Marcus,2019-01-25 This book presents the untold stories of Gypsy and Traveller girls living in Scotland Drawing on accounts of the girls lives and offering space for their voices to be heard the author addresses contemporary and traditional stereotypes and racialised misconceptions of Gypsies and Travellers Marcus explores how the stubborn persistence of these negative views appears to contribute to policies and practices of neglect inertia or intervention that often aim to civilise and further assimilate these communities into the mainstream settled population It is against this backdrop that the book exposes the girls racialised and gendered experiences which impact on their struggles as young people to realise their potential and future prospects Their narratives reveal the strengths of a distinct community and the complexity of their silence and agency within the patriarchal structures that pervade the private spaces of home and the public spaces of education This study also invites the reader to reflect on how the experiences of Gypsy and Traveller girls compares with young women from other social backgrounds and questions if there is more that binds us than divides us as women in the modern world Gypsy and Traveller Girls will be of interest to students and scholars across a range of disciplines including sociology education gender studies and social policy **Living Legacies of Social Injustice** Chris Beasley,Pam Papadelos,2023-08-14

Through a wide range of international and interdisciplinary case studies this book develops the notion of legacy and in particular living legacy that is it explores power relations in the context of time as a means to considering and challenging social injustice Legacies of social injustice are very frequently erased denied or declared redundant Framed by the concept of legacy this book does not conceive legacy as simply referring to relics of the past or to cultural heritage practices and artifacts Instead the book focuses upon living legacies understood as ongoing actively engaged in the re constitution of power relations and influential in the development of alternative political imaginaries Through a variety of studies from many different contexts including Indigenous trauma in Australia displacement in Beirut women travellers in Scotland and heteronormativity in Hollywood the book draws not only upon historiographic sociological legal political cultural and other disciplinary approaches but also specifically makes use of feminist and postcolonial perspectives Foregrounding the legacies of inequality and marginalisation it contributes to a re thinking of power and social change in ways that together suggest potential means

for unsettling and reimagining such legacies This book will appeal to an interdisciplinary range of readers with interests and concerns in the broad area of social justice but especially to those working in sociolegal studies sociology gender studies indigenous studies and politics *Library of Congress Subject Headings* Library of Congress,2003 **History, Travel and Description in the Free Public Library, Newark, New Jersey, May 1901** Newark Public Library,1901 **Library of Congress Subject Headings** Library of Congress.
