result of the invited and updated papers from HMS2005 Microbes Monuments and Maritime Materials and forms a comprehensive volume that addresses key topical areas of heritage science and discusses the threats to a wide range of heritage materials and monuments by biological and chemical agents of decay Key features of the book include Up to date summaries on the conservation of internationally important artefacts and monuments Clear outline of molecular techniques to identify microbes in environmental heritage samples Wide range of case studies covering wood stone cave and cave paintings Contributions presented as fully referenced research publications giving useful technical details and identification of areas for future study Informs conservators about the threats from microbes to a range of materials Extensive range of case studies of important world heritage artefacts and monuments as well as an overview of in situ preservation of historic ships Provides background knowledge on the use and application of modern analytical techniques in conservation Contains detailed information on molecular and synchrotron techniques to assist with identifying biological and chemical threats to heritage artefacts and monuments The book also provides up to date information on subjects covering the component field of heritage microbiology

molecular and chemical analytical techniques and the mechanisms of degradation and deterioration of historic ships and buildings The book details state of the art techniques for the study of large and small heritage objects and their conservation Techniques cover the use of GIS image processing molecular biological analysis of environmental samples including FISH electrophoresis to remove corrosive ions and synchrotron radiation to detect chemicals present in artefacts Several authors have developed their methods through involvement in international collaborative projects such as BIOBRUSH BACPOLES and Save the Vasa Extensive emphasis is placed on case studies and there is a valuable section on historic ships covering the preservation of HMS Victory ss Great Britain Vasa and the Mary Rose This book provides an indispensable guide and reference source for those working in all areas of historical conservation biodeterioration microbiology and materials science

English/British Naval History to 1815 Eugene L. Rasor, 2004-10-30 The English British have always been known as the sailor race with hearts of oak the Royal Navy as the Senior Service and First Line of Defense It facilitated the motto The sun never set on the British Empire The Royal Navy has exerted a powerful influence on Great Britain its Empire Europe and ultimately the world This superior annotated bibliography supplies entries that explore the influence of the English British Navy through its history This survey will provide a major reference guide for students and scholars at all levels It incorporates evaluative qualitative and critical analysis processes the essence of historical scholarship Each one of the 4 124 annotated entries is evaluated assessed analyzed integrated and incorporated into the historiographical scholarship

Victory Kerry Jang, 2022-11-17 The ShipCraft series provides in depth information about building and modifying model kits of famous warships Previously these have generally covered plastic and resin models of 20th century subjects but this volume is a radical departure not only a period sailing ship but one for which kits are available in many different materials and scales This requires some changes to the standard approach but the main features of the series remain constant Victory Nelson s flagship at Trafalgar is probably the world s most famous sailing warship and survives in restored form at Portsmouth With lavish illustration this book takes the modeller through a brief history of the ship highlighting differences in appearance over her long career Detailed color profiles reveal decorative detail and changes to paint schemes over 250 years and outline some of the debatable features experts still disagree about The modelling section reviews the strengths and weaknesses of available kits lists commercial accessory sets for super detailing and provides hints on modifying and improving the basic kit including the complexities of rigging This is followed by an extensive photographic gallery of selected high quality models in a variety of scales and coverage concludes with a section on research references books monographs large scale plans and relevant websites Following the pattern of the series this book provides an unparalleled level of visual information paint schemes models line drawings and photographs and is simply the best reference for anyone setting out to model this imposing three decker

A Global Chronology of Conflict Spencer C. Tucker, 2009-12-23 This monumental six volume resource offers engaging entries of major diplomatic military and political events driving world conflicts from ancient

times to the present Now from ABC CLIO long regarded as a premier publisher of military history comes a monumental resource that encapsulates the entire scope of conflict among human societies Spanning nearly five millennia from the earliest documented fighting to the present A Global Chronology of Conflict From the Ancient World to the Modern Middle East provides a comprehensive survey of major military events With coverage that reaches beyond the battles this work examines the political and diplomatic forces driving world conflicts revolutions forced changes of governments international treaties and acts of aggression and terrorism Written by acclaimed military historian Spencer C Tucker these six chronologically organized volumes offer an accessible richly detailed timeline of military conflict across human history The concise entries cover all important events on the battlefield and in the corridors of power with special features highlighting hundreds of key leaders and weapon systems From specific data on casualties to coverage of evolving weapons technology to insightful analyses of the social impact of war A Global Chronology of Conflict is an essential resource for students

researchers history buffs and general readers alike **The Wrecks of HM Frigates Assurance (1753) and Pomone (1811)** John Bingeman, Paul Simpson, David Tomalin, 2021-03-23 With the thought of treasure Isle of Wight islander Derek Williams researched ancient local wreck records Top of his extensive wreck list was the 40 gun frigate Assurance lost in 1753 while returning from Jamaica with Governor Trelawny on board whose story possibly inspired Robert Louis Stevenson to write Treasure Island Derek s first dive at the western point of the Isle of Wight called The Needles put him on top of cannons various wreckage and Spanish American Pieces of Eight all scattered at the foot of the rock face He reported this astonishing discovery to the authorities which resulted in the site being designated the 6th British historic protected wreck site When the authorities decided that further professional help was needed author and diver John Bingeman supplied his Portsmouth Royal Naval diving team and together with David Tomalin County Archaeologist developed the full potential of this important site Over the next nine years John Bingeman s team conducted annual visits to excavate the site they successfully recovered 3 471 artifacts including cannon weighing 1 tons Some of these cannon post dated the Assurance leading to the identification of a second 38 gun frigate the Pomone lost in 1811 Her Captain Robert Barrie s extensive correspondence was discovered by Paul Simpson to have been archived by Duke University North Carolina It features Pomone s continuous actions during the French Napoleonic wars followed by his appointment to the 74 gun Dragon when he saw action in Chesapeake Bay during the 1812 15 war with the USA Returning to North America as Senior Naval Officer Canada Commodore Barrie made quite a name for himself improving the political relationship between the USA and Canada he is remembered by the Canadian City named Barrie Previously unresearched archaeological finds are featured including the development of rigging blocks gunlocks military buttons and ship s chain pumps all superbly illustrated as well as the results of research into numerous other artifacts of the period Appendices contain the transcripts of the two ship s court martials and make fascinating reading Captains seem to be blameless while their navigating officers are held responsible

even going to prison Perhaps not surprising when tried by fellow Captains **Nelson's Victory** Peter Goodwin,2012-11-19 With the approach of the 200th anniversary of the Royal Navy's greatest battle off Cape Trafalgar on October 21st 1805 much attention will be given to our most tangible symbol of that most ferocious engagement Nelson's fully preserved flagship HMS Victory Much has been written about HMS Victory but it is often simplistic and romanticised or clearly aimed at the technical requirements of the naval historian In Nelson's Victory Peter Goodwin adopts a fresh approach to explain the workings of the only surviving line of battle ship of the Napoleonic Wars As Victory was engaged in battle during only two per cent of her active service Peter Goodwin also provides a glimpse into life and work at sea during the other ninety eight per cent of the time As technical and historical advisor to the ship in Portsmouth he is in a unique position to investigate and interpret not only the ship's structure but also the essential aspects of shipboard life victualling organisation discipline domestic arrangements and medical care In his role as Keeper and Curator of the ship the author has been asked thousands of questions by visitors and historians alike In this volume he has selected 101 of the most important and telling questions and provides full and detailed responses to each What types of wood were used in building Victory What was Victory's longest voyage How much shot was fired from her guns at Trafalgar How many boats did Victory carry What was prize money What was grog When did her career as a fighting ship end and How many people visit Victory each year **Maritime Portsmouth** Paul Brown,2016-03-10 For three centuries Portsmouth has been the leading base of the Royal Navy but the naval heritage of its port can be traced back to the Roman invasion of Britain From the Roman walls of Portchester to the best preserved Georgian dockyard in the world and the illustrious HMS Victory Portsmouth is amongst the most important naval sites in the world This fascinating book in its new and fully revised edition focuses on the history and present status of Portsmouth Historic Dockyard as well as the magnificent ships Victory Warrior and Mary Rose that have been preserved and are now on display at Portsmouth Drawing on impressive original research and illustrated by a host of colourful photographs author Paul Brown has created a concise and helpful guide to the key maritime attractions in Portsmouth and Gosport including the Submarine Museum the sea forts the Gunwharf and the commercial port Sovereign of the Seas, 1637 John McKay,2020-02-28 McKay's artful renderings provide a fitting tribute to this amazing vessel and those who participated in her planning and construction Pirates and Privateers Sovereign of the Seas was the most spectacular extravagant and controversial warship of the early seventeenth century The ultimate royal prestige project whose armament was increased by the King's decree to the unheard of figure of 100 guns the ship finally cost the equivalent of ten more conventional warships A significant proportion of this total was spent on her gilded decoration which gave the ship a unique combination of firepower and visual impact in battle that led her Dutch opponents to dub her the Golden Devil It is unsurprising that such a high profile ship should be well documented but there are no contemporary plans and much of the visual evidence is contradictory In this book John McKay sets out to analyze the data and reconstruct the design and appearance of the ship in

a degree of detail never previously attempted The results are presented as a folio of superbly drafted plans isometric drawings and colored renderings covering every aspect of the design from the hull form to the minutiae of sails and rigging Each section is accompanied by an explanatory text setting out the rationale for his conclusions so the book will be of value to historians of the period as well as providing superb reference for any modeler tackling one of the most popular of all sailing ship subjects A magnificent book on a magnificent ship Nautical Research Journal Very few books of warships contain the level of detail provided here Firetrench

Of Sex and Faerie: further essays on Genre Fiction John Lennard, 2010 Taking up where *Of Modern Dragons* 2007 left off these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois McMaster Bujold and Ursula K Le Guin There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world There is an extensive bibliography of genre and critical work with eight illustrations John Lennard is Director of Studies at Hughes Hall Cambridge and has also taught for the Universities of London Notre Dame and for the Open University and was Professor of British American Literature at the University of the West Indies Mona 2004 09 *Of Modern Dragons* and other essays on genre fiction 2007 is also available from Lulu

Admiral Lord Nelson D. Cannadine, 2005-06-08 Admiral Lord Horatio Nelson was a colourful and complex character whose supremely successful naval career quickly attained legendary status By 1803 he was Britain's paramount hero and already maimed with the loss of an arm and blind in one eye He returned to war when called back in May and spent a further two years at sea before dying at the battle of Trafalgar in 1805 Today two centuries after his death the immortal memory of Nelson endures In this book leading historians provide a radical reappraisal of his life and times

Archaeology Hotspot Great Britain Donald Henson, 2015-03-12 The Archaeology Hotspots series offers reader friendly and engaging narratives of the archaeology in particular countries Written by archaeological experts with a general reader in mind each book in the series focuses on what has been found and by whom what the controversies and scandals have been ongoing projects and how it all fits into a broader view of the history of the country In *Archaeology Hotspot Great Britain* expert Donald Henson first chronicles the deep archaeology of a long settled region including England Wales and Scotland then explores both the famously ancient finds cave art at Creswell Crags Stonehenge and more recent and iconic historic sites and monuments such as Westminster Abbey and Ironbridge Gorge He profiles the often larger than life personalities and the previously marginalized women who have contributed to British archaeology the controversies influencing how we see the past are also highlighted Henson considers London's position in the antiquities trade and the safeguarding of heritage sites As a whole the book tells a fascinating story of Great Britain's history culture national heritage and ongoing role as a hotspot of archaeology

My Tango With Barbara Strozzi Russell Hoban, 2012-06-18 Recently separated Phil Ockerman falls hard for Bertha Strunk

at a tango lesson in Clerkenwell Bertha also bears a strong resemblance to the seventeenth century Venetian singer and composer Barbara Strozzi with whom Phil happens to be obsessed to the point where Phil is no longer sure which is which Navigating several London Underground lines and considerable planetary activity Russell Hoban's intriguing romance tangos its way through a world of infidelity artificial eyeballs baseball bats and music never missing a daring seductive step

Feeding Nelson's Navy Janet Macdonald, 2014-04-30 The author of *How to Cook from A Z* disproves the myth of British navy culinary misconduct in a work of serious history that is a delight to read *British Food in America* This celebration of the Georgian sailor's diet reveals how the navy's administrators fed a fleet of more than 150 000 men in ships that were often at sea for months on end and that had no recourse to either refrigeration or canning Contrary to the prevailing image of rotten meat and weevily biscuits their diet was a surprisingly hearty mixture of beer brandy salt beef and pork peas butter cheese hard biscuit and the exotic sounding lobsouse not to mention the Malaga raisins oranges lemons figs dates and pumpkins which were available to ships on far distant stations In fact by 1800 the British fleet had largely eradicated scurvy and other dietary disorders While this scholarly work contains much of value to the historian the author's popular touch makes this an enthralling story for anyone with an interest in life at sea in the age of sail Overall this is an excellent examination of this crucial aspect of British naval power and I'm certainly going to try out some of the recipes HistoryOfWar.org

The colour blue in historic shipbuilding Joachim Müllerschön, 2019-02-27 The use of the colour blue in historical shipbuilding raises many questions Which pigments and colours were available and how were they used What was used in shipbuilding Join us on a fascinating journey back over 5 500 years from the discovery of the first blue pigments to modern times A wealth of sources and pictorial materials round off the well researched text Be surprised by the long history of the colour blue and its role in shipbuilding

Two Ships, Two Oceans, Two Wars Colin B. Nichols, 2018-01-04 Convinced that Napoleon was about to declare war once more the British Government ordered a secret press of seamen in 1803 This book records how the ensuing events affected one man in particular Joseph Bates a 21 year old merchant seaman who proved to be of exceptional ability rising to the rank of lieutenant The book is based largely on the logs of the two ships in which he sailed the frigate HMS Cerberus and the sloop of war HMS Racoon supplemented by eye witness accounts official letters medical notes and the secret diary of one of Joseph's shipmates Pressed in Chatham on 6th May a few days before Britain declared war on France he spent the next 12 years before his release from the Royal Navy The author brings to life the detail of everyday events on board as Joseph is promoted from able seaman servicing in the foretop to coxswain quartermaster midshipman master's mate and lieutenant Joseph's service however was full of more dramatic events deaths by drowning falls from the rigging cholera or tuberculosis He was engaged in battles attacks on the French coast the capture of a town in the Caribbean an explosion in the Racoon that killed many of the crew and the near sinking of the ship But there were lighter moments the celebrations on crossing the Equator and riding horses borrowed from the Mexican army One highlight found in the secret diary of a

shipmate is his single handed attempt to transport a very large hog back to the ship After capturing the last American fort on the Pacific coast Joseph s ship sailed to Hawaii and Tahiti hunting American shipping Her mission completed Racoon once more rounded to the Horn and as a final duty escorted a convoy back to England Joseph s service was ended

Hms Victory Her Construction Career And Restoration Introduction

In today's digital age, the availability of Hms Victory Her Construction Career And Restoration books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hms Victory Her Construction Career And Restoration books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hms Victory Her Construction Career And Restoration books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hms Victory Her Construction Career And Restoration versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hms Victory Her Construction Career And Restoration books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hms Victory Her Construction Career And Restoration books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Hms Victory Her Construction Career And Restoration books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hms Victory Her Construction Career And Restoration books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Hms Victory Her Construction Career And Restoration books and manuals for download and embark on your journey of knowledge?

FAQs About Hms Victory Her Construction Career And Restoration Books

1. Where can I buy Hms Victory Her Construction Career And Restoration books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Hms Victory Her Construction Career And Restoration book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Hms Victory Her Construction Career And Restoration books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Hms Victory Her Construction Career And Restoration audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Hms Victory Her Construction Career And Restoration books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
