Reading the Bible with Giants David Paul Parris, 2015-08-27 Many readers of the Bible believe that interpreting the Scriptures well simply involves a two way dialogue between themselves and the text Implied in this view is the idea that we can simply jump over two thousand years of biblical interpretation However if we believe that God has been speaking through the Bible to devout believers throughout history it would seem that we should find a way to identify the insights they perceived in the text so that we can learn to read these sacred texts with them Drawing on resources from Reception Theory the goal of Reading the Bible with the Giants is to enable the contemporary reader to interpret the Bible in dialogue with those who have gone before us *The Art of Leading Change* Mike Bonem, 2022-07-26 The Art of Leading Change is all about people We can t do the work God has called us to do without people but it s those very people that make change difficult and messy The book offers ten vital perspectives for leading change in churches and ministries The path to change is never easy but learning the art of change can improve the journey *Encyclopedia of Great Popular Song Recordings* Steve Sullivan, 2017-05-17 Volumes 3 and 4 of the The Encyclopedia of More Great Popular Song Recordings provides the stories behind approximately 1 700 more of the greatest song recordings in the history of the music industry from 1890 to today In this masterful survey all genres of popular music are covered from pop rock soul and country to jazz blues classic vocals hip hop folk gospel and ethnic world music Collectors will find detailed discographical data recording dates record numbers Billboard chart data and personnel while music lovers will appreciate the detailed commentaries and deep research on the songs their recording and the artists Readers who revel in pop cultural history will savor each chapter as it plunges deeply into key events in music society and the world from each era of the past 125 years Following in the wake of the first two volumes of his original Encyclopedia of Great Popular Song Recordings this follow up work covers not only more beloved classic performances in pop music history but many lesser known but exceptional recordings that in the modern digital world of long tail listening re mastered recordings and lost but found possibilities Sullivan mines from modern recording history The Encyclopedia of Great Popular Song Recordings Volumes 3 and 4 lets the readers discover and through their playlist services from such as iTunes to and Spotify build a truly deep comprehensive catalog of classic performances that deserve to

be a part of every passionate music lover's life Sullivan organizes songs in chronological order starting in 1890 and continuing all the way through to the present to include modern gems from June 2016 In each chapter Sullivan he immerses readers era by era in the popular music recordings of the time noting key events that occurred at the time to painting a comprehensive picture in music history of each period for each song Moreover Sullivan includes for context bulleted lists noting key events that occurred during the song's recording

Octet James Wieland, 2018-08-31 Michael O Connell is dead Spanning the week of his burial from his obituary to the wake eight characters whose lives some intimately some more obliquely have intersected his slowly open up the carefully constructed compartments of his very private very financially successful life even as they reveal themselves A luminous story of disclosure and concealment of love and its opposites explored in their various tones and shades and of those who embrace life's alternatives and those who deny them Octet's canvas is broad spreading from the Wicklow Stud in the southern hinterland of New South Wales to the battlefields of New Guinea from the ballet stages of Europe to the Business world in London from Edinburgh to Sydney in a timespan which reaches from the Second World War to the turn of the century Why did Michael make the gift of the cello
