

The background of the poster is a photograph of a man in a dark suit and hat walking through a stone archway. The archway is made of dark, rough-hewn stone and has a large, rounded, dome-like structure on top. In the background, behind the archway, are snow-capped mountains under a blue sky. The man is walking towards the viewer, and his reflection is visible on the wet ground in the foreground.

Seven Years In Tibet:

Seven Years in Tibet Heinrich Harrer, 1982 In this vivid memoir that has sold millions of copies worldwide Heinrich Harrer recounts his adventures as one of the first Europeans ever to enter Tibet Harrer was traveling in India when the Second World War erupted He was subsequently seized and imprisoned by British authorities After several attempts he escaped and crossed the rugged frozen Himalayas surviving by duping government officials and depending on the generosity of villagers for food and shelter Harrer finally reached his ultimate destination the Forbidden City of Lhasa without money or permission to be in Tibet But Tibetan hospitality and his own curious appearance worked in Harrer's favor allowing him unprecedented acceptance among the upper classes His intelligence and European ways also intrigued the young Dalai Lama and Harrer soon became His Holiness's tutor and trusted confidant When the Chinese invaded Tibet in 1950 Harrer and the Dalai Lama fled the country together This timeless story illuminates Eastern culture as well as the childhood of His Holiness and the current plight of Tibetans It is a must read for lovers of travel adventure history and culture A motion picture under the direction of Jean Jacques Annaud will feature Brad Pitt in the lead role of Heinrich Harrer *Seven Years in Tibet. Sample Book Insights

- 1 I had planned to escape from India during the war but the war suddenly began and I was taken prisoner I was then transferred to another camp With the help of like minded companions I collected compasses money and maps
- 2 We were transferred to another camp in India and this time we were transported by rail to the biggest POW camp in India The conditions at the camp changed completely and we had the Himalayas right in front of us We thought about escaping over the passes to Tibet
- 3 I had originally intended to escape alone so that I wouldn't have to consider a companion But one day my friend Rolf Magener told me that an Italian general had the same intentions as myself We quickly joined forces on the basis that I would be responsible for all the planning and he for the money and equipment
- 4 I was often sent out to gather information for the escape plan and I learned how to climb over the camp's outer fence and into Marchese's wing I cut the wires and we escaped into the jungle
