Seinfeld And Philosophy A About Everything Nothing William Irwin:

The Simpsons and Philosophy William Irwin, Mark Conard, 2001-02-01 This unconventional and lighthearted introduction to the ideas of the major Western philosophers examines The Simpsons TV's favorite animated family. The authors look beyond the jokes, the crudeness, the attacks on society, and see a clever display of irony, social criticism, and philosophical thought. The writers begin with an examination of the characters. Does Homer actually display Aristotle's virtues of character? In what way does Bart exemplify American pragmatism? The book also examines the ethics and themes of the show and concludes with discussions of how the series reflects the work of Aristotle, Marx, Camus, Sartre, and other thinkers.

South Park and Philosophy Richard Hanley, 2011-08-31 Trey Parker and Matt Stone's long running Comedy Central hit cartoon South Park has been equally cheered and reviled for its edgy humor, pointed satire of current events and celebrities, and all-around obnoxiousness. But is there more to Kyle the lonely Jew, Timmy and the Crips Cartman's bitchiness, Chef's inappropriate advice, and Kenny's continued violent deaths than meets the eye? This collection of essays affirms that possibility. Individual chapters take a sometimes witty, often provocative look at: Is South Park a Libertarian Manifesto? That's So Gay, and Why? Is Cartman Such an Asshole? The writers apply classical philosophical analysis to this two-dimensional dystopia, whether in Paul Draper's 'Why Good Things Happen to Bad People', The Problem of Evil in South Park, or Randall Auxier's 'Finding South Park on the Map'. Officer Barbrady, Mayor McDaniel, and Chef in Plato's Republic. South Park and Philosophy presents new and thoughtful approaches to understanding this surprisingly meaningful show.

Seinfeld and Philosophy William Irwin, 2000 An introduction to philosophy through the lens of Seinfeld asks: Is it rational for George to do the opposite? and Is there really anything wrong with that? and other important topics.

Seinfeld and Philosophy William Irwin, 1999-08-01 Designed for philosophers as well as readers with no particular philosophical background, the essays in this lively book are grouped into four amusing acts. Act One looks at the four Seinfeld characters through a philosophical lens and includes Jerry and Socrates' 'The Examined Life'. Act Two examines historical philosophers from a Seinfeldian standpoint and offers Plato or Nietzsche, Time, Essence, and Eternal Recurrence in Seinfeld. Act Three, 'Untimely Meditations by the Water Cooler', explores philosophical issues raised by the show, such as: Is it rational for George to do the opposite? And Act Four, 'Is There Anything Wrong with That?', discusses ethical problems of everyday life using Seinfeld as a basis. Seinfeld and Philosophy also provides a guide to Seinfeld episodes and a chronological list of the philosophers cited in this book.

Curb Your Enthusiasm and Philosophy Mark Ralkowski, 2012 What makes Larry a monster, and why doesn't he know that he's a monster? This title discusses philosophical answers to these questions. It also discusses the ethical and existential issues, such as whether Larry is a bad apple or perhaps worth emulating.

Traveling with Skeptics Ken Ewell, 2009-11-20 Traveling with Skeptics is the much anticipated sequel to the critically acclaimed book Traveling with Philosophes However due to the authors honest and straightforward portrayal of the people of France he has incurred the wrath and condemnation of the French literary and intellectual establishment with many persons voicing harsh opinions as regards this unique and insightful work Insignificant writers cannot be crushed they lie too flat beneath the foot Honore de Balzac The art of writing is the art of discovering what you believe Clearly this most presumptuous writer believes in nothing Gustave Flaubert Since a person is never happy except at the price of some ignorance this writer must be the happiest man in the world Anatole France As soon as he ceased to be mad he became merely stupid As soon as he ceased to be stupid he became merely this writer Marcel Proust This author should be deconstructed with the aid of a guillotine Jacques Derrida There is but one truly philosophical problem and that is this authors suicide or murder Albert Camus If Hell is other people then this writer can go to Hell Jean Paul Sartre

Volume 19, Tome II: Kierkegaard Bibliography Peter Šajda, Jon Stewart, 2017-03-16 The long tradition of Kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications The volume is divided into two large sections Part I which covers Tomes I V is dedicated to individual bibliographies organized according to specific language This includes extensive bibliographies of works on Kierkegaard in some 41 different languages Part II which covers Tomes VI VII is dedicated to shorter individual bibliographies organized according to specific figures who are in some way relevant for Kierkegaard The goal has been to create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies

Laughing with God Gerald A. Arbuckle, 2015-03-15 When Sarah overhears God tell Abraham that she will give birth to a son she laughs She laughs to herself at the impossibility of her in her old age bearing a child Gen 18 12 But God s ways are not Sarah s ways God is far more wonderful than Sarah imagines Of course Sarah does give birth to a son and names him Isaac whose name means to laugh God has brought laughter for me everyone who hears will laugh with me Gen 21 6 Surely the ancient audience aware of the many incongruities in this story did laugh But can we in modern times recover the divine humor the paradox and promise in this and other biblical accounts Can we use that sacred laughter as a means to evangelize a world that longs for God every bit as much as the ancients did In *Laughing with God* Humor Culture and Transformation Catholic priest and cultural anthropologist Gerald Arbuckle helps us do just that With Arbuckle readers will enter many rich biblical stories and come away laughing not laughter as in response to a joke or comedy but a profound laughter of the heart Readers will laugh

at Sarah as she laughs at God and they will laugh together with Sarah and God Readers will discover divine humor in the parables of Jesus and even in his suffering and death the ultimate paradox for Christians In addition to uncovering and recovering humor in Scripture Arbuckle s work is a treasure trove of modern examples of humor from literature movies and television that surprisingly can be a means of transforming cultures to better reflect the kingdom of God In the end readers will want to turn the phrase He who laughs last laughs best into They who laugh with God evangelize best Gerald A Arbuckle SM PhD is co director of Refounding and Pastoral Development a research ministry in Sydney Australia He is internationally known for his expertise in helping church leaders minister effectively in a postmodern world Arbuckle s most recent books include *Confronting the Demon A Gospel Response to Adult Bullying Violence Society and the Church A Cultural Approach and Healthcare Ministry Refounding the Mission in Tumultuous Times* 2001 Catholic Press Association Award all published by Liturgical Press

Prophetic Politics Philip J. Harold, 2009-09-01 In Prophetic Politics Philip J Harold offers an original interpretation of the political dimension of Emmanuel Levinas's thought Harold argues that Levinas's mature position in *Otherwise Than Being* breaks radically with the dialogical inclinations of his earlier *Totality and Infinity* and that transformation manifests itself most clearly in the peculiar nature of Levinas's relationship to politics Levinas's philosophy is concerned not with the ethical per se in either its applied or its transcendent forms but with the source of ethics Once this source is revealed to be an anarchic interruption of our efforts to think the ethical Levinas's political claims cannot be read as straightforward ideological positions or principles for political action They are instead to be understood prophetically a position that Harold finds comparable to the communitarian critique of liberalism offered by such writers as Alasdair MacIntyre and Charles Taylor In developing this interpretation which runs counter to formative influences from the phenomenological tradition Harold traces Levinas's debt to phenomenological descriptions of such experiences as empathy and playfulness Prophetic Politics will highlight the relevance of the phenomenological tradition to contemporary ethical and political thought a long standing goal of the series while also making a significant and original contribution to Levinas scholarship
